Relating to a Copper River toll road.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS there is currently no road to Cordova; and

WHEREAS the residents of Cordova very much want to be connected by road to other points in the state; and

WHEREAS a road to Cordova would stimulate economic development and encourage tourism in the area; and

WHEREAS the availability of both state and federal funding for road construction has decreased; and

WHEREAS the state has authority under AS 37.15.720 to construct and maintain toll roads;

BE IT RESOLVED by the Alaska State Legislature that the Governor is respectfully requested to direct the Department of Transportation and Public Facilities, subject to conditions equivalent to those applicable to the Knik Arm Crossing under AS 37.15.730(1) - (3), to construct a toll road along the Copper River via Chitina to Cordova.
