HOUSE RESOLUTION NO. 1

WHEREAS successful conferences of this sort depend no less on financial support than on well-researched scientific papers; and

WHEREAS the Alaska Oil and Gas Association was a major sponsor of the Science Conference, and thus demonstrated its genuine interest in the dissemination of scientific knowledge in the state;

BE IT RESOLVED that the House of Representatives of the Sixth Alaska Legislature commends the Alaska Oil and Gas Association for its important financial support of the 20th Alaska Science Conference.
