Approved by the Governor: May 29, 1987
Actual Effective Date: May 30, 1987

AN ACT

Relating to the authority of the commissioner of natural resources over shell eggs; and providing for an effective date.

* Section 1. AS 03.05.010(a) is amended to read:

(a) The commissioner of natural resources shall

(1) direct, administer, and supervise promotional and experimental work, extension services, and agricultural projects for the purpose of promoting and developing the agricultural industry within the state including such fields as horticulture, dairying, cattle raising, fur farming, grain production, vegetable production, and development of other agricultural products;

(2) procure and preserve all information pertaining to the development of the agricultural industry and disseminate that information to the public;

(3) assist prospective settlers and others desiring to engage in the agricultural industry in the state with information concerning areas suitable for agriculture and other activities and programs essential to the development of the agricultural industry in the state;

(4) review the marketing, financing, and development of agricultural products inside the state including transportation, with special emphasis upon local production, and negotiate for the marketing of agricultural products of the state with federal and state

Chapter 13

1 agencies operating in the state; and

2 (5) regulate and control the entry into the state and the
3 transportation, sale, or use inside the state of plants, seeds, vege-
4 tables, shell eggs, fruits and berries, nursery stock, animal feeds,
5 remedies and mineral supplements, fertilizers, and agricultural chemi-
6 cals in order to prevent the spread of pests, diseases, or toxic
7 substances injurious to the public interest, and to protect the ag-
8 ricultural industry against fraud, deception, and misrepresentation;
9 in this connection the commissioner may require registration, inspec-
10 tion, and testing, and establish procedures and fees.

11 * Sec. 2. This Act takes effect immediately under AS 01.10.070(c).
