AN ACT

Relating to municipal government; and providing for
an effective date.

* Section 1. PURPOSE. The legislature finds that the municipal code contains many provisions that have created problems for municipalities that must function under AS 29 and that the title is poorly organized and difficult for people to use. Therefore, it is the purpose of the legislature to revise and reorganize the municipal code to permit local government to function more effectively. Except as expressly provided, the legislature does not intend by this Act to alter or affect in any way the relationship or balance of authority between the state and home rule or general law municipalities with respect to the timing or manner of resource development under AS 31, AS 38, or other provisions of law. Except as expressly provided, the legislature does not intend by this Act to increase or reduce the authority of state agencies to carry out their functions under other titles.

* Sec. 2. AS 29.03 is amended by adding a new section to read:

Sec. 29.03.030. PLATTING AUTHORITY. Subject to AS 40.15.075, the Department of Natural Resources is the platting authority in the unorganized borough in the area outside all cities.

* Sec. 3. AS 29 is amended by adding a new chapter to read:

CHAPTER 04. CLASSIFICATION OF MUNICIPALITIES.

Sec. 29.04.010. HOME RULE. A home rule municipality is a municipal corporation and political subdivision. It is a city or a borough

Chapter 74

1 that has adopted a home rule charter, or it is a unified municipality.
2 A home rule municipality has all legislative powers not prohibited by
3 law or charter.

4 Sec. 29.04.020. GENERAL LAW. A general law municipality is a
5 municipal corporation and political subdivision and is an unchartered
6 borough or city. It has legislative powers conferred by law.

7 Sec. 29.04.030. CLASSES OF GENERAL LAW. General law municipali-
8 ties are of five classes:

- 9 (1) first class boroughs;
10 (2) second class boroughs;
11 (3) third class boroughs;
12 (4) first class cities;
13 (5) second class cities.

14 Sec. 29.04.040. RECLASSIFICATION OF SECOND CLASS CITIES. (a) A
15 second class city may be reclassified as a first class city by holding
16 an election on the question, if the department determines from the
17 best figures available that the population of the city has reached 400
18 permanent residents.

19 (b) An election on the question of reclassification may be ini-
20 tiated in two ways:

21 (1) a number of voters equal to 15 percent of the number of
22 votes cast in the city at the preceding regular election may file a
23 petition with the council; or

24 (2) the council may propose reclassification.

25 (c) The council shall hold at least one public hearing in the
26 city on the question of reclassification. The council shall then
27 evaluate the ability of the city to assume first class status and make
28 its findings public.

29 (d) The council shall, within 30 days after its findings have

been made public, order an election on the question of reclassification. The election shall be held at least 30 days after the order and not later than the next regular election occurring after the 30-day period. If more than one question is to be voted on at the election, each shall appear separately on the ballot.

(e) The council shall certify the election results to the department. If the majority of votes cast is favorable, the city shall be considered reclassified to first class status 30 days after certification of the election results.

Sec. 29.04.050. RECLASSIFICATION OF SECOND CLASS BOROUGHS. A second class borough may reclassify as a first class borough in the manner provided by AS 29.35.320 - 29.35.330 for the addition of an areawide power by a first or second class borough, except the petition or proposal requests reclassification instead of requesting addition of a power.

Sec. 29.04.060. RECLASSIFICATION OF THIRD CLASS BOROUGHS. (a) A third class borough may reclassify as a first or second class borough in the manner provided by AS 29.35.320 - 29.35.330 for the addition of an areawide power by a first or second class borough, except the petition or proposal requests reclassification instead of requesting addition of a power. At the time of voting on reclassification of a third class borough to first or second class status, voters shall vote also on whether the borough shall, on reclassification, retain a combined assembly and school board or elect a separate assembly and board as otherwise provided for first and second class boroughs.

(b) If a combined assembly and school board are approved at the reclassification election, the assembly serving at the time of the election continues to serve as the assembly and board on voter approval of reclassification and until terms of assembly members expire

1 as provided before reclassification.

2 (c) If a separate assembly and school board are approved at the
3 reclassification election, a school board shall be elected in confor-
4 mity with AS 14.12.030 - 14.12.100 at the next regular election, if it
5 occurs within 90 days of the date of the reclassification election, or
6 otherwise at a special election within 90 days of the date of the
7 reclassification election. Expiration dates of terms of school board
8 members elected at a special election must coincide with the date of
9 the regular election. Until a board is elected and qualified, the
10 assembly continues to serve as the board.

11 *Sec. 4. AS 29 is amended by adding a new chapter to read:

15 Sec. 29.06.200. UNIFICATION PROPOSED. (a) Formation of a

Sec. 29.06.220. REVIEW OF PETITION. The assembly shall review a unification petition within 15 days to determine whether it complies with AS 29.06.210. If the petition does not meet the designated requirements, it shall be immediately returned to the person who initiated the petition with a statement indicating which requirements have not been satisfied.

Sec. 29.06.230. DUTIES OF CHARTER COMMISSION. The charter commission shall prepare, adopt, and submit to the voters for approval or rejection a proposed home rule charter for the area to be unified.

Sec. 29.06.240. COMPOSITION OF CHARTER COMMISSION. The charter commission shall consist of 11 voters, three of whom are residents elected at large from the borough and eight of whom, proportionate to the population as determined by the department, are

2 (2) residents of and elected from home rule or first class
3 cities in the borough.

4 Sec. 29.06.250. CHARTER COMMISSION NOMINATIONS. (a) If the
5 assembly determines that a unification petition meets the requirements
6 of AS 29.06.210, or the assembly by its resolution proposes an elec-

8 call for the nomination of commission candidates, specifying the
9 filing deadline and the procedure for making nominations.

10 (b) Charter commission candidates shall be nominated by petition
11 signed by at least 50 voters of the area from which the candidate
12 seeks election, or by a number of voters from that area equal to at
13 least 10 percent of the number of votes cast from that area in the
14 last regular borough election, whichever is less.

15 (c) Nomination petitions shall be filed with the borough clerk
16 at least 30 days after notice of the call for nominations has been
17 given and on or before a date fixed by the assembly.

18 (d) If at least one nomination of a qualified charter commission
19 candidate for each available seat is not filed, the unification peti-
20 tion or resolution to propose formation of a charter commission is
21 void and no election on the question shall be held.

22 Sec. 29.06.260. QUALIFICATIONS OF CANDIDATES. A person is eli-
23 gible to be nominated as a candidate for the charter commission if
24 that person is a voter of the area from which election is sought and
25 has been a voter of the area for at least one year immediately preced-
26 ing the date the nomination petition is filed.

27 Sec. 29.06.270. ELECTION OF CHARTER COMMISSION. (a) After
28 receipt of a valid unification petition or adoption of an assembly
29 resolution to propose formation of a charter commission, the assembly

1 shall submit to the voters the question of whether a charter commis-

3 vote shall be held at the next regular borough election scheduled at
4 least 90 days after receipt of the petition or adoption of the resolu-
5 tion. The ballot shall be worded exactly as in AS 29.06.210(a).

6 (b) The election of charter commission members shall take place
7 at the same time as the election on the question of formation of the

9 (c) All costs incurred in conducting an election under AS 29.-
10 06.190 - 29.06.410 shall be paid by the borough.

11 Sec. 29.06.280. REQUIREMENTS FOR APPROVAL OF FORMATION AND
12 ELECTION OF CHARTER COMMISSION. (a) The votes on the question of
13 formation of a charter commission shall be tabulated in two separate
14 classifications. One classification consists of all votes cast in
15 first class and home rule cities in the borough. The other classifi-
16 cation consists of all votes cast in the remaining area of the bor-
17 ough. In order for formation of a charter commission to be approved,
18 a majority of the votes in each classification must favor formation of
19 the commission.

20 (b) If formation of a charter commission is approved, the candi-
21 dates who received the highest number of votes from their respective
22 areas shall serve as members of the commission.

23 Sec. 29.06.290. CHARTER COMMISSION ORGANIZATION AND PROCEDURE.
24 (a) The charter commission shall hold its first meeting within 30
25 days after certification of its election. The commission shall elect
26 from among its members a chairman and a deputy chairman.

27 (b) A majority of the total membership of the charter commission
28 constitutes a quorum. A decision of the commission is not valid or
29 binding unless approved by the number of members necessary to

Chapter 74

1 constitute a quorum.

2 (c) The charter commission may elect other officials from among
3 its membership, adopt rules governing its procedures that are consis-
4 tent with AS 29.06.190 - 29.06.410 and hire and discharge employees.

5 (d) Meetings of the charter commission shall be open to the
6 public at all times. A journal of commission proceedings shall be
7 kept and made available for public inspection at the borough office.

8 Sec. 29.06.300. VACANCIES. (a) Vacancies on the charter com-
9 mission shall be filled by a majority vote of the commission, except
10 the assembly shall appoint members to fill vacancies if, after a
11 proposed charter is rejected by the voters, more than one-half of the
12 members resign.

13 (b) A person who fills a vacancy on the charter commission must
14 be a voter of the same area as the person succeeded and must have been
15 a voter of that area for at least one year immediately preceding the
16 date the vacancy is filled.

17 Sec. 29.06.310. PER DIEM. The assembly may grant a per diem
18 allowance to members of the charter commission and may reimburse the
19 members for travel expenses incurred in carrying out the duties pre-
20 scribed by AS 29.06.190 - 29.06.410. Costs, fees, and other expenses
21 incurred by the commission are a debt of the borough and shall be paid
22 upon proper verification.

23 Sec. 29.06.320. CHARTER PROVISIONS. The charter shall include

24 (1) provision for

25 (A) the adjustment of existing bonded indebtedness and
26 other obligations in a manner that will assure a fair and equit-
27 able burden of taxation for debt service, subject to AS 29.06.-
28 380;

29 (B) the establishment of service areas;

1 (C) if election of members of the governing body is
2 not areawide, the establishment of districts for the election of
3 members of the governing body of the proposed unified municipal-
4 ity and procedures by which to reapportion the election dis-
5 tricts;

6 (D) the reapportionment of districts if they are
7 established;

8 (E) nonpartisan government, and the selection, organi-
9 zation, authority, and responsibilities of the governing body and
10 its executive and administrator;

11 (F) the transfer or other disposition of property and
12 other rights, claims, assets, and franchises of the municipal-
13 ities to be unified under the charter;

14 (G) the exercise of the rights of initiative and
15 referendum in accordance with AS 29.10.030;

16 (H) amending the charter in accordance with AS 29.10.-
17 100;

18 (2) the date on which the charter, if approved at the
19 charter election, is effective;

20 (3) designation of the proposed unified municipality's
21 official name; and

22 (4) other charter provisions that may be included in a home
23 rule charter.

24 Sec. 29.06.330. PUBLIC HEARINGS. Both before and after drafting
25 the proposed home rule charter, the charter commission shall hold a
26 public hearing in each area represented on the assembly. Other public
27 hearings may be held by the commission as it considers necessary.

28 Sec. 29.06.340. FILING OF PROPOSED CHARTER. Upon the adoption
29 of a proposed home rule charter by the charter commission, the charter

Chapter 74

1 shall be signed by at least a majority of the total membership of the
2 commission and shall be filed with the borough clerk. A copy of the
3 charter with signatures affixed shall also be filed with the clerk of
4 each city in the borough.

5 Sec. 29.06.350. PUBLICATION AND POSTING OF PROPOSED CHARTER.
6 Within 10 days after filing the proposed home rule charter, the bor-
7 ough clerk shall have it published. In addition, the clerk shall have
8 a copy of the proposed charter posted in at least three public places
9 in each city and each unincorporated community in the borough. Copies
10 of the proposed charter shall be made available by the assembly to the
11 public at both the office of the borough clerk and the office of the
12 clerk of each city in the borough. The clerk shall have notice of the
13 publication, posting, and availability of the proposed charter pub-
14 lished.

15 Sec. 29.06.360. ELECTION ON CHARTER. (a) The proposed home
16 rule charter adopted by the charter commission shall be submitted to
17 the voters at a borough election held within 60 days of the date of
18 publication and posting of the proposed charter. The borough clerk
19 shall prepare the ballots for use in the election and shall give
20 notice of the election by radio and television in a manner intended to
21 apprise the entire borough population of the election. The election
22 shall be conducted under procedures applicable to regular elections.

23 (b) A person who is a voter of the borough may vote in the elec-
24 tion on the proposed charter.

25 (c) If a majority of the votes in the area of the borough out-
26 side all home rule or first class cities, and a majority of the votes
27 in all home rule and first class cities in the borough are cast in
28 favor of the proposed charter, the charter is ratified. If the char-
29 ter is ratified, election results shall be certified to the commission

1 and two copies of the charter shall be filed with

- 2 (1) the lieutenant governor;
- 3 (2) the department;

7 (d) If a proposed charter is rejected, the charter commission
8 shall prepare, adopt, and submit another proposed charter to the
9 voters at a borough election held within one year after the date of
10 the first charter election. If the second proposed charter is also
11 rejected, the charter commission shall be dissolved and the question
12 of unification shall be treated as if it had never been proposed or
13 approved.

14 Sec. 29.06.370. EFFECT OF THE CHARTER AFTER RATIFICATION. Upon
15 ratification, the home rule charter of a unified municipality operates
16 to dissolve all municipalities in the area unified in accordance with
17 the charter.

18 Sec. 29.06.380. ASSETS AND LIABILITIES. A unified municipality
19 shall succeed to all the assets and liabilities of the municipalities
20 it unified. A bonded indebtedness or other debt incurred before
21 unification remains the tax obligation of the area that contracted the
22 debt, except that by ordinance the tax obligation may be assumed by a
23 larger area if the governing body determines that the asset for which
24 the bonded indebtedness or other debt was incurred benefited the
25 larger area before unification, or benefits the larger area after
26 unification. However, bonded indebtedness or other debt for sewage
27 collection systems, water distribution systems, and streets, even if
28 determined to be benefiting a larger area than that which incurred the
29 debt, remains the tax obligation of the area that incurred the debt.

1 Sec. 29.06.390. TRANSITION. Within two years after ratification
2 of the home rule charter, the unified municipality shall revise,
3 repeal, or reaffirm all municipal ordinances, resolutions, and orders
4 in effect in the area of the unified municipality on the date of
5 unification. Each ordinance, resolution, regulation, or order in
6 effect on the date of unification remains in effect until superseded
7 by action of the unified municipality.

8 Sec. 29.06.400. RIGHT TO STATE AND FEDERAL AID. All provisions
9 of law authorizing aid from the state or federal government to a
10 former municipality that was in the area of a unified municipality
11 remain in effect after unification.

12 Sec. 29.06.410. POWERS OF A UNIFIED MUNICIPALITY. A municipal-
13 ity unified under AS 29.06.190 - 29.06.410 has all powers

- 14 (1) not prohibited by law or charter; and
15 (2) granted to a home rule borough.

16 Sec. 29.06.420. APPLICATION. AS 29.06.190 - 29.06.420 apply to
17 home rule and general law municipalities.

18 ARTICLE 5. DISSOLUTION.

19 Sec. 29.06.450. METHODS OF DISSOLUTION. (a) Two petition
20 methods may be used to initiate dissolution of a municipality;

- 21 (1) petition to the Local Boundary Commission under regula-
22 tions adopted by the commission; or
23 (2) the local option method specified in AS 29.06.460 -
24 29.06.510.

25 (b) The department shall investigate a municipality that it con-
26 sidered to be inactive and shall report to the Local Boundary Commis-
27 sion on the status of the municipality. The commission may submit its
28 recommendation to the legislature that the municipality be dissolved
29 in the manner provided for submission of boundary changes in art. X,

1 sec. 12 of the state constitution.

2 (c) A borough is dissolved when its entire territory is included
3 in a home rule or first class city or cities. A city is dissolved
4 when all its powers become areawide borough powers.

5 Sec. 29.06.460. PETITION. (a) Voters of a municipality may
6 file a dissolution petition with the department in the form prescribed
7 by the department. The petition must be signed by a number of voters
8 equal to at least 25 percent of the number of votes cast in the last
9 regular election in that municipality.

10 (b) The petition must include

11 (1) the name of the municipality;

12 (2) maps, documents, and other information showing that the
13 municipality meets the standards for dissolution.

14 Sec. 29.06.470. STANDARDS. (a) Except as provided in (b) of
15 this section, voters of a municipality may petition for dissolution
16 when the municipality is free of debt, or, if in debt, each of its
17 creditors is satisfied with a method of repayment and

18 (1) it no longer meets the minimum standards prescribed for
19 incorporation by AS 29.05, or former AS 29.18.030 if it is a third
20 class borough; or

21 (2) the municipality ceases to use each of its mandatory
22 powers.

23 (b) Voters of a city in a borough may petition for dissolution
24 of the city if the borough consents to assume the city's rights,
25 powers, duties, assets, and liabilities. The consent must be ratified
26 by a majority of borough voters voting on the question.

27 Sec. 29.06.480. REVIEW. (a) The department shall review a dis-
28 solution petition for content and signatures, and shall return a defi-
29 cient petition for correction or completion.

1 (b) If the petition contains the required information and signa-
2 tures, the department shall investigate the proposal.

3 Sec. 29.06.490. REPORT AND HEARING. (a) The department shall
4 report its findings to the Local Boundary Commission with its recom-
5 mendation regarding the dissolution of a municipality.

6 (b) The Local Boundary Commission shall hold at least one public
7 hearing in the municipality proposed to be dissolved.

8 Sec. 29.06.500. DECISION. (a) If the Local Boundary Commission
9 determines that a municipality fails to meet the standards for disso-
10 lution, it shall reject the petition. If the commission determines
11 that the municipality meets the standards, it shall accept the peti-
12 tion.

13 (b) A Local Boundary Commission decision under this section may
14 be appealed under the Administrative Procedure Act (AS 44.62).

15 Sec. 29.06.510. ELECTION. (a) The Local Boundary Commission
16 shall immediately notify the director of elections of its acceptance
17 of a dissolution petition. Within 30 days after notification, the
18 director of elections shall order an election in the municipality to
19 determine whether the voters desire dissolution. The election must be
20 held at least 30 and not more than 90 days after the election order.
21 A person who is a voter of the municipality may vote in the dissolu-
22 tion election.

23 (b) The director of elections shall supervise the election in
24 the general manner prescribed by the Alaska Election Code (AS 15).
25 The state shall pay all election costs.

26 (c) The director of elections shall certify the election re-
27 sults. If dissolution is approved, the director of elections shall
28 declare that the municipality is dissolved effective on the date of
29 certification.

1 Sec. 29.06.520. SUCCESSION. The government succeeding to a dis-
2 solved municipality succeeds to all its rights, powers, duties, as-
3 sets, and liabilities.

4 Sec. 29.06.530. APPLICATION. AS 29.06.450 - 29.06.530 apply to
5 home rule and general law municipalities.

6 * Sec. 6. AS 29 is amended by adding a new chapter to read:

7 CHAPTER 10. HOME RULE MUNICIPALITIES.

8 ARTICLE 1. CHARTERS.

9 Sec. 29.10.010. MUNICIPAL CHARTER ADOPTION. (a) A general law
10 borough or first class city may adopt a charter for its own govern-
11 ment.

12 (b) A second class city that exceeds 35 square miles in area may

14 from the best figures available that the population of the city is at
15 least 3,500 permanent residents.

16 (c) At an election for borough incorporation, an area in the
17 unorganized borough may adopt a charter for its own government and in-
18 corporate as a home rule borough.

19 (d) A home rule municipality may adopt a new charter.

20 (e) A proposed charter for an existing municipality is prepared
21 by a charter commission of seven elected members. A charter commis-
22 sion election is called by filing a petition with the governing body
23 or by resolution of the governing body. The petition shall be signed
24 by a number of voters equal to 15 percent of the votes cast in the
25 last regular election in the municipality.

26 (f) The proposed charter for an area of the unorganized borough

1 least one model home rule charter for a borough. The model charter
2 shall be made available to persons interested in filing a petition to
3 incorporate a home rule borough under AS 29.05.060.

4 Sec. 29.10.030. INITIATIVE AND REFERENDUM. (a) A home rule
5 charter shall provide procedures for initiative and referendum.

6 (b) A charter may not require an initiative or referendum peti-
7 tion to have a number of signatures greater than 25 percent of the
8 total votes cast in the municipality at the last regular election.

9 (c) A charter may not permit the initiative and referendum to be
10 used for a purpose prohibited by art. XI, sec. 7 of the state consti-
11 tution.

12 Sec. 29.10.040. CHARTER COMMISSION CANDIDATES. (a) A candidate
13 for a charter commission shall be a voter of an existing municipality
14 for three years immediately preceding the charter commission election.

15 (b) A charter commission candidate is nominated by a petition
16 signed by at least 50 voters or the number of voters equal to 10
17 percent of the number of votes cast in the municipality during the
18 last regular election, whichever is less. A nomination petition shall
19 be filed with the municipal clerk on or before a date fixed by the
20 governing body.

21 (c) If at least seven nominations for qualified charter commis-
22 sion candidates are not filed, the petition or resolution calling for
23 a charter commission is void and no election on the question may be
24 held.

25 Sec. 29.10.050. CHARTER COMMISSION ELECTION. At a charter com-
26 mission election the voters of an existing municipality shall consider
27 the question "Shall a charter commission be elected to prepare a pro-
28 posed charter?" and shall elect the members of the commission. If the
29 question is approved, the seven candidates receiving the highest

number of votes shall immediately organize as a charter commission.

Sec. 29.10.060. PREPARATION OF CHARTER BY CHARTER COMMISSION. The charter commission shall, within one year, prepare a proposed home rule charter for an existing municipality. The proposed charter shall be signed by a majority of the members of the commission and filed in the office of the municipal clerk. Within 15 days, the clerk shall have the proposed charter published and make copies available. The commission shall give published notice of and hold at least one public hearing on the proposed charter before the signing and filing of the charter.

Sec. 29.10.070. CHARTER ELECTION. The proposed home rule charter for an existing municipality shall be submitted to the voters at an election held not less than 30 days or more than 90 days after the proposed charter is published. The proposed home rule charter for an area in the unorganized borough shall be submitted to the voters at an incorporation election held under AS 29.05.110.

Sec. 29.10.080. CHARTER ADOPTION. (a) If a majority of those voting in an existing municipality favor the proposed charter or if a majority of those voting in an area in the unorganized borough favor incorporation of a home rule borough, the proposed charter becomes the organic law of the municipality effective on the date the election is certified. Thereafter, a court shall take judicial notice of the charter. The new home rule municipality shall file the indicated number of copies of the charter with

- (1) the lieutenant governor -- two copies;
 - (2) the department -- two copies;
 - (3) the district recorder -- one copy;
 - (4) the municipal clerk -- one copy.

Chapter 74

1 class borough, voters shall vote also on whether the borough shall, on
2 adoption of the charter, retain a combined assembly and school board
3 or elect a separate assembly and board as otherwise provided for home
4 rule boroughs. If a combined assembly and school board are approved
5 at the charter election, the assembly serving at the time of the
6 election continues to serve as the assembly and board on voter ap-
7 proval of the charter and until terms of assembly members expire as
8 provided before adoption of the charter. If a separate board and
9 assembly are approved at the charter election, a school board shall be
10 elected in conformity with AS 14.12.030 - 14.12.100 at the next regu-
11 lar election, if it occurs within 90 days of the date of the charter
12 election, or otherwise at a special election within 90 days of the
13 date of the charter election. Expiration dates of terms of school
14 board members elected at a special election must coincide with the
15 date of the regular election. Until a board is elected and qualified,
16 the assembly continues to serve as the board.

17 Sec. 29.10.090. CHARTER REJECTION. (a) If a proposed charter
18 for an existing municipality is rejected, the charter commission shall
19 prepare another proposed charter to be submitted to the voters at an
20 election to be held within one year after the date of the first char-
21 ter election. If the second proposed charter is also rejected, the
22 charter commission shall be dissolved and the question of adoption of
23 a charter shall be treated as if it had never been proposed or ap-
24 proved.

25 (b) If incorporation of a home rule borough is rejected by the
26 voters in an area in the unorganized borough, the proposed charter is
27 rejected.

28 Sec. 29.10.100. CHARTER AMENDMENT. (a) A home rule charter may
29 be amended as provided in the charter, except that no amendment is

effective unless ratified by the voters.

(b) This section applies to home rule municipalities.

1 municipalities.

2 ARTICLE 2. GOVERNING BODIES.

3 Sec. 29.20.050. LEGISLATIVE POWER. (a) The legislative power
4 of a borough is vested in the assembly. The legislative power of a
5 city is vested in the council.

6 (b) This section applies to home rule and general law municipal-

8 Sec. 29.20.060. ASSEMBLY COMPOSITION AND APPORTIONMENT. (a)
9 Assembly composition and apportionment shall be consistent with the
10 equal representation standards of the Constitution of the United

12 (b) The assembly of a newly incorporated borough is, after
13 incorporation and until the adoption of an ordinance providing for a
14 change in composition or apportionment, composed of the number of
15 members and apportioned as set out in the incorporation petition
16 approved by the voters. If the borough is already incorporated, the
17 assembly shall be composed and apportioned in a manner that is consis-
18 tent with the requirements of this section and prescribed by charter
19 or ordinance.

20 (c) An assembly may not provide for weighted voting.

21 (d) A member of the assembly may not be elected or appointed by

23 (e) This section applies to home rule and general law municipal-

25 Sec. 29.20.070. ASSEMBLY COMPOSITION AND FORM OF REPRESENTATION.

26 (a) The assembly shall provide for its composition and for the form
27 of its representation.

28 (b) Not later than the first regular election that occurs after
29 the report of a federal decennial census, the assembly shall propose

1 and submit to the voters of the borough, at that regular election or
2 at a special election called for the purpose, one or more forms of

8 Sec. 29.20.080. ASSEMBLY RECOMPOSITION AND REAPPORTIONMENT. (a)
9 Not later than two months after the official report of a federal de-
10 cennial census, the assembly shall determine and declare by resolution
11 whether the existing apportionment of the assembly meets the standards
12 of AS 29.20.060. If the assembly submits to the voters a form of
13 representation that includes election of assembly members under
14 AS 29.20.070(b)(2) or (b)(3) the assembly shall submit with the propo-
15 sition a proposed plan of apportionment that corresponds to the form
16 of representation proposed. The assembly shall describe the plan of
17 apportionment in the ballot proposition, and may present the plan in
18 any manner that it believes accurately describes the apportionment
19 that is proposed under the form of representation. If the assembly
20 determines that its existing apportionment meets the standards of
21 AS 29.20.060, the assembly may include the existing apportionment as a
22 proposed plan of apportionment of assembly seats that corresponds to a
23 form of representation that is proposed.

24 (b) The assembly shall provide, by ordinance, for a change in an
25 existing apportionment of the assembly whenever it determines that the
26 apportionment does not meet the standards of AS 29.20.060. At the
27 same time, the assembly may, by ordinance, change the composition of
28 the assembly.

29 (c) If a petition signed by not less than 50 voters requests the

assembly to determine whether the existing apportionment meets the standards for apportionment in AS 29.20.060, and the petition contains evidence that the existing apportionment does not meet those standards, the assembly may make the determination requested. The assembly shall make a determination required by this subsection within two months of receipt of a petition that meets the requirements of this subsection.

(d) An ordinance adopted by the assembly under (b) or (c) of this section shall be submitted to the voters for approval. In order for the ordinance to be approved it must receive the approval of a majority of the votes cast.

(e) Within six months after a determination by the assembly under (b) or (c) of this section that the current apportionment does not meet the standards of AS 29.20.060 the assembly shall adopt an ordinance providing for reapportionment and submit the ordinance to the voters. If, at the end of the six-month time period, an ordinance providing for reapportionment has not been approved by the voters, the commissioner shall provide for the reapportionment in accordance with the standards of AS 29.20.060 by preparing an order of reapportionment and delivering the order to the borough mayor.

Sec. 29.20.090. APPORTIONMENT APPEALS. (a) A reapportionment ordinance approved by the voters, or a decision of the assembly that the standards of AS 29.20.060 do not require a change in apportionment, may be appealed to the commissioner. Fifty voters may submit a petition to the commissioner requesting the commissioner to determine whether the proposed reapportionment ordinance approved by the voters meets the standards of AS 29.20.060 or whether a decision of the assembly that the standards of AS 29.20.060 do not require a change of apportionment is correct. If the petition asks the commissioner to

1 review an ordinance approved by the voters under AS 29.20.080(e), the
2 petition shall be delivered to the commissioner not later than 20 days
3 after certification of the election. If the petition asks the commis-
4 sioner to review a decision of the assembly under AS 29.20.080(c), the
5 petition shall be delivered to the commissioner within 20 days of the
6 decision of the assembly.

7 (b) The commissioner shall review the petition and may make the
8 determination requested. The commissioner shall provide copies of the
9 determination to the persons petitioning for appeal and to borough
10 officials not later than 60 days after the commissioner receives the
11 petition.

12 (c) If the commissioner determines that the proposed reapportion-
13 ment ordinance approved by the voters does not meet the standards
14 of AS 29.20.060, or if the commissioner determines that the decision
15 of the assembly that the standards of AS 29.20.060 do not require a
16 change of apportionment is not correct, the commissioner shall, by
17 order, direct the assembly to prepare a reapportionment ordinance that
18 meets the standards of AS 29.20.060 and submit the ordinance to the
19 voters.

20 (d) When the assembly has been directed by the commissioner to
21 prepare a reapportionment ordinance under (c) of this section, the
22 assembly shall, within two months after its receipt of the commis-
23 sioner's order, adopt an ordinance providing for reapportionment. The
24 assembly shall submit an ordinance adopted under this subsection to
25 the voters at an election held within 60 days after the date of adop-
26 tion of the reapportionment ordinance.

27 (e) If at the end of the time period provided under (d) of this
28 section an ordinance providing for reapportionment has not been ap-
29 proved by the voters, the commissioner shall provide for the

1 reapportionment of the assembly in accordance with the standards of
2 AS 29.20.060 by preparing an order of reapportionment and delivering
3 the order to the borough mayor.

4 Sec. 29.20.100. JUDICIAL REVIEW AND RELIEF. (a) The commis-
5 sioner may request the superior court to enforce a reapportionment
6 order issued under AS 29.20.090(e).

7 (b) Each of the following is subject to judicial review:

8 (1) a plan of reapportionment approved by the voters under
9 AS 29.20.080(a);

10 (2) a determination by the assembly under AS 29.20.080 that

12 tionment;

13 (3) a reapportionment ordinance approved by the voters
14 under AS 29.20.080(d);

15 (4) a reapportionment order of the commissioner made under
16 AS 29.20.090(c);

17 (5) a reapportionment ordinance approved by the voters
18 under AS 29.20.090(d); and

19 (6) a reapportionment order of the commissioner made under
20 AS 29.20.090(e).

21 Sec. 29.20.110. EFFECTIVE DATE OF APPORTIONMENT. (a) A change
22 in assembly apportionment or composition under AS 29.20.080 or 29.20.-

5 dency requirement not to exceed three years for members of the govern-
6 ing body.

7 (c) A municipality may by ordinance establish district residency
8 requirements for members of its governing body. A member of the
9 governing body who represents a district and who becomes a resident of
0 another district in the municipality continues to serve until the next
1 regular election unless provided otherwise by ordinance.

2 (d) Except by ordinance ratified by the voters, no limit may be
3 placed on the total number of terms or number of consecutive terms a
4 voter may serve on the governing body.

5 (e) This section applies to home rule and general law municipal-

9 unless a different term not exceeding four years is prescribed by home
0 rule charter or ordinance.

1 (b) Except when otherwise required by a change in composition or
2 apportionment, if the term of a member of a governing body is changed
3 by charter or ordinance the term of the member holding office when the

6 In a city the mayor serves as presiding officer. If the presiding
7 officer is not present or if the presiding officer is personally
8 disqualified, the deputy presiding officer shall preside.

9 (b) A governing body shall hold at least one regular meeting

12 ARTICLE 3. MUNICIPAL EXECUTIVE AND ADMINISTRATOR.

13 Sec. 29.20.220. EXECUTIVE POWER. (a) The executive power in a
14 municipality is vested in a mayor. The mayor of a home rule or uni-

27 constitutes a separate violation.

28 (c) The penalties authorized under this section may be imposed

(e) A person may not appeal or seek judicial review of an election for any cause unless the person is a voter, has exhausted all administrative remedies before the governing body, and has commenced, within 10 days after the governing body has declared the election results, an action in the superior court in the judicial district in which the municipality is located. If court action is not commenced within the 10-day period, the election and election results are conclusive and valid.

ARTICLE 2. INITIATIVE AND REFERENDUM.

Sec. 29.26.100. RESERVATION OF POWERS. The powers of initiative and referendum are reserved to the residents of municipalities, except the powers do not extend to matters restricted by art. XI, sec. 7 of

(5) spaces for each signature, the printed name of each signer, the date each signature is affixed, and the residence and mailing addresses of each signer;

(6) a statement, with space for the sponsor's sworn signature and date of signing, that the sponsor personally circulated the petition, that all signatures were affixed in the presence of the sponsor, and that the sponsor believes the signatures to be those of the persons whose names they purport to be; and

(7) space for indicating the total number of signatures on the petition.

(b) If a petition consists of more than one page, each page shall contain the summary of the ordinance or resolution to be initiated or the ordinance or resolution to be referred.

(c) Copies of the petition shall be provided to each sponsor by the clerk.

Sec. 29.26.130. SIGNATURE REQUIREMENTS. (a) The signatures on an initiative or referendum petition shall be secured within 90 days after the clerk issues the petition. The statement provided under AS 29.26.120(a)(6) shall be signed and dated by the sponsor. Signatures shall be in ink or indelible pencil.

(b) The clerk shall determine the number of signatures required on a petition and inform each sponsor. A petition shall be signed by a number of voters based on the number of votes cast at the last regular election held before the date the petition was issued equal to

(1) 25 percent of the votes cast if a municipality has fewer than 7,500 persons; or

(2) 15 percent of the votes cast if a municipality has 7,500 persons or more.

(c) Illegible signatures shall be rejected by the clerk unless

1 accompanied by a legible printed name. Signatures not accompanied by
2 a legible residence address shall be rejected.

4 written application to the clerk before certification of the petition.

5 Sec. 29.26.140. SUFFICIENCY OF PETITION. (a) All copies of an

10 (2) if the petition is insufficient, identify the insuffi-
11 ciency and notify the sponsors at the address provided under AS 29.-
12 26.110(a) by certified mail.

13 (b) A petition that is insufficient may be supplemented with
14 additional signatures obtained and filed before the 11th day after the
15 date on which the petition is rejected.

16 (c) A petition that is insufficient shall be rejected and filed
17 as a public record unless it is supplemented under (b) of this sec-
18 tion. Within 10 days after a supplementary filing the clerk shall
19 recertify the petition. If it is still insufficient, the petition is
20 rejected and filed as a public record.

21 Sec. 29.26.150. PROTEST. If the municipal clerk certifies an
22 initiative or referendum petition is insufficient, a signer of the
23 petition may file a protest with the mayor within seven days after the
24 certification. The mayor shall present the protest at the next regu-
25 lar meeting of the governing body. The governing body shall hear and
26 decidè the protest.

27 Sec. 29.26.160. NEW PETITION. Failure to secure sufficient
28 signatures does not preclude the filing of a new initiative or refer-
29 endum petition. However, a new petition on substantially the same

matter may not be filed sooner than six months after a petition is rejected as insufficient.

Sec. 29.26.170. INITIATIVE ELECTION. (a) Unless substantially the same measure is adopted, when a petition seeks an initiative vote the clerk shall submit the matter to the voters at the next regular election occurring no sooner than 45 days after certification of the petition. If no regular election occurs within 75 days after the certification of a petition, the governing body shall hold a special election within 75 days, but not sooner than 45 days after certification.

(b) If the governing body adopts substantially the same measure, the petition is void and the matter initiated may not be placed before the voters.

(c) The ordinance or resolution initiated shall be published in full in the notice of the election, but may be summarized on the ballot to indicate clearly the proposal submitted.

(d) If a majority vote favors the ordinance or resolution, it becomes effective upon certification of the election, unless a different effective date is provided in the ordinance or resolution.

Sec. 29.26.180. REFERENDUM ELECTION. (a) Unless the ordinance or resolution is repealed, when a petition seeks a referendum vote the clerk shall submit the matter to the voters at the next election occurring no sooner than 45 days after certification of the petition. If no election occurs within 75 days of certification of a petition, the governing body shall hold a special election within 75 days, but not sooner than 45 days after certification.

(b) If a petition is certified before the effective date of the matter referred, the ordinance or resolution against which the petition is filed shall be suspended pending the referendum vote. During

Chapter 74

1 the period of suspension, the governing body may not enact an ordi-
2 nance or resolution substantially similar to the suspended measure.

3 (c) If the governing body repeals the ordinance or resolution
4 before the referendum election, the petition is void and the matter
5 referred shall not be placed before the voters.

6 (d) If a majority vote favors the repeal of the matter referred,
7 it is repealed. Otherwise, the matter referred remains in effect or,
8 if it has been suspended, becomes effective on certification of the
9 election.

10 Sec. 29.26.190. EFFECT. (a) The effect of an ordinance or
11 resolution may not be modified or negated within two years after its
12 effective date if adopted in an initiative election or if adopted
13 after a petition that contains substantially the same measure has been
14 filed.

15 (b) If an ordinance or resolution is repealed in a referendum
16 election or by the governing body after a petition that contains sub-
17 stantially the same measure has been filed, substantially similar
18 legislation may not be enacted by the governing body for a period of
19 two years.

20 (c) If an initiative or referendum measure fails to receive
21 voter approval, a new petition application for substantially the same
22 measure may not be filed sooner than six months after the election
23 results are certified.

24 ARTICLE 3. RECALL.

25 Sec. 29.26.240. RECALL. An official who is elected or appointed

27 Sec. 29.35.320. INITIATION OF ACQUISITION OF POWER. (a) An
28 election on the question of adding an areawide power in a first class
29 borough or of adding an areawide or nonareawide power in a second

class borough may be initiated in two ways:

(1) a number of voters equal to 15 percent of the number of votes cast at the preceding regular election in the area, either area-wide or nonarea-wide, in which the election is to be held may file a petition with the borough clerk; or

(2) the assembly may propose the acquisition of the power.

(b) An election on the question of adding a power in a third class borough for exercise in a service area may be initiated in two ways:

(1) a number of voters equal to 15 percent of the number of votes cast at the preceding regular election in a proposed service area in which the power is sought to be exercised may file a petition with the assembly; or

(2) the assembly may propose the acquisition of the power.

(c) The borough clerk shall certify whether a petition filed under (a) or (b) of this section contains the required number of signatures.

(d) Within 30 days after a petition is certified as containing the required number of signatures or the assembly proposes the acquisition of a power, at least one public hearing shall be held in the borough on the question. The assembly shall then evaluate the ability of the borough to exercise the power and make its findings public. Within 60 days after its findings have been made public, the assembly shall order an election on the question.

Sec. 29.35.330. ELECTION. (a) If more than one power is proposed for acquisition under AS 29.35.320, each shall appear separately on the ballot.

Chapter 74

1 may vote.

2 (c) A vote on the question of adding an areawide power in a
3 first or second class borough shall be tabulated in two separate
4 classifications. One shall consist of all votes cast in all cities
5 located in the borough. The other shall consist of all votes cast in
6 the borough area outside all cities. If the majority of the votes
7 cast in each classification is favorable, the borough shall assume the
8 added power within 30 days after certification of the election re-
9 sults.

10 (d) If a majority of the votes cast on the question of adding a
11 nonareawide power in a second class borough or a power to be exercised
12 in a service area in a third class borough is favorable, the borough
13 shall assume the added power within 30 days after certification of the
14 election results.

15 (e) The borough mayor shall certify the election results to the
16 department.

17 Sec. 29.35.340. EFFECT OF ACQUIRING AN AREAWIDE POWER. (a) On
18 acquisition of an areawide power the first or second class borough
19 succeeds to all of the rights, powers, and duties of any city or
20 service area with respect to that power. The borough succeeds to
21 claims, franchises, and other contractual obligations, liability for
22 bonded and all other indebtedness, and to all of the right, title, and
23 interest in the real and personal property held by a city or service
24 area for the exercise of the power.

25 (b) The assembly may levy and collect special charges, taxes, or
26 assessments including interest for the purpose of amortizing bonded
27 indebtedness previously incurred by a city or service area for exer-
28 cising an areawide power acquired by the borough. When a city or
29 service area had previously incurred bonded indebtedness, all property

that was in the city or service area at the time the bonds were issued remains subject to taxation to pay the principal of and interest on the bonds.

(c) On acquisition of an additional areawide power the first or second class borough, in consultation with the city or service area personnel, shall arrange for an orderly and equitable transfer of rights, assets, liabilities, powers, duties, and other matters related to acquisition of the areawide powers.

(d) This section applies to home rule and general law cities.

Chapter 74

1 higher or different level of service than that provided on an areawide
2 or nonareawide basis. The borough may include a city in a service
3 area if

4 (1) the city agrees by ordinance; or

5 (2) approval is granted by a majority of voters residing in
6 the city, and by a majority of voters residing inside the boundaries
7 of the proposed service area but outside of the city.

8 (b) A new service area may not be established if, consistent
9 with the purposes of art. X of the state constitution, the new service

21 first class borough, the assembly may exercise in a service area any

23 a service area any nonareawide power that may be exercised by a first
24 class borough.

25 Sec. 29.35.490. SERVICE AREAS IN SECOND AND THIRD CLASS BOR-
26 OUGHS. (a) A second class borough may exercise in a service area any
27 power granted a first class city by law or a nonareawide power that
28 may be exercised by a first class borough if

29 (1) the exercise of the power is approved by a majority of

1 the voters residing in the service area; or

2 (2) all owners of real property in the service area consent
3 in writing to the exercise of the power if no voters reside in the
4 service area.

5 (b) If the exercise of the power is approved by a majority of
6 the voters residing in the service area, a third class borough may
7 exercise in a service area any power not otherwise prohibited by law.

8 (c) A second or third class borough may establish a service area
9 that includes only vacant, unappropriated, and unreserved land owned
0 by the borough. A second or third class borough may establish a

11 (a) A first or second class borough shall provide for planning,
12 platting, and land use regulation on an areawide basis.

13 (b) If a city in a borough consents by ordinance, the assembly
14 may by ordinance delegate any of its powers and duties under this
15 chapter to the city. The assembly may by ordinance, without first
16 obtaining the consent of the city, revoke any power or duty delegated
17 under this section.

18 Sec. 29.40.020. PLANNING COMMISSION. (a) Each first and second
19 class borough shall establish a planning commission consisting of five

Chapter 74

1 residents unless a greater number is required by ordinance. Commis-
2 sion membership shall be apportioned so that the number of members
3 from home rule and first class cities reflects the proportion of
4 borough population residing in home rule and first class cities lo-
5 cated in the borough. A member shall be appointed by the borough
6 mayor for a term of three years subject to confirmation by the assem-
7 bly, except that a member from a home rule or first class city shall
8 be selected from a list of recommendations submitted by the council.
9 Members first appointed shall draw lots for one, two, and three year
10 terms. Appointments to fill vacancies are for the unexpired term.
11 The compensation and expenses of the planning commission and its staff
12 are paid as directed by the assembly.

13 (b) In addition to the duties prescribed by ordinance, the plan-
14 ning commission shall

15 (1) prepare and submit to the assembly a proposed compre-
16 hensive plan in accordance with AS 29.40.030 for the systematic and
17 organized development of the borough;

18 (2) review, recommend, and administer measures necessary to
19 implement the comprehensive plan, including measures provided under
20 AS 29.40.040.

21 Sec. 29.40.030. COMPREHENSIVE PLAN. (a) The comprehensive plan
22 is a compilation of policy statements, goals, standards, and maps for
23 guiding the physical, social, and economic development, both private
24 and public, of the first or second class borough, and may include, but
25 is not limited to, the following:

- 26 (1) statements of policies, goals, and standards;
27 (2) a land use plan;
28 (3) a community facilities plan;
29 (4) a transportation plan; and

(5) recommendations for implementation of the comprehensive plan.

(b) With the recommendations of the planning commission, the assembly shall adopt by ordinance a comprehensive plan. The assembly shall, after receiving the recommendations of the planning commission, periodically undertake an overall review of the comprehensive plan and update the plan as necessary.

Sec. 29.40.040. LAND USE REGULATION. (a) In accordance with a comprehensive plan adopted under AS 29.40.030 and in order to implement the plan, the assembly by ordinance shall adopt or amend provisions governing the use and occupancy of land that may include, but are not limited to,

(1) zoning regulations restricting the use of land and improvements by geographic districts;

(2) land use permit requirements designed to encourage or discourage specified uses and construction of specified structures, or to minimize unfavorable effects of uses and the construction of structures;

(3) measures to further the goals and objectives of the comprehensive plan.

(b) A variance from a land use regulation adopted under this section may not be granted if

(1) special conditions that require the variance are caused by the person seeking the variance;

(2) the variance will permit a land use in a district in which that use is prohibited; or

(3) the variance is sought solely to relieve pecuniary hardship or inconvenience.

Sec. 29.40.050. APPEALS FROM ADMINISTRATIVE DECISIONS. (a) By

1 ordinance the assembly shall provide for an appeal from an administra-
2 tive decision of a municipal employee, board, or commission made in
3 the enforcement, administration, or application of a land use regula-
4 tion adopted under this chapter. The assembly may provide for an
5 appeal to a court, hearing officer, board of adjustment, or other
6 body. The assembly shall provide for an appeal from a decision on a
7 request for a variance from the terms of a land use regulation when
8 literal enforcement would deprive a property owner of rights commonly
9 enjoyed by other properties in the district.

10 (b) By ordinance the assembly may provide for appointment of a
11 hearing officer, or for the composition, appointment, and terms of
12 office of a board of adjustment or other body established to hear
13 appeals from administrative actions. The assembly may define proper
14 parties and prescribe evidentiary rules, standards of review, and
15 remedies available to the hearing officer, board of adjustment, or
16 other body.

17 Sec. 29.40.060. JUDICIAL REVIEW. (a) The assembly shall pro-
18 vide by ordinance for an appeal by a municipal officer or person
19 aggrieved from a decision of a hearing officer, board of adjustment,
20 or other body to the superior court.

21 (b) An appeal to the superior court under this section is an
22 administrative appeal heard solely on the record established by the
23 hearing officer, board of adjustment, or other body.

24 Sec. 29.40.070. PLATTING REGULATION. By ordinance the assembly
25 shall adopt platting requirements that may include, but are not lim-
26 ited to, the control of

27 (1) form, size, and other aspects of subdivision, dedica-
28 tions, and vacations of land;

29 (2) dimensions and design of lots;

(3) street width, arrangement, and rights-of-way, including requirements for public access to lots and installation of street paving, curbs, gutters, sidewalks, sewers, water lines, drainage and other public utility facilities and improvements;

(4) dedication of streets, rights-of-way, public utility easements and areas considered necessary by the platting authority for other public uses.

Sec. 29.40.080. PLATTING AUTHORITY. (a) The assembly by ordinance shall establish a platting authority to administer subdivision regulations and to perform other duties as required by the assembly. The platting authority may consist of members of the planning commission or of other municipal residents.

(b) The assembly may by ordinance provide for an administrative official to act as the platting authority with regard to abbreviated plats.

Sec. 29.40.090. ABBREVIATED PLATS AND WAIVERS. (a) Notwithstanding other provisions of this chapter, the assembly shall by ordinance establish an abbreviated plat procedure for a plat that will

(1) subdivide a single lot into not more than four lots;

(2) provide legal and physical access to a public highway or street for each lot created by the subdivision;

(3) not contain or require a dedication of a street, right-of-way, or other area;

(4) not require a vacation of a public dedication of land or a variance from a subdivision regulation.

(b) The platting authority shall waive the preparation, submission for approval, and recording of a plat on satisfactory evidence that the subdivision meets the requirements of (a) of this section and each lot created by the subdivision is five acres or larger.

Chapter 74

1 Sec. 29.40.100. INFORMATION REQUIRED. A plat shall show

2 (1) initial point of survey;

3 (2) original or reestablished corners and their descrip-
4 tions;

5 (3) actual traverse showing area of closure and all dis-
6 tances, angles, and calculations required to determine initial point,
7 corners, and distances of the plat; and

8 (4) other information that may be required by ordinance.

9 Sec. 29.40.110. PLAT PROCEDURE. (a) The platting authority
10 shall approve or disapprove a plat within 60 days after it is filed,
11 or shall return it to the applicant for modification or correction.
12 Unless the applicant for plat approval consents to an extension of
13 time, the plat is considered approved and a certificate of approval
14 shall be issued by the platting authority on demand if the platting
15 authority fails to act within 60 days.

16 (b) The platting authority shall state in writing its reasons
17 for disapproval of a plat. If the platting authority approves a plat,
18 the plat shall be acknowledged and filed in accordance with AS 40.15.-
19 010 - 40.15.020.

20 Sec. 29.40.120. ALTERATION OR REPLAT PETITION. A recorded plat
21 may not be altered or replatted except by the platting authority on
22 petition of the state, the borough, a public utility, or the owners of
23 a majority of the land affected by the alteration or replat. A plat-
24 ted street may not be vacated, except on petition of the state, the
25 borough, a public utility, or owners of a majority of the land front-
26 ing the part of the street sought to be vacated. The petition shall
27 be filed with the platting authority and shall be accompanied by a
28 copy of the existing plat showing the proposed alteration or replat.

29 Sec. 29.40.130. NOTICE OF HEARING. The platting authority shall

fix a time for a hearing on an alteration or replat petition that may not be more than 60 days after the petition is filed. Notice shall be published by the platting authority stating when and by whom the petition was filed, its purpose, and the time and place of the hearing. The notice shall generally describe the alteration or replat sought. The platting authority shall also mail a copy of the notice to each affected property owner who did not sign the petition.

Sec. 29.40.140. HEARING AND DETERMINATION. (a) The platting authority shall consider the alteration or replat petition at a hearing and make its decision on the merits of the proposal.

(b) Vacation of a city street may not be made without the consent of the council. Vacation of a street in the borough area outside all cities may not be made without the consent of the assembly. The governing body shall have 30 days from the decision of the platting authority in which to veto a vacation of a street. If no veto is received by the platting authority within the 30-day period, consent is considered to have been given to the vacation.

Sec. 29.40.150. RECORDING. If the alteration or replat is approved, the revised plat shall be acknowledged and filed in accordance with AS 40.15.010 - 40.15.020.

Sec. 29.40.160. TITLE TO VACATED AREA. (a) The title to the street or other public area vacated on a plat attaches to the lot or lands bordering the area in equal proportions, except that if the area was originally dedicated by different persons, original boundary lines shall be adhered to so that the street area that lies on one side of the boundary line shall attach to the abutting property on that side, and the street area that lies on the other side of the boundary line shall attach to the property on that side. The portion of a vacated street that lies inside the limits of a platted addition attaches to

1 the lots of the platted addition bordering on the area. If a public
2 square is vacated, the title to it vests in a city if it lies inside
3 the city, and in the borough if it lies inside the borough but outside
4 all cities. If the property vacated is a lot, title vests in the
5 rightful owner.

6 (b) If the municipality acquired the street or other public area
7 vacated for legal consideration or by express dedication to the muni-
8 cipality other than as a subdivision platting requirement, before the
9 final act of vacation the fair market value of the street or public
10 area shall be deposited with the platting authority to be paid to the
11 municipality on final vacation.

12 (c) The provisions of (a) and (b) of this section apply to home
13 rule and general law municipalities.

14 (d) The council of a second class city located outside a borough
15 may vacate streets, alleys, crossings, sidewalks, or other public ways
16 that may have been previously dedicated or established when the coun-
17 cil finds that the streets, alleys, crossings, sidewalks, or other
18 public ways are no longer necessary for the public welfare, or when
19 the public welfare will be enhanced by the vacation. If the council
20 determines that all or a portion of the area vacated under this sub-
21 section should be devoted to another public purpose, title to the area
22 vacated and held for another public purpose does not vest as provided
23 in (a) of this section but remains in the city.

24 Sec. 29.40.170. DELEGATIONS. The planning commission and the
25 platting authority may, as authorized by ordinance, delegate powers to
26 hear and decide cases under this chapter, including, but not limited
27 to, delegations to

28 (1) one or more members of the planning commission or plat-
29 ting authority;

1 (2) other boards or commissions;

2 (3) a hearing officer designated by the planning commission
3 or platting authority.

4 Sec. 29.40.180. VIOLATIONS. It is unlawful for the owner of
5 land located in a subdivision to transfer, sell, offer to sell, or
6 enter into a contract to sell land in a subdivision before a plat of
7 the subdivision has been prepared, approved, and filed in accordance
8 with this chapter. It is unlawful for a person to file a plat or
9 other document depicting subdivided land in a public recorder's office
0 unless the plat or document has been approved by the platting author-
1 ity. For the violation of a provision of this chapter, a subdivision
2 regulation adopted under this chapter, or a term, condition, or
3 limitation imposed by a platting authority in the exercise of its
4 powers under this chapter, a municipality may by ordinance prescribe a
5 penalty not to exceed a fine of \$1,000 and imprisonment for 90 days.

6 Sec. 29.40.190. REMEDIES. (a) The municipality or an aggrieved
7 person may institute a civil action against a person who violates a
8 provision of this chapter, a subdivision regulation adopted under this
9 chapter, or a term, condition, or limitation imposed by a platting
0 authority. In addition to other relief, a civil penalty not to exceed
1 \$1,000 may be imposed for each violation. An action to enjoin a
2 violation may be brought notwithstanding the availability of any other
3 remedy. Upon application for injunctive relief and a finding of a
4 violation or threatened violation, the superior court shall grant the
5 injunction.

6 (b) Each day that an unlawful act or condition continues consti-
7 tutes a separate violation.

8 Sec. 29.40.200. SUBDIVISIONS OF STATE LAND. (a) The subdivi-
9 sion requirements adopted under this chapter apply to a subdivision

Chapter 74

1 plat of undeveloped state land for disposal under AS 38.05 or AS 38.08
2 filed with the platting authority. Subdivision ordinances and regula-
3 tions adopted after the platting authority is notified by the commis-
4 sioner of natural resources of a proposed sale of subdivided state
5 land under AS 38.05 or AS 38.08 do not apply to the state land in the
6 proposed sale.

7 (b) The platting authority shall approve and sign a subdivision
8 plat of state land within 60 days after its receipt from the commis-
9 sioner of natural resources unless the platting authority

10 (1) determines that the plat does not comply with subdivi-
11 sion requirements; and

12 (2) notifies the commissioner of each determination of non-
13 compliance within the 60-day period established in this subsection.

14 (c) The commissioner of natural resources may withdraw the sub-
15 division plat and amend it in response to the determination of non-
16 compliance by the platting authority under (b) of this section. The
17 platting authority shall respond within 30 days to the amendment or
18 response from the commissioner of natural resources.

19 (d) Nothing in this section relieves the Department of Natural
20 Resources of its obligation to provide legal access to a subdivision.

21 (e) This section applies to home rule and general law municipal-
22 ities.

23 * Sec. 12. AS 29 is amended by adding a new chapter to read:

24 CHAPTER 45. MUNICIPAL TAXATION.

25 ARTICLE 1. MUNICIPAL PROPERTY TAX.

26 Sec. 29.45.010. PROPERTY TAX. (a) A unified municipality may
27 levy a property tax. A borough may levy

28 (1) an areawide property tax for areawide functions;

29 (2) a nonareawide property tax for functions limited to the

area outside cities;

(3) a property tax in a service area for functions limited to the service area.

(b) A home rule or first class city may levy a property tax subject to AS 29.45.550 - 29.45.560. A second class city may levy a property tax subject to AS 29.45.590.

(c) If a tax is levied on real property or on personal property, the tax must be assessed, levied, and collected as provided in this chapter.

Sec. 29.45.020. TAXPAYER NOTICE. (a) If a municipality levies and collects property taxes, the governing body shall provide the following notice:

Notice shall be provided

(1) by furnishing a copy of the notice with tax statements mailed for the fiscal year for which aid is received; or

(2) by publishing in a newspaper of general circulation in the municipality a copy of the notice once each week for a period of three successive weeks, with publication to occur not later than 45 days after the final adoption of the municipality's budget.

(b) Compliance with the provisions of this section is a prerequisite to receipt of municipal tax resource equalization assistance under AS 29.60.010 - 29.60.080 and state aid for miscellaneous municipal services under AS 29.60.100 - 29.60.180. The department shall withhold annual allocations under those sections until municipal officials demonstrate that the requirements of this section have been met.

Sec. 29.45.030. REQUIRED EXEMPTIONS. (a) The following property is exempt from general taxation:

(1) municipal, state, or federally owned property, except that a private leasehold, contract, or other interest in the property

is taxable to the extent of the interest;

(2) household furniture of the head of a family or household;

(3) property used exclusively for nonprofit religious, charitable, cemetery, hospital, or educational purposes;

(4) property of a nonbusiness organization or its auxiliary composed entirely of persons with 90 days or more of active service in the armed forces of the United States whose conditions of service and separation were other than dishonorable;

(5) money on deposit;

(6) the real property of certain residents of the state to the extent and subject to the conditions provided in (e) of this section;

(7) real property or an interest in real property that is exempt from taxation under 43 U.S.C. 1620(d), as amended.

(b) In (a) of this section, "property used exclusively for religious purposes" includes the following property owned by a religious organization:

(1) the residence of a bishop, pastor, priest, rabbi, minister, or religious order of a recognized religious organization;

(2) a structure, its furniture, and its fixtures used solely for public worship, charitable purposes, religious administrative offices, religious education, or a nonprofit hospital;

(3) lots required by local ordinance for parking near a structure defined in (2) of this subsection.

(c) Property described in (a)(3) or (4) of this section from which income is derived is exempt only if that income is solely from use of the property by nonprofit religious, charitable, hospital, or educational groups. If used by nonprofit educational groups, the

1 property is exempt only if used exclusively for classroom space.

2 (d) Laws exempting certain property from execution under the
3 Code of Civil Procedure (AS 09) do not exempt the property from taxes
4 levied and collected by municipalities.

5 (e) The real property owned and occupied as a permanent place of
6 abode by a resident 65 years of age or over or by a disabled veteran
7 is exempt from taxation of the assessed value of the real property.
8 Real property may not be exempted under this subsection if the asses-
9 sor determines, after notice and hearing to the parties concerned,
10 that the property was conveyed to the applicant primarily for the
11 purpose of obtaining the exemption. The determination of the assessor
12 may be appealed under AS 44.62.560 and 44.62.570.

13 (f) An exemption may not be granted under (e) of this section
14 except upon written application for the exemption on a form approved
15 by the state assessor for use by local assessors. The claimant must
16 file the application no later than January 15, or a date provided by
17 ordinance that is not later than March 31, of the assessment year for
18 which the exemption is sought. The governing body of the municipality
19 for good cause shown may waive during a year the claimant's failure to
20 make timely application for exemption for that year and authorize the
21 assessor to accept the application as if timely filed. The claimant
22 must file a separate application for each assessment year in which the
23 exemption is sought. If an application is filed within the required
24 time and is approved by the assessor, the assessor shall allow an
25 exemption in accordance with the provisions of this section. If a
26 failure to file by January 15, or a date provided by ordinance that is
27 not later than March 31, of the assessment year has been waived as
28 provided in this subsection and the application for exemption is
29 approved, the amount of tax that the claimant has already paid for the

assessment year for the property exempted shall be refunded to the claimant. The assessor shall require proof in the form the assessor considers necessary of the right to and amount of an exemption claimed under (e) of this section, and shall require a disabled veteran claiming an exemption under (e) of this section to provide evidence of the disability rating. The assessor may require proof under this section at any time.

(g) The state shall reimburse a borough or city, as appropriate, for the real property tax revenues lost to it by the operation of (e) of this section. However, reimbursement will be made to a municipality for revenue lost to it only to the extent that the loss exceeds an exemption that was granted by the municipality, or that on proper application by an individual would have been granted under AS 29.45.-050(a).

(h) Except as provided in (g) of this section, nothing in (e) - (j) of this section affects similar exemptions from property taxes granted by a municipality on September 10, 1972, or prevents a municipality from granting similar exemptions by ordinance as provided in AS 29.45.050.

(i) In (e) - (i) of this section

(1) "disabled veteran" means a disabled person separated from the military service of the United States under a condition that is not dishonorable who is a resident of the state, whose disability was incurred or aggravated in the line of duty in the military service of the United States, and whose disability has been rated as 50 percent or more by the branch of service in which that person served or by the Veterans' Administration;

(2) "real property" includes but is not limited to mobile homes, whether classified as real or personal property for municipal

Chapter 74

1 tax purposes.

2 (j) One motor vehicle per household owned by a resident 65 years
3 of age or older on January 1 of the assessment year is exempt either
4 from taxation on its assessed value or from the registration tax under
5 AS 28.10.431. An exemption may be granted under this subsection only
6 upon written application on a form prescribed by the Department of
7 Public Safety. The state shall reimburse a municipality for tax reve-
8 nues lost to it because of the exemption required by this subsection.
9 Reimbursement to a municipality equals the amount of registration tax
10 authorized under AS 28.10.431(b) for each vehicle exempted under this
11 subsection.

12 (k) The department shall adopt regulations to implement the pro-
13 visions of (g) and (j) of this section.

14 (l) Two percent of the assessed value of a structure is exempt
15 from taxation if the structure contains a fire protection system ap-
16 proved under AS 18.70.081, in operating condition, and incorporated as
17 a fixture or part of the structure. The exemption granted by this
18 subsection is limited to

19 (1) an amount equal to two percent of the value of the
20 structure based on the assessment for 1981, if the fire protection
21 system is a fixture of the structure on January 1, 1981; or

22 (2) an amount equal to two percent of the value of the
23 structure based on the assessment as of January 1 of the year immedi-
24 ately following the installation of the fire protection system if the
25 fire protection system becomes a fixture of the structure after
26 January 1, 1981.

27 (m) For the purpose of determining property exempt under (a)(7)
28 of this section, the following definitions apply to terms used in 43
29 U.S.C. 1620(d) unless superseded by applicable federal law:

(1) "developed" means a purposeful modification of the property from its original state that effectuates a condition of gainful and productive present use without further substantial modification; surveying, construction of roads, providing utilities or other similar actions normally considered to be component parts of the development process, but that do not create the condition described in this paragraph, do not constitute a developed state within the meaning of this paragraph; developed property, in order to remove the exemption, must be developed for purposes other than exploration, and be limited to the smallest practicable tract of the property actually used in the developed state;

(2) "exploration" means the examination and investigation of undeveloped land to determine the existence of subsurface nonrenewable resources;

(3) "lease" means a grant of primary possession entered into for gainful purposes with a determinable fee remaining in the hands of the grantor; with respect to a lease that conveys rights of exploration and development, this exemption shall continue with respect to that portion of the leased tract that is used solely for the purpose of exploration.

(n) If property or an interest in property that is determined not to be exempt under (a)(7) of this section reverts to an undeveloped state, or if the lease is terminated, the exemption shall be granted, subject to the provisions of (a)(7) and (m) of this section.

Sec. 29.45.040. PROPERTY TAX EQUIVALENCY PAYMENTS. (a) A resident of the state 65 years of age or older or a disabled veteran who rents a permanent place of abode is eligible for a tax equivalency payment from the state through the department.

(b) For purposes of determining the amount of a payment to an

Chapter 74

1 eligible person, the department shall calculate at the rate of one
2 percent per mill a property tax equivalent percentage for each municipi-
3 pality that levies a property tax. The property tax equivalent per-
4 centage applied to the annual rent charged to the applicant equals the
5 property tax equivalency payment payable under this section.

6 (c) To obtain a tax equivalency payment the eligible resident
7 must apply to the department for payment for the preceding year by
8 January 15 of each year on forms and in the manner prescribed by the
9 department. The department for good cause shown may waive an appli-
10 cant's failure to make timely application for a tax equivalency pay-
11 ment and accept the application as if timely filed. Each applicant
12 shall submit with the application rental receipts or, if rental re-
13 cepts are not available, other evidence satisfactory to the depart-
14 ment for determination of the fact of payment of rent and the amount
15 paid. A disabled veteran shall submit with the application evidence
16 of the disability rating.

17 (d) If two or more persons occupy a residence as tenants, not
18 all of whom are eligible for a tax equivalency payment under this
19 section, the assessor shall determine equitable partial payments to be
20 made to the eligible tenants. However, a tax equivalency payment to
21 an eligible applicant may not be reduced because the spouse is less
22 than 65 years of age or is not a disabled veteran. If all occupants
23 in a residence are eligible for a tax equivalency payment under this
24 section, the occupants shall decide between and among themselves who
25 shall receive payment.

26 (e) In this section "disabled veteran" has the meaning given in
27 AS 29.45.030(i).

28 Sec. 29.45.045. REIMBURSEMENT PAYMENTS. (a) A resident of this
29 state 65 years of age or older or a disabled veteran who rents

permanent place of abode is eligible for a reimbursement payment from the state through the department if the abode is located in a municipality that

(1) does not levy and collect a property tax; and

(2) levies and collects a sales tax on rents paid for residential property.

(b) The amount of a reimbursement payment under this section equals the amount of sales taxes paid on the abode during the preceding year by the eligible resident.

(c) To obtain a reimbursement payment under this section an eligible resident must apply by January 15 of each year to the department for reimbursement of sales taxes paid for the preceding year. The application shall be on the form and filed as prescribed by the department. The department for good cause shown may waive an applicant's failure to make timely application for reimbursement and accept the application as if timely filed. Each applicant shall submit with the application rental receipts or, if rental receipts are not available, other evidence satisfactory to the department for determination of the fact of payment of rent and the amount paid. A disabled veteran shall submit with the application evidence of the disability rating.

(d) If two or more persons occupy a residence as tenants, not all of whom are eligible for a reimbursement payment under this section, the assessor shall determine equitable partial payments to be made to the eligible tenants. However, a reimbursement payment to an eligible applicant may not be reduced because the spouse is less than 65 years of age or not a disabled veteran. If all occupants in a residence are eligible for a reimbursement payment, the occupants shall decide between and among themselves which shall receive the

Chapter 74

1 payment.

2 (e) In this section "disabled veteran" has the meaning given in
3 AS 29.45.030(i)(1).

4 Sec. 29.45.050. OPTIONAL EXEMPTIONS AND EXCLUSIONS. (a) A
5 municipality may exclude or exempt or partially exempt residential
6 property from taxation by ordinance ratified by the voters at an
7 election. An exclusion or exemption authorized by this section may
8 not exceed the assessed value of \$10,000 for any one residence.

9 (b) A municipality may by ordinance

10 (1) classify boats and vessels for the purposes of taxation
11 and may establish the assessed valuation of boats and vessels on the
12 basis of their registered or certificated net tonnage;

13 (2) classify and exempt from taxation

14 (A) the property of an organization not organized for
15 business or profit-making purposes and used exclusively for
16 community purposes if the income derived from rental of that
17 property does not exceed the actual cost to the owner of the use
18 by the renter;

19 (B) historic sites, buildings, and monuments;

20 (C) land of a nonprofit organization used for agricul-
21 tural purposes if rights to subdivide the land are conveyed to
22 the state and the conveyance includes a covenant restricting use
23 of the land to agricultural purposes only; rights conveyed to the
24 state under this subparagraph may be conveyed by the state only
25 in accordance with AS 38.05.069(c);

26 (3) exempt personal property from taxation;

27 (4) exempt business inventories from taxation;

28 (5) classify as to type and exempt or partially exempt ar
29 or all types of motor vehicles from taxation.

(c) The provisions of (a) of this section notwithstanding,

(1) a borough may, by ordinance, adjust its property tax structure in whole or in part to the property tax structure of a city in the borough, including but not limited to, excluding personal property from taxation, establishing exemptions, and extending the redemption period;

(2) a home rule or first class city has the same power to grant exemptions or exclude property from borough taxes that it has as to city taxes if

(A) the exemptions or exclusions have been adopted as to city taxes; and

(B) the city appropriates to the borough sufficient money to equal revenues lost by the borough because of the exemptions or exclusions, the amount to be determined annually by the assembly;

(3) a city in a borough may, by ordinance, adjust its property tax structure in whole or in part to the property tax structure of the borough, including but not limited to exempting or partially exempting property from taxation.

(d) Exemptions or exclusions from property tax that have been granted by a home rule municipality in addition to exemptions authorized or required by law, and that are in effect on September 10, 1972, and not later withdrawn, are not affected by this chapter.

(e) A municipality may by ordinance classify and exempt or partially exempt from taxation privately owned land, wet land and water areas for which a scenic, conservation, or public recreation use easement is granted to a governmental body. To be eligible for a tax exemption, or partial exemption, the easement must be in perpetuity. However, the easement is automatically terminated before an eminent

Chapter 74

1 domain taking of fee simple title or less than fee simple title to the
2 property, so that the property owner is compensated at a rate that
3 does not reflect the easement grant.

4 (f) A municipality may by ordinance exempt from taxation all or
5 part of the increase in assessed value of improvements to real prop-
6 erty if an increase in assessed value is directly attributable to
7 alteration of the natural features of the land, or new maintenance,
8 repair, or renovation of an existing structure, and if the alteration,
9 maintenance, repair, or renovation, when completed, enhances the
10 exterior appearance or aesthetic quality of the land or structure. An
11 exemption may not be allowed under this subsection for the construc-
12 tion of an improvement to a structure if the principal purpose of the
13 improvement is to increase the amount of space for occupancy or non-
14 residential use in the structure or for the alteration of land as a
15 consequence of construction activity. An exemption provided in this
16 subsection may continue for up to four years from the date the im-
17 provement is completed, or from the date of approval for the exemption
18 by the local assessor, whichever is later.

19 (g) A municipality may by ordinance exempt from taxation all or
20 part of the increase in assessed value of improvements to a single-
21 family dwelling if the principal purpose of the improvement is to
22 increase the amount of space for occupancy. An exemption provided in
23 this subsection may continue for up to two years from the date the
24 improvement is completed, or from the date of approval of an applica-
25 tion for the exemption by the local assessor, whichever is later.

26 Sec. 29.45.060. FARM OR AGRICULTURAL LAND. (a) Farm use land
27 included in a farm unit and not dedicated or being used for nonfarm
28 purposes shall be assessed on the basis of full and true value for
29 farm use and may not be assessed as if subdivided or used for some

other nonfarm purpose. The assessor shall maintain records valuing the land for both full and true value and farm use value. If the land is sold, leased, or otherwise disposed of for uses incompatible with farm use or converted to a use incompatible with farm use by the owner, the owner is liable to pay an amount equal to the additional tax at the current mill levy together with eight percent interest for the preceding seven years, as though the land had not been assessed for farm use purposes. Payment by the owner shall be made to the state to the extent of its reimbursement for revenue loss under (e) of this section for the preceding seven years. The balance of the payment shall be made to the municipality.

(b) An owner of farm use land must, to secure the assessment under this section, apply to the assessor before May 15 of each year in which the assessment is desired. The application shall be made upon forms prescribed by the state assessor for the use of the local assessor, and shall include information that may reasonably be required to determine the entitlement of the applicant. If the land is leased for farm use purposes, the applicant shall furnish to the assessor a copy of the lease bearing the signatures of both lessee and lessor along with the completed application. The applicant shall furnish the assessor a copy of the lease covering the period for which the exemption is requested.

(c) In this section "farm use" means the use of land for profit for raising and harvesting crops, for the feeding, breeding, and management of livestock, for dairying, or another agricultural use, or any combination of these. To be farm use land, the owner or lessee must be actively engaged in farming the land, and derive at least 10 percent of yearly gross income from the land. This section does not apply to land for which the owner has granted, and has outstanding, a

Chapter 74

1 lease or option to buy the surface rights. A property owner wishing
2 to file for farm use classification having no history of farm-related
3 income may submit a declaration of intent at the time of filing the
4 application with the assessor setting out the intended use of the land
5 and the anticipated percentage of income. An applicant using this
6 procedure shall file with the assessor before February 1 of the fol-
7 lowing year a notarized statement of the percentage of gross income
8 attributable to the land. Failure to make the filing required in this
9 subsection forfeits the exemption.

10 (d) In the event of a crop failure by an act of God the previous
11 year, the owner or lessee may submit an affidavit affirming that 10
12 percent of gross income for the past three years was from farming.

13 (e) Subject to legislative appropriations for the purpose, the
14 state shall reimburse a borough or city, as appropriate, for the prop-
15 erty tax revenues lost to it by the operation of this section.

16 Sec. 29.45.070. MOBILE HOMES. Mobile homes, trailers, house
17 trailers, trailer coaches and similar property used or intended to be
18 used for residential, office, or commercial purposes and attached to
19 the land or connected to water, gas, electric, or sewage facilities
20 are classified as real property for tax purposes unless expressly
21 classified as personal property by ordinance. This section does not
22 apply to house trailers and mobile homes that are unoccupied and held
23 for sale by persons engaged in the business of selling mobile homes.

24 Sec. 29.45.080. TAX ON OIL AND GAS PRODUCTION AND PIPELINE PROP-
25 erty. (a) A municipality may levy and collect taxes on taxable
26 property taxable under AS 43.56 only by using one of the methods set
27 out in (b) or (c) of this section.

28 (b) A municipality may levy and collect a tax on the full and
29 true value of taxable property taxable under AS 43.56 as valued by the

Department of Revenue at a rate not to exceed that which produces an amount of revenue from the total municipal property tax equivalent to \$1,500 a year for each person residing in its boundaries.

(c) A municipality may levy and collect a tax on the full and true value of that portion of taxable property taxable under AS 43.56 as assessed by the Department of Revenue which value, when combined with the value of property otherwise taxable by the municipality, does not exceed the product of 225 percent of the average per capita assessed full and true value of property in the state multiplied by the number of residents of the taxing municipality.

(d) By February 1 of each assessment year a taxing municipality must inform the Department of Revenue which method of taxation the municipality will use.

(e) For purposes of this section, population shall be determined by the commissioner based on the latest statistics of the United States Bureau of the Census or on other reliable population data, and the commissioner shall advise each municipality of its population by January 15 of each year.

Sec. 29.45.090. TAX LIMITATION. (a) A municipality may not, during a year, levy and tax for any purpose in excess of three percent of the assessed value of property in the municipality. All property on which a tax is levied shall be taxed at the same rate during the year.

(b) A municipality, or combination of municipalities occupying the same geographical area, in whole or in part, may not levy taxes

(1) that will result in tax revenues from all sources exceeding \$1,500 a year for each person residing within the municipal boundaries; or

(2) upon value that, when combined with the value of

Chapter 74

1 property otherwise taxable by the municipality, exceeds the product of
2 225 percent of the average per capita assessed full and true value of
3 property in the state multiplied by the number of residents of the
4 taxing municipality.

5 (c) The commissioner shall apportion the lawful levy and equi-
6 tably divide the tax revenues on the basis of need, services per-
7 formed, and other considerations in the public interest if two or more
8 municipalities occupying the same geographical area, in whole or in
9 part, attempt to levy a tax

10 (1) the combined levy of which would result in tax revenues
11 from all sources exceeding \$1,500 a year for each person residing
12 within the municipal boundaries; or

13 (2) upon value that, when combined with the value of prop-
14 erty otherwise taxable by the municipality, exceeds the product of 225
15 percent of the average per capita assessed full and true value of
16 property in the state multiplied by the number of residents of the
17 taxing municipality.

18 (d) For the purpose of (b) and (c) of this section, population
19 shall be determined by the commissioner based on the latest statistics
20 of the United States Bureau of the Census or on other reliable popula-
21 tion data.

22 Sec. 29.45.100. NO LIMITATIONS ON TAXES TO PAY BONDS. The
23 limitations provided for in AS 29.45.080 - 29.45.090 do not apply to
24 taxes levied or pledged to pay or secure the payment of the principal
25 and interest on bonds. Taxes to pay or secure the payment of princi-
26 pal and interest on bonds may be levied without limitation as to rate
27 or amount, regardless of whether the bonds are in default or in danger
28 of default.

29 Sec. 29.45.103. TAXATION RECORDS. (a) Municipal records

dealing with assessment, valuation or taxation may be inspected by the State Assessor or a designee.

(b) If a municipality's assessment and valuation has been done by a private contractor, records concerning the municipality's valuation and assessment shall be made available to the State Assessor or a designee on request.

Sec. 29.45.105. ERRORS IN TAXATION PROCEDURES. (a) If a municipality receives a notice from the State Assessor that major errors have been found in its assessment, valuation or taxation procedures, the municipality shall correct its procedures before the beginning of the next fiscal year or file an appeal under (b) of this section.

(b) A municipality may appeal a notice from the State Assessor that it has made a major error in assessment, valuation or taxation procedures by filing an appeal with the commissioner within 30 days after receipt of notice of error.

(c) The commissioner, after consulting with the Alaska Association of Assessing Officers, shall render a decision within 60 days after the receipt of a request under (b) of this section. If the commissioner determines that a major error has been made in assessment, valuation or taxation procedures the commissioner shall notify the municipality of changes that must be made and the municipality shall correct its procedures before the beginning of the next fiscal year.

(d) If errors in its assessment, valuation or taxation procedures have resulted in a loss of revenue to the state, the municipality shall reimburse the state for the amount of revenues lost.

Sec. 29.45.110. FULL AND TRUE VALUE. (a) The assessor shall assess property at its full and true value as of January 1 of the

Chapter 74

1 assessment year, except as provided in this section, AS 29.45.060, and
2 29.45.230. The full and true value is the estimated price that the
3 property would bring in an open market and under the then prevailing
4 market conditions in a sale between a willing seller and a willing
5 buyer both conversant with the property and with prevailing general
6 price levels.

7 (b) Assessment of business inventories may be based on the
8 average monthly method of assessment rather than the value existing on
9 January 1. The method used to assess business inventories shall be
10 prescribed by the governing body.

11 (c) In the case of cessation of business during the tax year
12 the municipality may provide for reassessment of business inventories
13 using the average monthly method of assessment for the tax year rather
14 than the value existing on January 1 of the tax year, and for reduc-
15 tion and refund of taxes. In enacting an ordinance authorized by this
16 section, the municipality may prescribe procedures, restrictions, and
17 conditions of assessing or reassessing business inventories and of
18 remitting or refunding taxes.

19 Sec. 29.45.120. RETURNS. (a) The municipality may require each
20 person having ownership or control of or an interest in property to
21 submit a return in the form prescribed by the assessor, based on prop-
22 erty values existing on January 1, except as otherwise provided in
23 this chapter.

24 (b) The assessor may, by written notice, require a person to
25 provide additional information within 30 days.

26 Sec. 29.45.130. INDEPENDENT INVESTIGATION. (a) The assessor
27 is not bound to accept a return as correct. The assessor may make
28 an independent investigation of property returned or of taxable prop-
29 erty on which no return has been filed. In either case, the assessor

make the assessor's own valuation of the taxable property and this valuation is prima facie evidence of the value of the property.

(b) For investigation, the assessor or the assessor's agent may enter a premise during reasonable hours and may examine property on the premise. The assessor or the assessor's agent may examine all property records involved. A person shall, on request, furnish to the assessor or the assessor's agent every facility and assistance for the investigation. The assessor may seek a court order to compel entry and production of records needed for assessment purposes.

(c) An assessor may examine a person on oath. On request, the person shall submit to examination at a reasonable time and place selected by the assessor.

Sec. 29.45.140. VIOLATIONS. For knowingly failing to file a tax statement required by ordinance or knowingly making a false affidavit to a statement required by a tax ordinance relative to the amount, location, kind or value of property subject to taxation with intent to evade the taxation, a municipality may by ordinance prescribe a penalty not to exceed a fine of \$1,000 or imprisonment for 90 days.

Sec. 29.45.150. REEVALUATION. A systematic reevaluation of taxable real and personal property undertaken by the assessor, whether of specific areas in which real property is located or of specific classes of real or personal property to be assessed, shall be made only in accordance with a resolution or other act of the municipality directing a systematic reevaluation of all taxable property in the municipality over the shortest period of time practicable, as fixed in the resolution or act.

Sec. 29.45.160. ASSESSMENT ROLL. (a) The assessor shall prepare an annual assessment roll. The roll shall contain

- (1) a description of all taxable property;

Chapter 74

1 (2) the assessed value of all taxable property;

2 (3) the names and addresses of persons with property sub-
3 ject to assessment and taxation.

4 (b) The assessor may list real property by any description that
5 may be made certain. Real property is assessed to the record owner.
6 The district recorder shall at least monthly provide the assessor a
7 copy of each recorded change of ownership showing the name and mailing
8 address of the owner and the name and mailing address of the person
9 recording the change of ownership. Other persons having an interest
10 in the property may be listed on the assessment records with the
11 owner. The person in whose name property is listed as owner is conclu-
12 sively presumed to be the legal record owner. If the property owner
13 is unknown, the property may be assessed to "unknown owner". An
14 assessment is not invalidated by a mistake, omission, or error in the
15 name of the owner, if the property is correctly described.

16 Sec. 29.45.170. ASSESSMENT NOTICE. (a) The assessor shall give
17 each person named in the assessment roll a notice of assessment,
18 showing the assessed value of the person's property. On each notice
19 is printed a brief summary of the dates when taxes are payable, delin-
20 quent, and subject to penalty and interest, and the dates when the
21 board of equalization will sit.

22 (b) Sufficient assessment notice is given if mailed by first
23 class mail 30 days before the equalization hearings. If the address
24 is not known to the assessor, the notice may be addressed to the
25 person at the post office nearest the property. Notice is effective
26 on the date of mailing.

27 Sec. 29.45.180. CORRECTIONS. (a) A person receiving an assess-
28 ment notice shall advise the assessor of errors or omissions in the
29 assessment of the person's property. The assessor may correct errors

or omissions in the roll before the board of equalization hearing.

(b) If errors found in the preparation of the assessment roll are adjusted, the assessor shall mail a corrected notice allowing 30 days for appeal to the board of equalization.

Sec. 29.45.190. APPEAL. (a) A person whose name appears on the assessment roll or the agent or assigns of that person may appeal to the board of equalization for relief from an alleged error in valuation not adjusted by the assessor to the taxpayer's satisfaction.

(b) The appellant shall, within 30 days after the date of mailing of notice of assessment, submit to the assessor a written appeal specifying grounds in the form that the board of equalization may require. Otherwise, the right of appeal ceases unless the board of equalization finds that the taxpayer was unable to comply.

(c) The assessor shall notify an appellant by mail of the time and place of hearing.

(d) The assessor shall prepare for use by the board of equalization a summary of assessment data relating to each assessment that is appealed.

(e) A city in a borough may appeal an assessment to the borough board of equalization in the same manner as a taxpayer. Within five days after receipt of the appeal, the assessor shall notify the person whose property assessment is being appealed by the city.

Sec. 29.45.200. BOARD OF EQUALIZATION. (a) The governing body sits as a board of equalization for the purpose of hearing an appeal from a determination of the assessor, or it may delegate this authority to one or more boards appointed by it. An appointed board may be composed of not less than three persons, who may be members of the governing body, municipal residents, or a combination of members of the governing body and residents. The governing body shall by

Chapter 74

1 ordinance establish the qualifications for membership.

2 (b) The board of equalization is governed in its proceedings by
3 rules adopted by ordinance that are consistent with general rules of
4 administrative procedure. The board may alter an assessment of a lot
5 only pursuant to an appeal filed as to the particular lot.

6 (c) Notwithstanding other provisions in this section, a deter-
7 mination of the assessor as to whether property is taxable under law
8 may be appealed directly to the superior court.

9 Sec. 29.45.210. HEARING. (a) If an appellant fails to appear,
10 the board of equalization may proceed with the hearing in the absence
11 of the appellant.

12 (b) The appellant bears the burden of proof. The only grounds
13 for adjustment of assessment are proof of unequal, excessive, im-
14 proper, or under valuation based on facts that are stated in a valid
15 written appeal or proven at the appeal hearing. If a valuation is
16 found to be too low, the board of equalization may raise the assess-
17 ment.

18 (c) The board of equalization shall certify its actions to the
19 assessor within seven days. Except as to supplementary assessments,
20 the assessor shall enter the changes and certify the final assessment
21 roll by June 1.

22 (d) An appellant or the assessor may appeal a determination of
23 the board of equalization to the superior court as provided by rules
24 of court applicable to appeals from the decisions of administrative
25 agencies. Appeals are heard on the record established at the hearing
26 before the board of equalization.

27 Sec. 29.45.220. SUPPLEMENTARY ASSESSMENT ROLLS. The assessor
28 shall include property omitted from the assessment roll on a supple-
29 mentary roll, using the procedures set out in this chapter for th

original roll.

Sec. 29.45.230. TAX ADJUSTMENTS ON PROPERTY AFFECTED BY A NATURAL DISASTER. (a) The municipality may provide for assessment or reassessment and reduction of taxes for property destroyed, damaged, or otherwise reduced in value as a result of a natural disaster.

(b) An assessment or reassessment under this section may be made by the assessor only upon the receipt of a sworn statement of the taxpayer that losses exceed \$1,000. A reduction of taxes may be made only on losses in excess of \$1,000 for the remainder of the year following the disaster. On reassessment, the municipality shall recompute this tax and refund taxes that have already been paid.

(c) The municipality shall give notice of assessment or reassessment under this section and shall hold an equalization hearing as provided in this chapter, except that a notice of appeal must be filed with the board of equalization within 10 days after notice of assessment or reassessment is given to the person appealing. Otherwise, the right of appeal ceases unless the board finds that the taxpayer is unable to comply.

(d) In enacting an ordinance or resolution authorized by this section the municipality may, consistent with this section, prescribe procedures, restrictions, and conditions of assessing or reassessing property and of remitting, refunding, or forgiving taxes.

(e) In this section "disaster" means a major disaster declared by the President of the United States under the provisions of 42 U.S.C. sec. 1855 - 1855g (Federal Disaster Act of 1950), or other federal law, or a disaster declared by the governor under AS 26.-23.010 - 26.23.110.

Sec. 29.45.240. TAX LEVY AND RATE. (a) The power granted to a municipality to assess, levy, and collect a property tax shall be

Chapter 74

1 exercised by means of an ordinance. The rate of levy, the date of
2 equalization, and the date when taxes become delinquent shall be fixed
3 by resolution.

4 (b) A municipality shall annually determine the rate of levy
5 before June 15. By July 1 the tax collector shall mail tax statements
6 setting out the levy, dates when taxes are payable and delinquent, and
7 penalties and interest.

8 Sec. 29.45.250. RATES OF PENALTY AND INTEREST. (a) A penalty
9 not to exceed 20 percent of the tax due may be added to all delinquent
10 taxes, and interest not to exceed 15 percent a year shall accrue upon
11 all unpaid taxes, not including penalty, from the due date until paid
12 in full. A municipality may impose a penalty not to exceed 20 percent
13 of the tax due upon the late return of personal property assessment
14 forms. A penalty under this section may be imposed according to a
15 formula that increases the amount of the penalty as the length of time
16 increases during which payment is delinquent or assessment forms are
17 not returned.

18 (b) If a taxpayer is given the right to pay the tax in two in-
19 stallments, penalty and interest on an unpaid installment accrues from
20 the date the installment becomes due.

21 ARTICLE 2. ENFORCEMENT OF TAX LIENS.

22 Sec. 29.45.290. VALIDITY. Certified assessment and tax rolls
23 are valid and binding on all persons, notwithstanding a defect, error
24 omission, or invalidity in the assessment rolls or proceedings per-
25 taining to the assessment roll.

26 Sec. 29.45.300. TAX LIABILITY. (a) The owner of assessed per-
27 sonal property is personally liable for the amount of taxes assessed
28 against the property. The tax, together with penalty and interest
29 may be collected in a personal action brought in the name of th

municipality.

(b) Property taxes, together with penalty and interest, are a lien upon the property assessed, and the lien is prior and paramount to all other liens or encumbrances against the property.

Sec. 29.45.310. ENFORCEMENT OF PERSONAL PROPERTY TAX LIENS BY DISTRAINT AND SALE. (a) A lien for personal property taxes may be enforced by distraint and sale of the property. The municipality shall provide the procedure for distraint and sale by ordinance. A seizure, levy, or distraint is not legal unless demand is first made of the person assessed for the amount of the tax, penalty, and interest, and a sale is not valid unless made at public auction no sooner than 15 days after notice is published. The seizure is made by virtue of a warrant issued by the municipal clerk to a peace officer.

(b) If the personal property sold is not sufficient to satisfy the tax, penalty, and interest, and costs of sale, the warrant may authorize the seizure of other personal property sufficient to satisfy the tax, penalty, interest, and costs of sale. If the property is sold for more money than is needed to satisfy the tax, the municipality shall remit the excess to the former record owner upon presentation of a proper claim. A claim for the excess filed after six months of the date of sale is forever barred.

Sec. 29.45.320. REAL PROPERTY TAX COLLECTION. (a) The municipality shall enforce delinquent real property tax liens by annual foreclosure, unless otherwise provided by ordinance.

(b) If the tax on property described in AS 29.45.070 or on a taxable interest in tax-exempt property is not paid when due, a municipality may enforce the tax by a personal action against the delinquent taxpayer brought in the district or superior court, in addition to other remedies available to enforce the lien.

Chapter 74

1 Sec. 29.45.330. FORECLOSURE LIST. (a) A municipality shall

2 (1) annually present a petition for judgment and a certi-
3 fied copy of the foreclosure list for the previous year's delinquent
4 taxes in the superior court for judgment;

5 (2) publish the foreclosure list for four consecutive weeks
6 in a newspaper of general circulation distributed in the municipality
7 or, if there is no newspaper of general circulation distributed in the
8 municipality, post the list at three public places for at least 30
9 days;

10 (3) within 10 days after the first publication or posting,
11 mail to the last known owner of each property as the owner's name and
12 address appear on the list a notice advising of the foreclosure pro-
13 ceeding in which a petition for judgment of foreclosure has been filed
14 and describing the property and the amount due as stated on the list.

15 (b) The list shall be arranged in alphabetical order as to the
16 last name and shall include

17 (1) the last known owner;

18 (2) the property description as stated on the assessmer
19 roll;

20 (3) years and amounts of delinquency;

21 (4) penalty and interest due;

22 (5) a statement that the list is available for publ
23 inspection at the clerk's office;

24 (6) a statement that the list has been presented to t
25 superior court with a petition for judgment and decree.

26 (c) Completion of the requirements of (a) of this section c
27 stitutes and has the same force and effect as the filing of an in
28 vidual and separate complaint and service of summons to foreclos
29 lien against each property described on the foreclosure list.

Sec. 29.45.340. CLEARING DELINQUENCIES. During the publication or posting of the foreclosure list and up to the time of transfer to the municipality a person may pay the taxes, together with the penalty, interest, and costs. The collector shall note payment on the foreclosure list.

Sec. 29.45.350. LIST TO LIENHOLDER. A holder of a mortgage or other lien on real property may request the clerk to send by certified mail notice of a foreclosure list that includes the real property.

Sec. 29.45.360. GENERAL FORECLOSURE. A municipality shall bring one general foreclosure proceeding in rem against the properties included in the foreclosure list. If the owner is unknown, the property is proceeded against as belonging to "unknown owner."

Sec. 29.45.370. ANSWER AND OBJECTION. A person having an interest in a lot on the foreclosure list may file an answer within 30 days after the date of last publication, specifying the person's objection. The court shall make its decision in summary proceedings. The foreclosure list is prima facie evidence that the assessment and levy of the tax is valid and that the tax is unpaid.

Sec. 29.45.380. JUDGMENT. The court shall in a proper case give judgment and decree that the tax liens be foreclosed. It is a several judgment against each lot and a lien on each lot.

Sec. 29.45.390. TRANSFER AND APPEAL. (a) Foreclosed properties are transferred to the municipality for the lien amount. When answers are filed the court may enter judgment against and order the transfer to the municipality of all other properties on the list pending determination of the matters in controversy. The court shall hear and determine the issues raised by the complaint and answers in the same manner and under the same rules as it hears and determines other actions.

Chapter 74

1 (b) The court clerk shall deliver a certified copy of the judg-
2 ment and decree to the municipal clerk. The certified judgment and
3 decree constitutes a transfer to the municipality.

4 (c) The judgment and decree stops objections to it that could
5 have been presented before judgment and decree. Appeal from a judg-
6 ment and decree of foreclosure, or from a final order in the proceed-
7 ing, may be taken in the manner provided for appeals in civil actions.

8 Sec. 29.45.400. REDEMPTION PERIOD. Properties transferred to
9 the municipality are held by the municipality for at least one year.
10 During the redemption period a party having an interest in the prop-
11 erty may redeem it by paying the lien amount plus penalties, interest,
12 and costs, including all costs incurred under AS 29.45.440(a). Prop-
13 erty redeemed is subject to all accrued taxes, assessments, liens, and
14 claims as though it had continued in private ownership. Only the
15 amount applicable under the judgment and decree must be paid in order
16 to redeem the property.

17 Sec. 29.45.410. EFFECT. Receipt of redemption money by the
18 municipality releases the judgment obtained under AS 29.45.380. The
19 clerk or the clerk's designee shall record the redemption and issue a
20 certificate containing a property description, the redemption amount,
21 and the dates of judgment and decree of foreclosure. The clerk or the
22 clerk's designee shall collect the recording fee at the time of re-
23 demption and shall file the certificate with the record as part of the
24 judgment roll.

25 Sec. 29.45.420. ADDITIONAL LIENS. If a property included in a
26 foreclosure list is removed after payment of delinquencies or redemp-
27 tion by another lienholder, the payment represented by receipt for
28 payment constitutes an additional lien on the property, collectible by
29 the lienholder in the same manner as the original lien.

Sec. 29.45.430. POSSESSION DURING REDEMPTION PERIOD. Foreclosure does not affect the former owner's right to possession during the redemption period. If waste is committed by the former owner or by anyone acting under the permission or control of the former owner, the municipality may declare an immediate forfeiture of the right to possession.

Sec. 29.45.440. EXPIRATION. (a) At least 30 days before the expiration of the redemption period the clerk or the clerk's designee shall publish a redemption period expiration notice. The notice shall contain the date of judgment, the date of expiration of the period of redemption, and a warning that all properties ordered sold under the judgment, unless redeemed, shall be deeded to the municipality immediately on expiration of the period of redemption and that every right or interest of a person in the properties will be forfeited forever to the municipality. The notice appears once a week for four consecutive weeks in a newspaper of general circulation distributed in the municipality. If there is no newspaper of general circulation distributed in the municipality, the notice is posted in three public places for at least four consecutive weeks. The clerk shall send a copy of the notice by certified mail to each record owner of property against which a judgment of foreclosure has been taken and, if the assessed value of the property is more than \$10,000, to all holders of mortgages or other liens of record on the property. The notice shall be mailed within five days after the first publication. The mailing shall be sufficient if mailed to the property owner and to the holder of a mortgage or recorded lien at the last address of record.

(b) The right of redemption expires 30 days after the date of the first notice publication.

(c) Costs incurred in the determination of holders of mortgages

Chapter 74

1 and other liens of record and costs of notice publication incurred by
2 a municipality under (a) of this section are a lien on the property
3 and may be recovered by the municipality.

4 Sec. 29.45.450. DEED TO BOROUGH OR CITY. (a) Unredeemed prop-
5 erty in the area of the borough outside all cities is deeded to the
6 borough by the clerk of the court. Unredeemed property in a city is
7 deeded to the city subject to the payment by the city of unpaid bor-
8 ough taxes and costs of foreclosure levied against the property before
9 foreclosure. The deed shall be recorded in the recording district in
10 which the property is located.

11 (b) Conveyance gives the municipality clear title, except for
12 prior recorded tax liens of the United States and the state.

13 (c) If unredeemed property lies in a city and if the city has no
14 immediate public use for the property but the borough does have an
15 immediate public use, the city shall deed the property to the borough.
16 If unredeemed property lies in the borough outside all cities and if
17 the borough does not have an immediate public use for the property but
18 a city does have an immediate public use, the borough shall deed the
19 property to the city.

20 (d) No deed is invalid for irregularities, omissions, or defects
21 in the proceedings under this chapter unless the former owner has been
22 misled so as to be injured. Two years after the date of the deed, its
23 validity is conclusively presumed and a claim of the former owner or
24 other person having an interest in the property is forever barred.

25 Sec. 29.45.460. DISPOSITION AND SALE OF FORECLOSED PROPERTY.
26 (a) The municipality shall determine by ordinance whether foreclosed
27 property deeded to the municipality shall be retained for a public
28 purpose. The ordinance shall contain the legal description of the
29 property, the address or a general description of the property

sufficient to provide the public with notice of its location, and the name of the last record owner of the property as the name appears on the assessment rolls.

(b) Tax-foreclosed property conveyed to a municipality by tax foreclosure and not required for a public purpose may be sold. Before the sale of tax-foreclosed property held for a public purpose, the municipality, by ordinance, shall determine that a public need does not exist. The ordinance shall contain the information required under (a) of this section.

(c) The clerk or the clerk's designee shall send a copy of the published notice of hearing of an ordinance to consider a determination required under (a) or (b) of this section by certified mail to the former record owner of the property that is the subject of the ordinance. The notice shall be mailed within five days after its first publication and shall be sufficient if mailed to the last record owner of the property as the name appears on the assessment rolls of the municipality.

(d) The provisions of (c) of this section do not apply with respect to property that has been held by the municipality for a period of more than 10 years after the close of the redemption period.

Sec. 29.45.470. REPURCHASE BY RECORD OWNER. (a) The record owner at the time of tax foreclosure of property acquired by a municipality, or the assigns of that record owner, may, within 10 years and before the sale or contract of sale of the tax-foreclosed property by the municipality, repurchase the property. The municipality shall sell the property for the full amount applicable to the property under the judgment and decree, with interest not to exceed 15 percent a year from the date of entry of the judgment of foreclosure to the date of repurchase, delinquent taxes assessed and levied as though it had

Chapter 74

1 continued in private ownership, and costs of foreclosure and sale.

2 (b) After adoption of an ordinance providing for the retention
3 of tax-foreclosed property by the municipality for a public purpose,
4 the right of the former record owner to repurchase the property
5 ceases.

6 Sec. 29.45.480. PROCEEDS OF TAX SALE. (a) On sale of fore-
7 closed real or personal property the municipality shall divide the
8 proceeds less cost of collection, between the borough and the city
9 having unpaid taxes against the property. The division is in propor-
10 tion to the respective municipal taxes against the property at the
11 time of foreclosure.

12 (b) If tax-foreclosed real property that has been held by a
13 municipality for less than 10 years after the close of the redemption
14 period and never designated for a public purpose is sold at a tax-
15 foreclosure sale, the former record owner is entitled to the portion
16 of the proceeds of the sale that exceeds the amount of unpaid taxes,
17 the amount equal to taxes that would have been assessed and levied
18 after foreclosure if the property had continued in private ownership,
19 penalty, interest, and costs to the municipality of foreclosing and
20 selling the property. If the proceeds of the sale of tax-foreclosed
21 property exceed the total of unpaid and delinquent taxes, penalty,
22 interest, and costs, the municipality shall provide the former owner
23 of the property written notice advising of the amount of the excess
24 and the manner in which a claim for the balance of the proceeds may be
25 submitted. Notice is sufficient under this subsection if mailed to
26 the former record owner at the last address of record of the former
27 record owner. On presentation of a proper claim, the municipality
28 shall remit the excess to the former record owner. A claim for the
29 excess filed after six months of the date of sale is forever barred.

Sec. 29.45.490. PAYMENT OF TAXES UPON PUBLIC UTILIZATION. If a municipality takes title to tax-foreclosed property for a public purpose, the municipality shall satisfy unpaid taxes and assessments against the property held by other municipalities, with accrued interest but without penalty. If the amount required to satisfy the unpaid taxes and assessments exceeds the assessed value of the property, the municipality shall pay the other municipalities the assessed value, which shall be divided between the other municipalities in proportion to their respective taxes and assessments against the property at the time of foreclosure.

Sec. 29.45.500. REFUND OF TAXES. (a) If a taxpayer pays taxes under protest, the taxpayer may bring suit in the superior court against the municipality for recovery of the taxes. If judgment for recovery is given against the municipality, or, if in the absence of suit, it becomes obvious to the governing body that judgment for recovery of the taxes would be obtained if legal proceedings were brought, the municipality shall refund the amount of the taxes to the taxpayer with interest at eight percent from the date of payment plus costs.

(b) If, in payment of taxes legally imposed, a remittance by a taxpayer through error or otherwise exceeds the amount due, and the municipality, on audit of the account in question, is satisfied that this is the case, the municipality shall refund the excess to the taxpayer with interest at eight percent from the date of payment. A claim for refund filed one year after the due date of the tax is forever barred.

(c) The governing body may correct manifest clerical errors at anytime.

ARTICLE 3. CITY PROPERTY TAX.

Chapter 74

1 Sec. 29.45.550. CITIES OUTSIDE BOROUGHES. Home rule and first
2 class cities outside boroughs may assess, levy, and collect a property
3 tax. A property tax if levied must be assessed, levied, and collected
4 as provided by AS 29.45.010 - 29.45.500.

5 Sec. 29.45.560. CITIES INSIDE BOROUGHES. Home rule and first
6 class cities inside boroughs may levy a property tax. A property tax,
7 if levied, is subject to AS 29.45.010 - 29.45.050, 29.45.090 - 29.45.-
8 100, 29.45.250, 29.45.400 - 29.45.440 and 29.45.460 - 29.45.500. The
9 council shall by June 15 of each year present to the assembly a state-
10 ment of the city's rate of levy unless a different date is agreed upon
11 by the borough and city.

12 Sec. 29.45.570. APPLICATION. AS 29.45.010 - 29.45.570 apply to
13 home rule and general law municipalities.

14 Sec. 29.45.580. DIFFERENTIAL TAX ZONES. A city may by ordinance
15 establish, alter, and abolish differential tax zones to provide and
16 levy property taxes for services not provided generally in the city or
17 a different level of service than that provided generally in the city.

18 Sec. 29.45.590. LIMITED PROPERTY TAXING POWER FOR SECOND CLASS
19 CITIES. A second class city may by referendum levy property taxes as
20 provided for first class cities. However, levy by a second class city
21 may not exceed one-half of one percent of the assessed value of the
22 property taxed, except that the limit does not apply to a levy neces-
23 sary to avoid a default upon payment of principal and interest of
24 bonded or other indebtedness that is secured by a pledge to levy ad
25 valorem or other taxes without limit to meet debt payments.

26 Sec. 29.45.600. COMBINING PROPERTY TAX WITH INCORPORATION OF A
27 SECOND CLASS CITY. A petition for second class city incorporation may
28 request that a property tax proposal be placed on the same ballot.
29 The petition must state the proposed tax rate. The petition may

request that incorporation be dependent on the passage of the property tax proposition. If so, the incorporation proposition fails if the property tax fails.

ARTICLE 4. BOROUGH SALES AND USE TAX.

Sec. 29.45.650. SALES AND USE TAX. (a) A borough may levy and collect a sales tax not exceeding six percent on sales, rents, and on services provided in the borough. The sales tax may apply to any or all of these sources. Exemptions may be granted by ordinance.

(b) A borough levying a sales tax may also by ordinance levy a use tax on the storage, use, or consumption of tangible personal property in the borough. The use tax rate must equal the sales tax rate and the use tax shall be levied only on buyers.

(c) A person who furnishes proof, in the form required by the borough tax collector, that the person has paid a sales tax on the source on which a use tax is levied by the borough is required to pay the use tax only to the extent of the difference between the amount of the sales tax paid and the amount of the use tax levied by the borough. This subsection applies to a sales tax levied in any taxing jurisdiction whether inside or outside the state.

(d) If the assembly charges interest on sales taxes not paid when due, the rate of interest may not exceed 15 percent a year on the delinquent taxes and shall be charged from the due date until paid in full. This subsection applies to home rule and general law municipalities.

(e) A borough may provide for the creation, recording, and notice of a lien on real or personal property to secure the payment of a sales and use tax, and the interest, penalties, and administration costs in the event of delinquency. When recorded, a lien authorized under this section has priority over other liens except those for

Chapter 74

1 property taxes and special assessments.

2 Sec. 29.45.660. NOTICE OF SALES AND USE TAX. (a) If the bor-
3 ough levies and collects only a sales tax and use tax, the assembly
4 shall provide a notice substantially in the form set out in AS 29.45.-
5 020. In providing notice under this subsection, the assembly shall
6 substitute for the millage equivalency its estimate of the equivalent
7 sales tax rate for each of the categories of financial assistance set
8 out in AS 29.45.020. Notice shall be provided

9 (1) by publishing in a newspaper of general circulation in
10 the borough a copy of the notice once each week for a period of three
11 successive weeks, with publication to occur not later than 45 days
12 after the final adoption of the borough's budget; or

13 (2) if there is no newspaper of general circulation in the
14 borough, by posting a copy of the notice for at least 20 days in at
15 least two public places in the borough, with posting to occur not
16 later than 45 days after the final adoption of the borough's budget.

17 (b) Compliance with the provisions of this section is a prereq-
18 uisite to receipt of municipal tax resource equalization assistance
19 under AS 29.60.010 - 29.60.080 and state aid for miscellaneous municip-
20 al services under AS 29.60.100 - 29.60.180. The department shall
21 withhold annual allocations under those sections until municipal
22 officials demonstrate that the requirements of this section have been
23 met.

24 Sec. 29.45.670. REFERENDUM, ADOPTION, AND MODIFICATION. A new
25 sales and use tax or an increase in the rate of levy of a sales tax
26 approved by ordinance does not take effect until ratified by a major-
27 ity of the voters at an election.

28 ARTICLE 5. CITY SALES AND USE TAXES.

29 Sec. 29.45.700. POWER OF LEVY. (a) A city in a borough that

levies and collects areawide sales and use taxes may levy sales and use taxes on all sources taxed by the borough in the manner provided for boroughs, except that the assembly may by ordinance authorize a city to levy and collect sales and use taxes on other sources.

(b) A city in a borough that does not levy and collect sales and use taxes for areawide borough functions may levy and collect sales and use taxes in the manner provided for boroughs.

(c) A city outside a borough may levy and collect sales and use taxes in the manner provided for boroughs.

Sec. 29.45.710. COMBINING SALES AND USE TAX WITH INCORPORATION OF A SECOND CLASS CITY. A petition for incorporation of a second class city may request that a sales and use tax proposal be placed on the same ballot. The petition must state the proposed tax rate. The petition may request that incorporation be dependent on the passage of the tax proposition. If so, the incorporation proposition fails if the tax fails.

* Sec. 13. AS 29 is amended by adding a new chapter to read:

CHAPTER 46. SPECIAL ASSESSMENTS.

Sec. 29.46.010. ASSESSMENT AND PROPOSAL. The municipality may assess against the property of a state or federal governmental unit and private real property to be benefited by an improvement all or a portion of the cost of acquiring, installing, or constructing capital improvements. The state shall pay an assessment levied, except as otherwise provided by law and subject to its right of protest under AS 29.46.020(b). If a governmental unit other than the state benefited by an improvement refuses to pay the assessment, it shall be denied the benefit of the improvement. An improvement proposal may be initiated by

- (1) petition to the governing body of the owners of one-

Chapter 74

1 half in value of the property to be benefited; or

2 (2) the governing body.

3 Sec. 29.46.020. PROCEDURE. (a) The municipality may prescribe
4 by ordinance the procedures relating to creating special assessment
5 districts, making local improvements, levying and collecting assess-
6 ments, and financing improvements, including the following:

7 (1) a procedure for filing petitions;

8 (2) a survey and report by the mayor concerning the need
9 for, desirable extent of, and estimated cost of each proposed local
10 improvement;

11 (3) a public hearing on the necessity for the proposed
12 local improvement;

13 (4) a resolution or ordinance determining to proceed or not
14 to proceed with the proposed local improvement;

15 (5) a public hearing by the governing body on the special
16 assessment roll for the proposed local improvement;

17 (6) published notice of each public hearing required by
18 this section and mailing notice to each record owner of real property
19 in the special assessment district;

20 (7) a resolution or ordinance confirming the special as-
21 sessment roll for the proposed local improvement.

22 (b) If protests as to the necessity of a proposed local improve-
23 ment are made by owners of property that will bear 50 percent or more
24 of the estimated cost of the improvement, the governing body may not
25 proceed with the improvement until the objections have been reduced to
26 less than 50 percent, except on approval of not fewer than three-
27 fourths of the governing body.

28 (c) To the extent that the municipality does not prescribe a
29 procedure for special assessments as permitted by this section, the

municipality shall comply with the special assessment procedures set out in AS 29.46.030 - 29.46.100.

Sec. 29.46.030. CREATION OF DISTRICT. (a) When an improvement proposal is filed with the municipal clerk and presented to the governing body, the municipality shall find by resolution or ordinance whether (1) the improvement requested is necessary and should be made, and (2) if by petition, the request has sufficient and proper petitioners. The findings under this section are conclusive.

(b) If the municipality approves an improvement proposal, it shall develop a proposed improvement plan including the total cost estimate and the percentage of the cost to be assessed against the benefited property. The improvement plan shall be filed with the municipal clerk.

(c) The governing body shall set a time for public hearing on the improvement plan and the period for filing objections to the plan. The governing body shall publish a notice of the hearing and of the period during which objections may be filed at least once a week for four consecutive weeks in a newspaper of general circulation if distributed in the municipality and shall send notice by mail to every record owner of property in the special assessment district.

Sec. 29.46.040. RECORD OWNER. The person in whose name property is listed on the municipal property tax roll as owner is conclusively presumed to be the legal owner of record. If the owner is unknown, the assessment roll may designate "unknown owner".

Sec. 29.46.050. OBJECTIONS AND REVISION. (a) Objections to an improvement plan may be filed during a period of 60 days after publication of notice. The municipality may by resolution or ordinance approve the plan and order the improvement subject to the limitation of (b) of this section.

Chapter 74

1 (b) If objections are made in writing during the period set for
2 objections by the owners of property bearing 50 percent or more of the
3 estimated total cost of the improvement, the governing body may not
4 proceed with the improvement unless it revises the plan to meet the
5 objections and the objections are reduced to less than 50 percent. A
6 revised plan shall be approved and adopted as an original plan in
7 accordance with AS 29.46.030.

8 Sec. 29.46.060. ASSESSMENT ROLL. (a) At any time after ap-
9 proval of an improvement plan, the governing body shall assess the
10 authorized percentage of the cost against property in the district
11 included in the plan in proportion to the benefit received.

12 (b) The special assessment roll shall contain property descrip-
13 tions, names of record owners, and assessment amounts.

14 (c) The governing body shall fix a time to hear objections to
15 the roll. The municipal clerk shall send an assessment and hearing
16 notice by mail to each record owner of an assessed property not less
17 than 15 days before the hearing.

18 Sec. 29.46.070. HEARING AND SETTLEMENT. After the public hear-
19 ing, the governing body shall correct errors and inequalities in the
20 roll. If an assessment is increased, a new hearing shall be set and
21 notice published, except that a new hearing and notice is not required
22 if all record owners of property subject to the increased assessment
23 consent in writing to the increase. Objections to the increased
24 assessment shall be limited to record owners of property on which the
25 assessment was increased. When the roll is corrected, it shall be
26 confirmed by resolution or ordinance.

27 Sec. 29.46.080. PAYMENT. (a) The governing body shall fix
28 times of payment, penalties on delinquent payments, and the rate of
29 interest on the unpaid balance of the assessment. Payment may be ir

one sum or by installments. If payment is to be in one sum, payment may not be required sooner than 60 days after mailing of the assessment statement. The entire assessment may be prepaid without interest or penalty within 30 days after mailing of the assessment statement, and thereafter the assessment may be prepaid in whole or in part with interest to the payment date.

(b) Within 30 days after fixing the time of payment the municipal clerk shall mail a statement to the record owner of each property assessed. The statement designates the property, the assessment amount, method of payment, rate of interest on the unpaid balance of the assessment, the time of delinquency, and penalties on delinquent payments. Within five days after the statements are mailed, the clerk shall have notice published that the statements have been mailed.

(c) Assessments are liens on the property assessed and are prior and paramount to all liens except municipal tax liens. They may be enforced as provided in AS 29.45.320 - 29.45.470 for enforcement of property tax liens.

Sec. 29.46.090. EXEMPTION. (a) The real property owned and occupied by a resident 65 years of age or over, or the spouse, widow, widower, or minor heir of the original applicant, on which is located only the permanent abode of the applicant that is a single-family residence, is exempt from (1) special sewer assessments levied by a municipality after September 2, 1975, and (2) special water assessments levied by a municipality after September 2, 1975. Only one exemption may be granted with respect to the same property, and, if two or more persons are eligible for an exemption with respect to the same property, the parties shall decide between or among themselves which shall receive the benefit of the exemption. Real property may not be exempted under this subsection that the municipality

Chapter 74

1 determines, after notice and hearing to the parties concerned, has
2 been conveyed to the applicant primarily for the purpose of obtaining
3 the exemption. The determination of the municipality is appealable
4 under AS 44.62.560 - 44.62.570.

5 (b) An exemption may not be granted under this section except
6 upon written application for the exemption on a form prescribed by the
7 state assessor for use by local assessors and in accordance with the
8 following requirements:

9 (1) The claimant must file the initial application during
10 the period of time between the date the assessment roll is confirmed
11 and the time of payment fixed by the governing body. Within one year
12 after the date the assessment roll is confirmed the governing body for
13 good cause shown may waive the claimant's failure to make timely
14 initial application for the exemption and authorize the assessor to
15 accept the application as if timely filed.

16 (2) A claimant receiving the exemption must file with the
17 assessor by March 15 of each subsequent year a separate application
18 proving eligibility as of January 1 in order to retain the exemption.
19 Within the same year the assessor for good cause shown may waive the
20 claimant's failure to make timely application and approve the applica-
21 tion as if timely filed.

22 (3) If an application is filed within the required time
23 under this subsection and is approved by the governing body, the
24 exemption shall be allowed in accordance with the provisions of this
25 section. If a waiver under this subsection is granted and the appli-
26 cation for exemption approved, the amount of any assessment, penalty
27 or interest that the claimant has already paid on the assessment shall
28 be refunded to the claimant. The municipality may at any time require
29 proof in the form considered necessary of the right and amount of a

exemption claimed under this section.

(c) The state shall reimburse a municipality for the sewer and water assessment revenues that it would receive but for the operation of this section. Reimbursement under this subsection is a lien in favor of the state against the property exempted to the extent of the assessment against the property exempted. When properly recorded, the lien is prior and superior to other liens against the property except for property taxes or other special assessments and may be enforced by lien foreclosure. The lien becomes immediately due and payable

(1) upon sale or other transfer of the property except to a spouse, widow, widower, or minor heir; however, if the property is transferred to a minor heir the lien becomes due and payable on the date the minor heir reaches the age of 25 years;

(2) when property exempted under (a)(1) or (2) of this section receives more than one sewer connection or more than one water connection; or

(3) when the claimant fails to prove eligibility under (b)(2) of this section.

(d) This section applies to home rule and general law municipalities.

(e) In this section

(1) "minor heir" means a person who, at the time of transfer of the property, has not attained the age of 19 years or who, if under 22 years of age, is a full-time student at an educational institution or a member of the armed forces of the United States;

(2) "real property" includes, but is not limited to, mobile homes, whether classified as real or personal property for municipal tax purposes.

Sec. 29.46.100. REASSESSMENT. (a) The governing body shall

Chapter 74

1 within one year correct any deficiency in a special assessment found
2 by a court. Notice and hearing must conform to the initial assessment
3 procedures.

4 (b) Payments on the initial assessment are credited to the prop-
5 erty upon reassessment. The reassessment becomes a charge upon the
6 property notwithstanding failure to comply with any provision of the
7 assessment procedure.

8 Sec. 29.46.110. ALLOWABLE COSTS. (a) When a special assessment
9 district is created, there may be included in the assessments

10 (1) all of the cost of acquiring, installing, making, or
11 constructing the local improvement;

12 (2) the costs of all engineering and surveying to be done
13 in connection with creating the district or improvement;

14 (3) the cost of mailing and publishing notices;

15 (4) interest on interim financing;

16 (5) the cost of legal services and other expenses incurred
17 in the formation of the special assessment district;

18 (6) the cost of completing the improvement and financing
19 the improvement, including the issuance of bonds.

20 (b) The total amount of the assessment roll may not exceed
21 actual costs, but actual costs may include reasonable estimates of the
22 costs to be incurred in connection with issuance of bonds.

23 Sec. 29.46.120. OBJECTION AND APPEAL. (a) The validity of a
24 assessment may not be contested by a person who did not file with the
25 municipal clerk a written objection to the assessment roll before its
26 confirmation.

27 (b) The decision of the governing body on an objection may be
28 appealed to the superior court within 30 days after the date of con-
29 firmation of the assessment roll. If no objection is filed or appeal

taken within that time, the assessment procedure is considered valid in all respects.

Sec. 29.46.130. INTERIM FINANCING. (a) A municipality may provide by resolution or ordinance for the issuance of notes in payment of the costs of a local improvement project, payable out of special assessments for the improvement. The notes shall bear interest at a rate or rates authorized by the resolution or ordinance, and shall be redeemed either in cash or bonds for the improvement project.

(b) Notes issued against assessments shall be claims against the assessments that are prior and superior to a right, lien or claim of a surety on the bond given to the municipality to secure the performance of its contract for a local improvement project, or to secure the payment of persons who have performed work or furnished materials under the contract.

(c) The municipal treasurer may accept notes against special assessments on conditions prescribed by the governing body in payment of

(1) assessments against which the notes were issued in order of priority;

(2) judgments rendered against property owners who have become delinquent in the payment of assessments; and

(3) certificates of purchase when property has been sold under execution or at tax sale for failure to pay the assessments.

Sec. 29.46.140. SPECIAL ASSESSMENT BONDS. (a) The municipality may by ordinance authorize the issuance and sale of special assessment bonds to pay all or part of the cost of an improvement in a special assessment district. The principal and interest of bonds issued shall be payable solely from the levy of special assessments against the property to be benefited. The assessments shall constitute a sinking

Chapter 74

1 fund for the payment of principal and interest on the bonds. The
2 benefited property may be pledged by the governing body to secure a
3 payment.

4 (b) On default in a payment due on a special assessment bond, a
5 bondholder may enforce payment of principal, interest, and costs of
6 collection in a civil action in the same manner and with the same
7 effect as actions for the foreclosure of mortgages on real property.
8 Foreclosure shall be against all property on which assessments are in
9 default. The period for redemption is the same as for a mortgage
10 foreclosure on real property.

11 (c) Before the governing body may issue special assessment
12 bonds, it shall establish a guarantee fund and appropriate to the fund
13 annually a sum adequate to cover a deficiency in meeting payments of
14 principal and interest on bonds if the reason for the deficiency is
15 nonpayment of assessments when due. Money received from actions taken
16 against property for nonpayment of assessments shall be credited to
17 the guarantee fund.

18 * Sec. 14. AS 29 is amended by adding a new chapter to read:

19 CHAPTER 47. MUNICIPAL DEBT.

20 ARTICLE 1. REVENUE ANTICIPATION NOTES.

21 Sec. 29.47.010. BORROWING IN ANTICIPATION OF REVENUE. A muni-
22 cipality that is authorized to incur indebtedness may borrow money to
23 meet appropriations for any fiscal year in anticipation of the collec-
24 tion of the revenues for that year, but all debt so contracted shall
25 be paid before the end of the next fiscal year. Negotiable or nonne-
26 gotiable revenue anticipation notes may be issued as evidence of the
27 borrowing.

28 Sec. 29.47.020. ISSUANCE OF NOTES. A municipality may by ordi-
29 nance or resolution authorize the issuance of revenue anticipation

notes. The governing body may delegate to its chief fiscal officer the power to issue the notes from time to time under the terms and conditions of the ordinance or resolution that provides for the manner of their sale.

Sec. 29.47.030. ISSUANCE OF NOTES IN ANTICIPATION OF STATE, FEDERAL GRANTS. (a) A municipality, on adoption of a long-range capital improvement budget by ordinance or resolution, may by resolution provide for negotiable or nonnegotiable revenue anticipation notes in an amount not to exceed the total amount of any state or federal grants finally committed for these projects. The notes mature no later than the end of the next fiscal year. The notes may be for single or multiple projects outlined in the adopted capital improvement budget.

(b) If the state or federal grants for capital improvement projects have not been paid to the municipality before maturity of the notes issued in anticipation of the receipt of the revenue, the governing body may issue new notes in order to meet payment of the notes then maturing or may renew the outstanding revenue anticipation notes. New notes issued or renewals of outstanding revenue anticipation notes mature not later than the end of the next fiscal year.

Sec. 29.47.040. PRIORITY OF REPAYMENT. The payment of the principal and interest on revenue anticipation notes is payable from revenues, and their payment additionally shall be secured by a pledge of the full faith and credit of the municipality issuing them.

ARTICLE 2. BOND ANTICIPATION NOTES.

Sec. 29.47.080. BOND ANTICIPATION BORROWING. A municipality may borrow money in anticipation of the sale of general obligation and revenue bonds if

- (1) the general obligation bonds to be sold have been

Chapter 74

1 authorized by ordinance and ratified by a majority vote at an elec-
2 tion;

3 (2) the revenue bonds to be sold have been authorized by
4 ordinance.

5 Sec. 29.47.090. ISSUANCE OF NOTES. The governing body shall
6 issue negotiable or nonnegotiable notes for the amounts borrowed with
7 a maturity date not to exceed one year from the date of issue. All
8 notes and the interest on them are payable at fixed places on or
9 before a fixed time from the proceeds of the sale of bonds in antici-
10 pation of which the original note or notes were issued, unless the
11 bonds have not been sold by the maturity date of the notes.

12 Sec. 29.47.100. ISSUANCE OF NEW NOTES. If the sale of the bonds
13 has not occurred before the maturity of the notes issued in antici-
14 pation of the sale, the governing body shall issue new notes in order to
15 meet payment of the notes then maturing, or shall renew the outstand-
16 ing bond anticipation notes. New notes issued or renewals of out-
17 standing bond anticipation notes bear a maturity date not to exceed
18 one year from the date of issue. Notes, new notes, and renewals of
19 notes may not be outstanding for a total elapsed time of more than
20 three years.

21 Sec. 29.47.110. REPAYMENT OF NOTES. Every note is payable from
22 the proceeds of the sale of bonds that the notes anticipated or from
23 the proceeds of the sale of new bond anticipation notes.

24 Sec. 29.47.120. SECURITY. (a) Notwithstanding other provisions
25 of this chapter as to payment of notes, notes issued in anticipation
26 of the sale of general obligation bonds and the interest on them are
27 secured by the full faith and credit of the municipality. The muni-
28 cipality may levy ad valorem taxes for payment without limitation of
29 rate or amount.

(b) Notes issued in anticipation of the sale of revenue bonds and the interest on them are secured in the same manner as are the revenue bonds in anticipation of which the notes are issued.

Sec. 29.47.130. LIMITATION. The total amount of notes issued and outstanding may at no time exceed the total amount of bonds authorized to be issued.

Sec. 29.47.140. USE OF PROCEEDS. The proceeds from the sale of notes shall be used only for the purposes for which the proceeds from the sale of bonds may be used, or to meet payment of outstanding bond anticipation notes.

ARTICLE 3. GENERAL OBLIGATION BONDS.

Sec. 29.47.180. GENERAL OBLIGATION BONDS. A municipality may acquire, construct, improve, and equip capital improvements and issue negotiable or nonnegotiable general obligation bonds for these purposes.

Sec. 29.47.190. VOTE AND NOTICE OF EXISTING INDEBTEDNESS REQUIRED. (a) A municipality may incur general obligation bond debt only after a bond authorization ordinance is approved by a majority vote at an election. Any municipal voter may vote in the bond election, except as otherwise provided by law.

(b) Before a general obligation bond issue election, the governing body shall have published a notice of the total existing bond indebtedness at least once a week for three consecutive weeks. The first notice shall be published at least 20 days before the date of the election. A notice shall include

(1) the current total general obligation bonded indebtedness, including authorized but unsold bonds of the municipality;

(2) the cost of the debt service on the current indebtedness;

Chapter 74

(3) the total assessed value of property in the municipality.

Sec. 29.47.200. PAYMENT. (a) The full faith and credit of a municipality are pledged for the payment of principal and interest on general obligation bonds. The municipality may levy ad valorem taxes for payment without limitation of rate or amount to pay or secure the payment of the principal and interest on bonds, regardless of whether the bonds are in default or in danger of default.

(b) General obligation bonds issued for acquiring, constructing, improving and equipping a municipally owned utility or other revenue-generating enterprise may be additionally secured by a pledge of the revenue derived from operation. Bonds so secured are not subject to a debt limitation imposed by a home rule charter. This subsection applies to home rule and general law municipalities.

ARTICLE 4. REVENUE BONDS.

Sec. 29.47.240. REVENUE BONDS. (a) A municipality may issue negotiable or nonnegotiable revenue bonds for a public enterprise or public corporation of the municipality where the only security is the revenue of the public enterprise or corporation.

(b) A municipality may issue its revenue bonds to finance the purchase of residential mortgage loans. The revenue bonds issued under this subsection are payable solely from the principal and interest of the mortgage loans and from other amounts pledged by the municipality, except the pledge of revenues derived from taxes. Revenue bonds issued under this subsection do not constitute a general obligation of the municipality.

Sec. 29.47.250. NO ELECTION REQUIRED. An election is not required to authorize the issuance and sale of revenue bonds, unless otherwise provided by ordinance.

Sec. 29.47.260. CONSTRUCTION. The prohibitions of AS 37.10.085 do not apply to the issuance of revenue bonds or the use of proceeds from revenue bonds by a home rule or general law municipality.

ARTICLE 5. REFUNDING BONDS.

Sec. 29.47.300. AUTHORIZATION. If a municipality has outstanding general obligation or revenue bonds and the governing body determines that it would be financially advantageous to refund the bonds, the municipality may provide by ordinance or resolution for the issuance of negotiable or nonnegotiable

- (1) general obligation refunding bonds; or
- (2) revenue refunding bonds.

Sec. 29.47.310. EFFECT OF REFUNDING BONDS. The refunding bonds may take up and refund all or part of outstanding bonds at or before their maturity or redemption date. The governing body may include various series and issues of bonds in a single issue of refunding bonds.

Sec. 29.47.320. NO ELECTION REQUIRED. An election is not required to authorize the issuance and sale of refunding bonds. Their issuance may be authorized and all proceedings with reference to them prescribed by ordinance. However, when it is desirable to use general obligation bonds to refund a revenue bond issue, the governing body shall call an election on the question.

Sec. 29.47.330. PAYMENT OF REFUNDING BONDS. General obligation refunding bonds are payable according to AS 29.47.200. Revenue refunding bonds are payable according to AS 29.47.240.

Sec. 29.47.340. SALE OF REFUNDING BONDS. General obligation or revenue refunding bonds may, at the discretion of the governing body, be exchanged for the bonds being refunded, or may be sold at public or private sale. They may be issued and delivered at any time before the

Chapter 74

1 date of maturity or redemption of the refunded bonds.

2 ARTICLE 6. MISCELLANEOUS PROVISIONS.

3 Sec. 29.47.390. OTHER MUNICIPAL FINANCING. (a) A municipality
4 may authorize by ordinance or resolution the issuance of negotiable or
5 nonnegotiable revenue bonds to finance any project that serves a
6 public purpose, and the bonds shall be secured and payable from any
7 source except revenues, including tax revenue, of the municipality.

8 (b) Bonds issued under this section are not a debt or liability
9 of the municipality and do not create or constitute an indebtedness,
10 liability, or obligation of the municipality, nor do they constitute a
11 pledge of faith, credit, or taxing power of the municipality. Each
12 bond must contain on its face a statement that the municipality is not
13 obligated to pay the principal or the interest on the bonds except
14 from those sources indicated, and that neither the faith and credit
15 nor the taxing power of the municipality is pledged to the payment of
16 principal or interest on the bond.

17 (c) A municipality may

18 (1) loan the proceeds of the bonds issued under this sec-
19 tion;

20 (2) pledge, mortgage or assign money, leases, agreements,
21 property, or other assets of the project being financed;

22 (3) enter into covenants and agreements concerning bonds
23 issued under this section that the municipality determines to be de-
24 sirable;

25 (4) provide for any matter that affects the security of the
26 bonds.

27 (d) In this section

28 (1) "bonds" means bonds, notes, or other evidence of in-
29 debtedness;

(2) "project" includes commercial, manufacturing, agricultural, industrial, residential housing, recreation, tourism, and medical projects and programs.

Sec. 29.47.400. SALE. Bonds and notes issued under this chapter may be sold at either public or private sale by the municipality in the manner and at the price it determines.

Sec. 29.47.410. FORMS AND TERMS. The municipality may by ordinance or resolution fix the date, denominations, maturities, rate or rates of interest, redemption terms, registration privileges, manner of execution, signatures required, purchase price, manner of sale, and other requirements for issuing bonds or notes under this chapter. If an official whose signature appears on the bonds or coupons ceases to be an official before delivery of the bonds, the signature of the former official is valid as if the former official had remained in office until delivery.

Sec. 29.47.420. INTEREST RATE. The interest rate payable on a bond or note issued under this chapter shall be determined by the municipality and is not subject to the usury rate limitations of AS 45.45.010.

Sec. 29.47.430. REDEMPTION BEFORE MATURITY. A bond or note issued under this chapter may be made subject to redemption before maturity as stated in the authorization or in the bond or note.

Sec. 29.47.440. BOROUGH INDEBTEDNESS. (a) A borough may incur indebtedness

- (1) on an areawide basis for areawide functions; or
- (2) on a nonareawide basis for functions performed only in the borough area outside all cities; or
- (3) on a service area basis for functions performed only in a service area.

Chapter 74

1 (b) Payment of debt principal and interest as well as other
2 costs shall be derived from the area incurring the debt under (a)(2)
3 or (a)(3) of this section, except that the full faith and credit of
4 the entire borough may be pledged to guarantee payment of principal
5 and interest.

6 (c) If the bonded debt to be incurred by a borough is an area-
7 wide debt, the vote is areawide. If the full faith and credit of the
8 entire borough is pledged for the payment of the debt of the borough
9 area outside all cities or of a service area, an areawide election is
10 held and the proposition must pass both areawide and in the area that
11 will benefit from the improvement. If the bonded indebtedness to be
12 incurred is limited to the borough area outside all cities, the vote
13 is limited to voters outside all cities. If the indebtedness to be
14 incurred is limited to a service area, the vote is limited to voters
15 in the service area. Only the full faith and credit of the area
16 voting on the indebtedness is pledged for the payment of the debt.

17 (d) The indebtedness of a municipality reclassified under
18 AS 29.04.040 - 29.04.060 is not affected by reclassification. All
19 property in a municipality that is reclassified remains subject to
20 taxation to amortize bonded or other indebtedness affecting the muni-
21 cipality and authorized on the effective date of reclassification.

22 Sec. 29.47.450. SERVICE AREA DEBT. The indebtedness of a ser-
23 vice area acquired under AS 29.47.440 remains the indebtedness of the
24 area that incurred the debt, notwithstanding a subsequent court deter-
25 mination that the service area was not validly formed under law or by
26 virtue of a defect in the proceedings creating the service area. All
27 property in the service area remains subject to taxation to pay the
28 bonded indebtedness.

29 * Sec. 15. AS 29 is amended by adding a new chapter to read:

CHAPTER 55. MUNICIPAL PROGRAMS.

Sec. 29.55.010. CREATION OF LOCAL HISTORICAL DISTRICT COMMISSIONS. The governing body of a municipality may establish a local historical district commission or designate the planning commission or itself to serve as the historical district commission.

Sec. 29.55.020. ESTABLISHMENT OF HISTORICAL DISTRICTS. (a) In addition to existing municipal authority providing for the preservation, protection, and maintenance of historic sites, the local historical district commission, in consultation with the Historic Sites Advisory Committee in the Department of Natural Resources, may establish historical districts within the boundaries of the municipality.

(b) A historical district shall be a reasonably compact area of historical significance in which two or more structures important in state or national history, and related by physical proximity or historical association, are located. For purposes of this section, "structures important in state or national history" means properties recommended by historical district commissions that are listed in the National Register of Historic Places or are characteristic of the Russian-American period before October 18, 1867, the early territorial period before 1930, or early Native heritage, reflecting the indigenous characteristics of Native culture in Alaska. On recommendation of the governing body of a municipality and the Historic Sites Advisory Committee, the Department of Natural Resources may by regulation formulate additional criteria for the establishment of historical districts not inconsistent with this subsection.

(c) The establishment of a historical district under this section shall be consistent with any applicable comprehensive plan for the municipality.

* Sec. 16. AS 29 is amended by adding a new chapter to read:

CHAPTER 60. STATE PROGRAMS.

ARTICLE 1. MUNICIPAL TAX RESOURCE EQUALIZATION.

Sec. 29.60.010. STATE EQUALIZATION OF TAX RESOURCES FOR MUNICIPAL SERVICES. (a) During each fiscal year the department shall compute an equalization entitlement for municipal services provided by a taxing unit.

(b) The equalization entitlement computed for a taxing unit is based on the population, relative ability to generate revenue, and local tax burden of the taxing unit and is determined by the application of the formula

$$\text{Entitlement} = P \times R$$

where P = population, and

R = millage rate equivalent, determined by dividing the sum of the locally generated revenue of the taxing unit by one-tenth of one percent of the full and true value of assessed property of the taxing unit determined under AS 29.60.030(d); however, the per capita property value used under this subsection may not be less than 15 percent of the statewide average per capita full and true assessed property value.

(c) For purposes of this section, locally generated revenue

(1) includes

(A) the actual revenue derived from the levy and collection of local taxes in the taxing unit for municipal services during the preceding fiscal year of the taxing unit;

(B) motor vehicle payments received by the municipality during the preceding fiscal year under AS 28.10.431;

(C) revenue from fees, rentals, leases, penalties licenses or permits received during the preceding fiscal year by the municipality for a function or service over which it ha

control, including revenues derived from parks and recreation services, mass transit, offstreet parking, and garbage and solid waste disposal services;

(D) special assessments received during the preceding fiscal year; and

(E) payments received by a municipality from a utility that are in place of taxes levied and collected by the municipality;

(2) excludes

(A) revenue derived from the levy and collection of municipal taxes and appropriated for the operating expenses and debt service of utilities;

(B) revenue from interest earned on investments and from the sale and lease of land or equipment; and

(C) all other revenue from whatever service derived.

Sec. 29.60.020. DETERMINATION OF POPULATION. For purposes of AS 29.60.010 - 29.60.080, the population of a taxing unit shall be determined annually by the latest figures of the United States Bureau of the Census or other population data that in the judgment of the department is reliable.

Sec. 29.60.030. DETERMINATION OF MILLAGE RATE EQUIVALENT. (a) The department may require a municipality to return a certification, signed by the municipal treasurer or manager and the mayor, that provides an estimate of the locally generated revenue received by the municipality during the preceding fiscal year.

(b) By October 15 of each year, the department shall make an initial determination of the millage rate equivalent of each taxing unit to be used for computing and distributing equalization entitlements for the current fiscal year under AS 29.60.010 - 29.60.080. The

Chapter 74

1 department shall base the initial determination on the estimates in
2 the certification returned by a municipality under (a) of this sec-
3 tion.

4 (c) As early as possible, but not later than December 15 of each
5 year, the department shall make a final determination of the millage
6 rate equivalent of each taxing unit to use to compute and distribute
7 equalization entitlements under AS 29.60.010 - 29.60.080. The depart-
8 ment shall base the determination on audits, financial statements and
9 other financial reports prepared and submitted by a municipality. The
10 department shall adjust the locally generated revenue reported by a
11 municipality to exclude the municipal revenue claimed that does not
12 qualify for inclusion in or recognition as locally generated revenue
13 for municipal purposes under AS 29.60.010(c)(1). The adjustment shall
14 be made by deducting from total revenue claimed by the municipality
15 the amount of the department's estimate of revenue that is not recog-
16 nized for municipal purposes.

17 (d) The full and true assessed property value shall be deter-
18 mined by the department in the manner provided for the computation of
19 state aid to education under AS 14.17.140. When the determination of
20 locally generated revenue includes revenue of a utility received under
21 AS 29.60.010(c)(1)(E), the full and true assessed property value shall
22 include the computed assessed value of the utility, determined by
23 dividing the amount of the payment in place of taxes made by the
24 utility by the millage rate that would apply to the utility if the
25 utility were subject to levy and collection of taxes under AS 29.45.

26 (e) In addition to the computation for municipalities that levy
27 and collect a property tax, the department shall determine an esti-
28 mated full and true assessed property value under (d) of this section
29 for

(1) each municipality that is a school district and that does not levy and collect a property tax;

(2) each second class city with a population of 750 or more persons; however, a computation is not required under this paragraph more often than once during a period of three successive calendar years; and

(3) all other second class cities, by determining the average per capita full and true assessed property value of all cities having a population of less than 750 persons in which an assessment has been completed by a municipality or for which a determination is not made under (1) or (2) of this subsection.

(f) The department shall annually compute a statewide average per capita full and true assessed property value.

Sec. 29.60.040. REPORTS. 16 election districts used are those designated by the proclamation of
17 reapportionment and redistricting of December 7, 1961, and retained
18 for the house of representatives by proclamation of the governor
19 September 3, 1965.

11 (b) A grant shall be allotted in accordance with an agreement
12 made between the commissioner of commerce and economic development on
13 behalf of the state and the grantee. The agreement may include any
14 provision agreed upon by the parties and shall include in substance
15 the following provisions:

16 (1) estimates of reasonable costs of the study or project
17 as approved by the commissioner after consultation with the Department

(b) Within six months after the date of incorporation of a municipality that is incorporated after July 1, 1978, the director shall determine the entitlement of each municipality eligible to receive general grant land under (a) of this section and certify the entitlement to the municipality.

(c) This section is a continuation of the provisions of former AS 29.18.203 and does not grant additional entitlements to municipalities incorporated before January 1, 1986.

Sec. 29.65.040. STATUS OF ENTITLEMENTS. (a) After July 1, 1978, general grant land entitlements provided in former AS 29.18.201 and former AS 29.18.202 are vested property rights that must be

Chapter 74

1 fulfilled as provided in AS 29.65.050 or 29.65.080.

2 (b) General grant land entitlements provided by AS 29.65.030 are
3 property rights that vest on the date of incorporation of the municipi-
4 pality. The entitlement must be fulfilled as provided in AS 29.65.-
5 050.

6 (c) Land may be selected or nominated for selection by a municipi-
7 pality to satisfy a general grant land entitlement under former
8 AS 29.18.201 and 29.18.202 at any time before October 1, 1980. How-
9 ever, if a municipal selection or nomination or a part of a municipal
10 selection or nomination is rejected by the director, the municipality
11 may, not later than 90 days after receipt of the rejection, select
12 additional state land as necessary to satisfy its entitlement.

13 (d) Land may be selected by a municipality to satisfy a general
14 grant land entitlement under AS 29.65.030 at any time within one year
15 after the director certifies the entitlement to the municipality.

16 (e) The time limitations imposed by (c) and (d) of this section
17 for exercising a vested general grant land entitlement do not apply to

18 (1) the portion of an entitlement that cannot be satisfied
19 by that date because of a shortage of land suitable for residential,
20 commercial, and industrial purposes that is vacant, unappropriated,
21 unreserved land;

22 (2) payments for land deficiency under AS 29.65.080;

23 (3) the portion of an entitlement that cannot be satisfied
24 because the land selected by a municipality has been selected by a
25 party entitled to select land owned by the United States or the state;
26 or

27 (4) the portion of an entitlement that cannot be satisfied
28 because the land nominated for selection by the municipality is not
29 tentatively approved for patent to the state.

Sec. 29.65.050. FULFILLMENT OF LAND ENTITLEMENTS. (a) The acreage of each municipality's land selections for which patent has been issued before July 1, 1978, shall be credited toward fulfillment of the entitlement of that municipality.

(b) All approved selections under former AS 29.18.190 and 29.-18.200 for which patent has not been issued to a municipality on July 1, 1978, shall be reviewed by the director within nine months after July 1, 1978. Any approved selection of land that was vacant, unappropriated, or unreserved on the date of selection is valid as of the date of the approval under former AS 29.18.190 and 29.18.200, and a patent shall be issued to the municipality within three months after approval by the director of a plat of survey. The acreage shall be credited toward fulfillment of the municipality's entitlement. A municipality is not entitled to receive patent under this chapter to more than its entitlement determined under AS 29.65.010 - 29.65.030. Any prior approval by the director of municipal selections for land that was not vacant, unappropriated, or unreserved on the date of selection shall be rescinded, and patent may not be issued except when disposal to a third party by sale or lease has occurred. Transfers of land to municipalities under this chapter are subject to AS 38.05.321. Classification actions as reflected on the land status records of the Department of Natural Resources are determinative of land classification status for purposes of this chapter.

(c) The director shall approve each selection for patent within nine months of its selection by a municipality, and a patent shall be issued to the municipality for land selected in satisfaction of a general grant land entitlement vested under AS 29.65.010 - 29.65.030 within three months after approval by the director of a plat of survey.

Chapter 74

1 Sec. 29.65.060. SCHOOL AND MENTAL HEALTH LAND. (a) If an
2 entitlement determined under AS 29.65.010 or 29.65.020 results in a
3 per capita entitlement for the municipality of less than one and
4 one-half acre, the municipality may select vacant school or mental
5 health land in the municipality in partial fulfillment of its land
6 entitlement under this chapter. School or mental health land may be
7 selected notwithstanding the fact that this land is not unappropriated
8 and unreserved within the meaning of this chapter and under former
9 AS 29.18.190 and 29.18.200, but each selection of school or mental
10 health land by a municipality must be vacant, unappropriated, or
11 unreserved land as defined in this chapter, except that it need not be
12 general grant land.

13 (b) The acreage of school, university or mental health land, if
14 any, in a municipality may not be included in the determination of
15 entitlement under AS 29.65.010 or 29.65.020.

16 (c) Land conveyed under this section will be credited against a
17 municipality's remaining land entitlement under this chapter.

18 (d) Within six months after approval of a municipal selection of
19 school or mental health land, the director shall identify state
20 general grant land of approximately equal value to the land requested
21 by the municipality and shall propose the replacement land for the
22 concurrence of the appropriate board. If a proposal by the director
23 is rejected by the board, the director shall meet with the board as
24 often as necessary to determine the type and amount of equal value
25 replacement land that would be required to obtain the board's concur
26 rence, and shall propose the replacement land for consideration by th
27 board. The replacement land shall thereafter be managed for the pur
28 poses for which the land selected by the municipality was acquired b
29 the Territory and State of Alaska. *

(e) The notice provisions of AS 38.05.945 apply to the designation of other general grant land as school, university or mental health land in replacement of land selected under this section. The provisions of AS 38.50 do not apply to such designations under this section.

(f) For purposes of determining the per capita entitlement under (a) of this section, the population of a municipality shall be the population determined by the commissioner under former AS 43.18.010 for the program year beginning July 1, 1978, for a municipality whose entitlement was determined under former AS 29.18.201 or 29.18.202.

Sec. 29.65.070. SELECTION AND CONVEYANCE PROCEDURE. (a) If land selected by a municipality is unsurveyed at the time of approval, the director shall survey, or may approve the municipality's survey of, the exterior boundaries of an approved selection without interior subdivision, and shall issue patent in terms of the exterior boundary survey. The cost of the survey shall be borne by the municipality. If land selected by a municipality has been surveyed at the time of its selection, the boundaries shall conform to the public land subdivisions established by the approved survey.

(b) The director may approve municipal selections of land that have been tentatively approved or patented to the state by the federal government but may not issue patent to a municipality until the land has first been patented to the state. After approval of a selection by the director, but before patent to a municipality, the municipality may execute conditional leases and make conditional sales only with the consent of the director. Conditional sales and conditional leases made before July 1, 1978, do not require the consent of the director.

(c) Nothing in this chapter affects a valid existing claim, location, or entry under the laws of the state or the United States

Chapter 74

1 whether for homestead, mineral, right-of-way, or other purposes.
2 Nothing in this chapter affects the rights of an owner, claimant,
3 locater, or entryman to the full use and enjoyment of the land so
4 occupied.

5 Sec. 29.65.080. PAYMENT FOR LAND DEFICIENCY. (a) The Alaska
6 municipal land account is established in the general fund for the
7 following purposes:

8 (1) providing payment to the boroughs and unified muni-
9 cipalities designated in AS 29.65.010 for a deficiency of land phys-
10 ically suitable for residential, commercial, or industrial purposes;
11 or

12 (2) providing payment to the boroughs and unified muni-
13 cipalities designated in AS 29.65.010 for certain general grant lands
14 selected by the state and conveyed to a Native corporation under the
15 provisions of the Alaska Native Claims Settlement Act.

16 (b) A municipality shall receive payment for its land deficiency
17 from the municipal land account. A municipality is eligible to re-
18 ceive payment for land deficiency if, after July 1, 1980, the amount
19 of land selected by a municipality that is physically suitable for
20 residential, commercial, or industrial purposes amounts to less than
21 one-third acre per capita. Any entitlement under AS 29.65.010 that is
22 less than one-third acre per capita will, for the purposes of this
23 subsection, be considered a land deficiency. An unselected remaining
24 entitlement will, for the purpose of deficiency payment under this
25 subsection, be considered as land physically suitable for residential,
26 commercial, or industrial purposes. A municipality eligible under
27 this subsection is entitled to receive a payment for land deficiency
28 equal to \$1,000 per acre for a number of acres equal to the difference
29 between one-third of the population of the municipality less the

number of acres physically suitable for residential, commercial or industrial purposes that has been selected by the municipality. For the purpose of this subsection, the population of the municipality shall be the population determined in accordance with AS 29.65.060(f). No payment may be made to a municipality under this subsection in excess of \$9,000,000.

(c) If a municipality selected vacant, unappropriated, unreserved land on or before December 18, 1971, to which the state had received tentative approval or patent, and that land was also selected by a Native corporation organized under the Alaska Native Claims Settlement Act (P.L. 92-203), and title to that land is ultimately vested in that Native corporation, the municipality may, at its option, request payment for land deficiency from the municipal land account. The acceptance of payment under this subsection by a municipality constitutes a relinquishment of any other right, title, or claim to the land by that municipality. The total payment to a municipality under this subsection may not exceed \$1,000 per acre to a maximum of 8,000 acres.

(d) The governor shall annually submit to the legislature a request for an appropriation to the municipal land account for the municipalities that have elected to receive payments under (b) or (c) of this section. The request for appropriation shall distinguish between amounts necessary to make payments for land deficiency under (b) of this section and those required to make payments for land deficiency under (c) of this section.

(e) For purposes of fulfilling entitlements under this section, the legislature is authorized to appropriate

(1) not more than \$4,000,000 per fiscal year, and not more than \$12,000,000 in total, for the purpose of paying entitlements

Chapter 74

1 under (b) of this section;

2 (2) not more than \$1,000,000 per fiscal year, and not more
3 than \$8,000,000 in total, for the purpose of paying entitlements under
4 (c) of this section.

5 (f) If an annual appropriation is not sufficient to meet the
6 amount due to all municipalities that have elected to accept payment
7 for land deficiency under (b) or (c) of this section, the governing
8 body shall apportion the appropriation among the municipalities in propor-
9 tion to the payment calculated for each municipality for that year.
10 When a distribution of payments is made under (c) of this section, the
11 remaining entitlement of a municipality to which payment is made shall
12 be reduced in an amount equal to the number of acres for which payment
13 was received. An appropriation made under this section is in addition
14 to other grants and entitlements authorized to eligible municipali-
15 ties.

16 (g) Payments authorized by this section may not be made to
17 a municipality eligible for an entitlement under AS 29.65.020 or 29.65
18 030.

19 (h) Payments made under this section shall be used by a mun-
20 icipality that levies property taxes to reduce the levy in proportion
21 to the amount of state payments received by the municipality for
22 given fiscal year. The governing body of each municipality shall
23 furnish a notice with the tax statement describing the effect of
24 property tax levies of payments received under this section.

25 Sec. 29.65.090. AUTHORIZATION FOR LAND EXCHANGES. The director
26 and a municipality are authorized to exchange land or interests in
27 land when it is in the public interest. Land or interests in land
28 exchanged under this section must be of approximately equal value,
29 including the nonmonetary value of public benefits. Excha

procedures shall comply with applicable law and municipal ordinances. The notice and review provisions of AS 38.05.945 apply to exchanges of land under this section. The provisions of AS 38.50 do not apply to exchanges of land under this section.

Sec. 29.65.100. PUBLIC PURPOSE AND EXPANSION NEEDS. (a) Consistent with the best interests of the state, if a municipality does not contain and cannot reasonably acquire sufficient nonfederal land within its boundaries to meet its legitimate needs for public or private settlement or development, it is the policy of the state to select federal land reasonably necessary to meet the needs of the municipality and to make the land selected available to the municipality under AS 38.05.810 or (b) of this section.

(b) The state may contract with a municipality to act as its agent in an auction of state land under applicable statutes. When a municipality acts as the agent of the state in an auction, the municipality may retain from the proceeds of the auction the capital and other expenses that the director determines to be necessary and reasonable.

(c) Nothing in this chapter limits or impairs the authority of the director to transfer land to municipalities, without limit or consideration, for public purposes in accordance with AS 38.05.810. If there is a remaining entitlement of the municipality, land transferred under AS 38.05.810 shall be credited toward fulfillment of the entitlement.

Sec. 29.65.110. ELECTION OF BENEFITS. (a) A municipality that on July 1, 1978, was engaged in litigation, or that becomes engaged in litigation, regarding a claim to state land under former AS 29.18.190 or 29.18.200 shall elect either to obtain the benefits provided in this chapter or to pursue the litigation and waive any claim to

Chapter 74

1 entitlement under this chapter. An election shall be made by filing
2 motion for dismissal with prejudice in the court in which the litiga
3 tion is pending. If the claim involves a municipality identified i
4 AS 29.65.010, the municipality shall file its motion for dismissa
5 within 60 days after July 1, 1978. If a claim involves a city eligi
6 ble to receive an entitlement under AS 29.65.020, the city shall fil
7 its motion for dismissal within 60 days after receiving the certifi
8 cate of entitlement provided by the director under AS 29.65.020
9 Failure of the municipality to file a motion for dismissal during th
10 time period provided in this subsection is considered a waiver o
11 entitlement under this chapter.

12 (b) A municipality that was eligible to file land selection
13 under former AS 29.18.190 or 29.18.200 and that does not enter int
14 litigation over a claim to rights under those sections before th
15 expiration of the time period within which it could make an electic
16 under (a) of this section is considered to have elected to receiv
17 benefits under this chapter and to have waived any claim that migh
18 have been raised under former AS 29.18.190 or 29.18.200.

19 (c) The provisions of this chapter do not affect the rights of
20 party to litigation regarding former AS 29.18.190, 29.18.200
21 29.18.420 maintained by a municipality that has elected not to obta
22 the benefits provided by this chapter.

23 Sec. 29.65.120. ADMINISTRATION. The commissioner of natur
24 resources may adopt regulations in accordance with the Administrati
25 Procedure Act (AS 44.62) necessary to carry out the purposes of th
26 chapter.
