Chapter No.

94

AN ACT

Making a special appropriation to the University of Alaska Geophysical Institute for implementation of an immediate satellite Quick Look System and demonstration of the utility of information of that nature to the State of Alaska; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. The sum of \$214,000 is appropriated from the general fund to the University of Alaska Geophysical Institute for the purpose of

(1) funding the immediate operation of a satellite Quick Look System utilizing existing available real-time satellite imagery of the State of Alaska;

(2) conducting a training program for state personnel in the use of satellite remotely sensed data;

(3) conducting a demonstration of the utility of Quick Look satellite data from existing real-time sources within the State of Alaska; and

(4) preparing a report to the legislature no later than February 1, 1979 of the results of the demonstration project and to make recommendations concerning continuation of a Quick Look System, further implementation of such data by state agencies, and additional satellite data receiving systems which would enhance Quick Look capabilities for the state.

* Sec. 2. The unexpended and unobligated portion of the appropriation made by sec. 1 of this Act lapses into the general fund June 30, 1979.

* Sec. 3. This Act takes effect immediately in accordance with AS 01.10.070(c).
