House  
Resolve No.

2

Establishing a House Special Committee on Fisheries.

**BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES:**

WHEREAS the various fisheries in Alaska employ more Alaskans than any other private industry; and

WHEREAS the fishing industry has contributed heavily to the state's economy, and will continue to be important to the state's economy; and

WHEREAS fluctuations in the populations of harvestable species dramatically increase the economic risks of participation in the fishing industry; and

WHEREAS the instability of the commercial fishing industry in the state often presents critical problems for the financing of ventures of fishermen, fish processors, and many fisheries-related businesses; and

WHEREAS Alaska's fisheries are increasingly controlled and influenced by national and international bodies; and

WHEREAS it is critical that the Thirteenth Alaska State Legislature be well-informed of all aspects of the fishing industry;

BE IT RESOLVED by the House of Representatives that a House Special Committee on Fisheries is established to study the problems of the fisheries and the commercial fishing industry in Alaska; and be it

FURTHER RESOLVED that the speaker of the house shall determine the number of representatives to be members of the committee, and shall appoint the members and designate a member to

chair the committee; and be it

FURTHER RESOLVED that the House Special Committee on Fisheries may meet during and between sessions of the legislature, and shall expire upon adjournment sine die of the Thirteenth Alaska State Legislature.
