## SENATE RESOLUTION NO. 6

Honoring Senator Young.

\*\*\*\*\*

### BE IT RESOLVED BY THE SENATE:

WHEREAS Senator Don Young soon will become Alaska's lone congressman; and

WHEREAS no Alaskan ever before has had to endure three statewide campaigns within an eight-month period; and

WHEREAS the man described as "gentle to the point of shyness" will be missed in the Senate--particularly his soothing presence in caucus; and

WHEREAS his colleagues are certain that the "fastest draw" seven and one-half miles north of the Arctic Circle will not be out-gunned in the Halls of Congress, but will swiftly persuade Congress to respond to our several resolutions, stating in effect -- "having wonderful time, send money"; and

WHEREAS, despite the foregoing "whereases", members of the Alaska Senate are proud that a fellow senator has picked up the fallen banner and wishes to sincerely congratulate him on doing so;

BE IT RESOLVED that the Alaska State Senate extends its very best wishes both to Senator Don Young and his lady "Lu" for success and happiness in their new life in the nation's capital.

A COPY of this resolution shall be sent to Congressman-elect Don Young.
