AN ACT

Relating to the authority of the Alaska Pipeline Commission to order special fittings; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 42.06.340 is amended by adding a new subsection to read:

(b) During construction of a pipeline the commission, after investigation and opportunity for hearing and findings as required in (a) of this section, may order the inclusion within the pipeline at points that it designates, special fittings including but not limited to tees, wyes, spools, reducers, enlargers, flanges, flange plates, valves and valve boxes, to reduce the time and cost of future connections for the injection and removal of gas and oil from the main pipeline, and to maintain and facilitate intrastate commerce. A request for special fittings may be made by the commissioner of natural resources for the state. A request for special fittings and valves may be made to the commission by a local government, person, company or corporation. The cost of furnishing and installing the special fittings shall be paid by the state. However, if the special fittings are used by a person for a commercial enterprise or by a municipality for the operation of a utility, the commission shall require that the using person or municipality reimburse the state for the cost of furnishing and installing.

* Sec. 2. This Act takes effect on the day after its passage and approval or on the day it becomes law without approval.
