Chapter No.

129

## AN ACT

To provide for state participation in federal flood control projects; and providing for an effective date.

### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

\* Section 1. AS 35 is amended by adding a new chapter to read:

#### CHAPTER 30. STATE PARTICIPATION IN FLOOD CONTROL PROJECTS.

Sec. 35.30.010. STATE ASSUMPTION OF NONFEDERAL FLOOD CONTROL PROJECT COSTS. To the extent that funds are made available by the legislature, the state shall assume 90 per cent of the nonfederal costs of planning, land acquisition, construction and maintenance of flood control projects authorized within the state by the United States before or after the effective date of this Act, except that the state shall assume the full share of nonfederally funded costs with respect to those facilities which are primarily state responsibilities, including but not limited to highways and roads, parks and recreation, and fish and game facilities. The state shall participate in federal flood control projects under this section only as to those projects authorized and approved by the Department of Public Works.

\* Sec. 2. AS 38.05 is amended by adding a new section to read:

Sec. 38.05.349. DISPOSITION OF STATE LAND FOR FLOOD CONTROL PROJECTS. The division of lands may make conveyances of title or other interests in state land, provide for exchange of land, or make other arrangements with respect to state land, as necessary to meet federally established requirements of flood control projects

authorized inside the state by the United States before  
or after the effective date of this Act.

\* Sec. 3. This Act takes effect on the day after its passage  
and approval or on the day it becomes law without approval.
