AN ACT

Relating to exemptions from municipal special assessments; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 29.63.065 is repealed and re-enacted to read:

Sec. 29.63.065. EXEMPTION. (a) The real property owned and occupied by a resident 65 years of age or over, or the spouse, widow, widower, or minor heir of the original applicant, on which is located only his permanent abode which is a single-family residence, is exempt from (1) special sewer assessments levied by a home rule or general law municipality after September 2, 1975 and (2) special water assessments levied by a home rule or general law municipality after September 2, 1975. Only one exemption may be granted with respect to the same property, and, if two or more persons are eligible for an exemption with respect to the same property, the parties shall decide between or among themselves which shall receive the benefit of the exemption. No real property may be exempted under this subsection which the municipality determines, after notice and hearing to the parties concerned, has been conveyed to the applicant primarily for the purpose of obtaining the exemption. The determination of the municipality is appealable under AS 44.62.560 - 44.62.570.

(b) No exemption may be granted under this section except upon written application for the exemption on a form prescribed by the state assessor for use by local assessors and in accordance with the following requirements:

(1) the claimant must file the initial application during the period of time between the date the assessment roll is certified and the time of payment fixed by the assembly or council. Within one year of the date the

assessment roll is certified the assembly or council for good cause shown may waive the claimant's failure to make timely initial application for the exemption and authorize the assessor to accept the application as if timely filed.

(2) a claimant receiving the exemption must file by January 15 of each subsequent year a separate application proving eligibility as of January 1 in order to retain the exemption. Within the same year the assembly or council for good cause shown may waive the claimant's failure to make timely application and approve the application as if timely filed.

(3) if an application is filed within the required time under this subsection and is approved by the assembly or council, the exemption shall be allowed in accordance with the provisions of this section. If a waiver under this subsection is granted and the application for exemption approved, the amount of any assessment, penalty or interest which the claimant may have already paid on the assessment shall be refunded to him. The municipality may at any time require proof in the form considered necessary of the right and amount of an exemption claimed under this section.

(c) The state shall reimburse a home rule or general law municipality for the sewer and water assessment revenues which it would receive but for the operation of this section. Reimbursement under this subsection is a lien in favor of the state against the property exempted to the extent of the assessment against the property exempted. Upon recordation in the recording office of the district in which the property exempted is located the lien is prior and superior to other liens against the property except for general taxes or other special assessments and may be enforced by lien foreclosure as provided in AS 34.10.070 - 34.10.220. The lien becomes immediately due and payable

(1) upon sale or other transfer of the property except to a spouse, widow, widower, or minor heir; however, if the property is transferred to a minor heir the lien becomes due and payable on the date the minor heir reaches the age of 25 years; or

(2) when property exempted under (a)(1) or (2) of this section receives more than one sewer connection or more than one water connection; or

(3) when the claimant fails to prove eligibility under (b)(2) of this section.

(d) In this section

(1) "resident" means a person who for 12 consecutive months has maintained his permanent place of abode in the state;

(2) "real property" includes, but is not limited to, mobile homes, whether classified as real or personal property for municipal tax purposes.

(3) "minor heir" means a person who, at the time

of transfer of the property, has not attained the age of 19 years or who, if he has not attained the age of 22 years, is a full-time student at an educational institution or a member of the armed forces of the United States.

* Sec. 2. This Act takes effect immediately in accordance with AS 01.10.070(c).
