AN ACT

Relating to grants for water quality enhancement programs;  
and providing for an effective date.

\* Section 1. AS 46.03.030(c) is amended to read:

(c) There is a water quality enhancement, water supply, sewerage, and solid waste facilities fund created in the department to carry out the purposes of this section.

\* Sec. 2. AS 46.03.030 is amended by adding a new subsection to read:

(f) The department may make a grant to a municipality for the eligible costs of programs and facilities for enhancing or protecting the water quality of streams, lakes, waterways, and other bodies of water if the costs are incurred after July 1, 1986. The grant may not exceed 50 percent of the eligible costs unless the department finds that the program or facility is needed to avert an immediate hazard to health, in which case, the grant may be up to 100 percent of the eligible costs. Eligible costs are those not financed by the federal government and include costs of testing, research, education, enforcement, and clean-up programs for the purpose of discovering and solving existing or potential water pollution problems. A grant may be made under this subsection only for a water enhancement program approved by the department.

\* Sec. 3. This Act takes effect July 1, 1986.
