AN ACT

Relating to warning signs about the effects of alcohol consumed during pregnancy.

* Section 1. AS 04.21.065(b) is amended to read:

(b) A warning sign required by (a) of this section must be at least 11 inches by 14 inches. The sign must read, in lettering at least one-half inch high and in contrasting colors, "WARNING: Drinking alcoholic beverages such as beer, wine, wine coolers, and distilled spirits during pregnancy can cause birth defects." The license or permit holder shall display the signs in a manner that would [WILL] make them conspicuous to a person who will be purchasing or consuming alcoholic beverages on the licensed or designated premises.
