

**CS FOR HOUSE BILL NO. 237(JUD) am**

**IN THE LEGISLATURE OF THE STATE OF ALASKA**

**NINETEENTH LEGISLATURE - FIRST SESSION**

**BY THE HOUSE JUDICIARY COMMITTEE**

**Amended: 4/8/95**

**Offered: 4/5/95**

**Sponsor(s): REPRESENTATIVES MULDER BY REQUEST, Porter, Foster**

**A BILL**

**FOR AN ACT ENTITLED**

1 **"An Act relating to workers' compensation insurance rate filings; to second**  
2 **independent medical evaluations for workers' compensation claims; to confidentiality**  
3 **of workers' compensation medical and rehabilitation information; to immunity for**  
4 **third-party design professionals from civil actions by recipients of workers'**  
5 **compensation benefits; to workers' compensation death benefits; to computation of**  
6 **workers' compensation benefits; to penalties for fraudulent acts related to workers'**  
7 **compensation; to immunity for employer workplace safety inspections related to**  
8 **workers' compensation insurance; and providing for an effective date."**

9 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

10 **\* Section 1. FINDINGS AND PURPOSE AS TO SECTION 8. (a) The legislature finds**  
11 **that**  
12 **(1) efficiency in calculating workers' compensation benefits does not require**  
13 **unfairness;**

1 (2) a quick, efficient, and predictable scheme for determining a worker's gross  
2 weekly earnings can be formulated without denying employees their workers' compensation  
3 benefits commensurate with their actual losses;

4 (3) many workers in the state are only seasonally employed in the construction,  
5 tourism, fishing, and education industries;

6 (4) many workers in the state choose a subsistence lifestyle and are only  
7 occasionally, sporadically, or on a part-time basis members of the labor force;

8 (5) many other states avoid the need for an alternative open-ended determination  
9 of an employee's future earning capacity by focusing on the employee's wages at the time of  
10 injury and converting, by formula, the employee's rate of pay into a weekly wage;

11 (6) benefits for permanent total disability can last for a substantial period into  
12 the future and serve a different purpose than benefits for temporary partial or temporary total  
13 disability.

14 (b) It is the purpose of sec. 8 of this Act to

15 (1) redefine the calculation of an employee's spendable weekly wage used to  
16 determine workers' compensation benefits in a manner that complies with the decision of the  
17 Alaska Supreme Court in *Gilmore v. Alaska Workers' Compensation Board*, 882 P.2d 922  
18 (Alaska 1994);

19 (2) fix a fair approximation of an employee's probable future earning capacity  
20 during the period of temporary partial or temporary total disability without resorting to an open-  
21 ended determination of actual future earning capacity;

22 (3) avoid uncertainty and litigation for injured workers and their employers;

23 (4) allow an alternative open-ended determination of actual future earnings for  
24 those employees who suffer a permanent total disability and whose wages cannot otherwise be  
25 fairly calculated.

26 \* **Sec. 2.** AS 21.39 is amended by adding a new section to read:

27 Sec. 21.39.045. **WORKERS' COMPENSATION RATE FILINGS.** (a)

28 Notwithstanding any other provision of this chapter, a rate filing for workers'  
29 compensation insurance that classifies a risk in the construction industry may not contain  
30 or impose a higher premium rate if the risk upon which the higher rate filing is based  
31 consists only of a higher wage rate paid by the employer.

32 (b) The director shall accept a rate filing for workers' compensation insurance

1 if the filing includes a reasonable method of recognizing differences in rates of pay and  
2 the method uses a credit scale that begins at an amount equal to the average weekly  
3 wage in this state as determined by the Department of Labor.

4 \* **Sec. 3.** AS 23.30 is amended by adding a new section to read:

5 Sec. 23.30.017. IMMUNITY FOR THIRD-PARTY DESIGN PROFESSIONAL.

6 (a) A person entitled to compensation under this chapter as a result of injury occurring  
7 at the job site of a construction project may not bring a civil action to recover damages  
8 for that injury against a design professional or an employee of a design professional who  
9 provides professional services for the construction project.

10 (b) This section does not apply to a person receiving compensation under this  
11 chapter who is injured at a job site at which the design professional or employee of the  
12 design professional

13 (1) specifically assumed responsibility for job site safety practices under  
14 a contract;

15 (2) actually exercises control over the premises where the injury  
16 occurred; or

17 (3) prepared design plans or specifications, the plans or specifications  
18 contributed to the injury, and the plans or specifications were prepared negligently,  
19 recklessly, or with intentional misconduct.

20 (c) In this section,

21 (1) "design professional" means a person licensed under AS 08.48 as an  
22 architect, engineer, or land surveyor;

23 (2) "professional services" means services provided by a design  
24 professional that are within the scope of services for which the design professional is  
25 licensed.

26 \* **Sec. 4.** AS 23.30.095(k) is amended to read:

27 (k) In the event of a medical dispute regarding determinations of causation,  
28 medical stability, ability to enter a reemployment plan, degree of impairment, functional  
29 capacity, the amount and efficacy of the continuance of or necessity of treatment, or  
30 compensability between the employee's attending physician and the employer's  
31 independent medical evaluation, **the board may require that** a second independent  
32 medical evaluation [SHALL] be conducted by a physician or physicians selected by the

1 board from a list established and maintained by the board. The cost of an [THE]  
2 examination and medical report shall be paid by the employer. The report of an [THE]  
3 independent medical examiner shall be furnished to the board and to the parties within  
4 14 days after the examination is concluded. A person may not seek damages from an  
5 independent medical examiner caused by the rendering of an opinion or providing  
6 testimony under this subsection, except in the event of fraud or gross incompetence.

7 \* **Sec. 5.** AS 23.30.107 is amended to read:

8 Sec. 23.30.107. RELEASE OF INFORMATION. Upon request, an employee  
9 shall provide written authority to the employer, carrier, rehabilitation provider, or  
10 rehabilitation administrator to obtain medical and rehabilitation information relative to  
11 the employee's injury. The medical and rehabilitation information is otherwise  
12 confidential and is not a public record under AS 09.25.

13 \* **Sec. 6.** AS 23.30.175(b) is amended to read:

14 (b) The following rules apply to benefits payable to recipients not residing in the  
15 state at the time compensation benefits are payable:

16 (1) the weekly rate of compensation shall be calculated by multiplying  
17 the recipient's weekly compensation rate calculated under AS 23.30.180, 23.30.185,  
18 23.30.190, 23.30.200, or 23.30.215, by the ratio of the cost of living of the area in which  
19 the recipient resides to the cost of living in this state;

20 (2) the calculation required by (1) of this subsection does not apply if the  
21 recipient is absent from the state for medical or rehabilitation services not reasonably  
22 available in the state;

23 (3) if the gross weekly earnings of the recipient and the resulting  
24 compensation rate are determined under AS 23.30.220(a)(6), (7), or (10)  
25 [AS 23.30.220(a)(2)], the calculation required by this subsection applies only to the  
26 portion of the recipient's weekly compensation rate attributable to wages earned in the  
27 state;

28 (4) application of this subsection may not reduce the weekly  
29 compensation rate to less than \$154 a week, except as provided in (a) of this section.

30 \* **Sec. 7.** AS 23.30.215(f) is amended to read:

31 (f) Except as provided in (g) of this section, the death benefit payable to a  
32 widow or widower shall

1 [(1) FIVE YEARS FOLLOWING DATE OF DEATH OF THE  
2 DECEASED EMPLOYEE BE REDUCED TO 66 2/3 PERCENT OF THE BENEFIT  
3 BEING THEN PAID;

4 (2) EIGHT YEARS FOLLOWING DATE OF DEATH OF THE  
5 DECEASED EMPLOYEE BE REDUCED TO 50 PERCENT OF THE BENEFIT  
6 BEING THEN PAID;

7 (3)] terminate 10 years following death of the deceased employee.

8 \* **Sec. 8.** AS 23.30.220(a) is repealed and reenacted to read:

9 (a) Computation of compensation under this chapter shall be on the basis of an  
10 employee's spendable weekly wage at the time of injury. An employee's spendable  
11 weekly wage is the employee's gross weekly earnings minus payroll tax deductions. An  
12 employee's gross weekly earnings shall be calculated as follows:

13 (1) if at the time of injury the employee's earnings are calculated by the  
14 week, the weekly amount is the employee's gross weekly earnings;

15 (2) if at the time of injury the employee's earnings are calculated by the  
16 month, the employee's gross weekly earnings are the monthly earnings multiplied by 12  
17 and divided by 52;

18 (3) if at the time of injury the employee's earnings are calculated by the  
19 year, the employee's gross weekly earnings are the yearly earnings divided by 52;

20 (4) if at the time of injury the

21 (A) employee's earnings are calculated by the day, hour, or by the  
22 output of the employee, the employee's gross weekly earnings are the employee's  
23 earnings most favorable to the employee computed by dividing by 13 the  
24 employee's earnings, not including overtime or premium pay, earned during any  
25 period of 13 consecutive calendar weeks within the 52 weeks immediately  
26 preceding the injury;

27 (B) employee has been employed for less than 13 calendar weeks  
28 immediately preceding the injury, then, notwithstanding (1) - (3) of this  
29 subsection and (A) of this paragraph, the employee's gross weekly earnings are  
30 computed by determining the amount that the employee would have earned, not  
31 including overtime or premium pay, had the employee been employed by the  
32 employer for 13 calendar weeks immediately preceding the injury and dividing

1                   this sum by 13;

2                   (5) if at the time of injury the employee's earnings have not been fixed  
3 or cannot be ascertained, the employee's earnings for the purpose of calculating  
4 compensation are the usual wage for similar services when the services are rendered by  
5 paid employees;

6                   (6) if at the time of injury the employment is exclusively seasonal or  
7 temporary, then, notwithstanding (1) - (5) of this subsection, the gross weekly earnings  
8 are 1/50th of the total wages that the employee has earned from all occupations during  
9 the calendar year immediately preceding the injury;

10                  (7) when the employee is working under concurrent contracts with two  
11 or more employers and the employer liable for compensation has knowledge of the dual  
12 employment before the injury, the employee's earnings from all employers is considered  
13 as if earned from the employer liable for compensation;

14                  (8) if an employee when injured is a minor, an apprentice, or a trainee  
15 in a formal training program, as determined by the board, whose wages under normal  
16 conditions would increase during the period of disability, the projected increase may be  
17 considered by the board in computing the gross weekly earnings of the employee;

18                  (9) if the employee is injured while performing duties as a volunteer  
19 ambulance attendant, volunteer police officer, or volunteer fire fighter, then,  
20 notwithstanding (1) - (6) of this subsection, the gross weekly earnings for calculating  
21 compensation shall be the minimum gross weekly earnings paid a full-time ambulance  
22 attendant, police officer, or fire fighter employed in the political subdivision where the  
23 injury occurred, or, if the political subdivision has no full-time ambulance attendants,  
24 police officers, or fire fighters, at a reasonable figure previously set by the political  
25 subdivision to make this determination, but in no case may the gross weekly earnings for  
26 calculating compensation be less than the minimum wage computed on the basis of 40  
27 hours work per week;

28                  (10) if an employee is entitled to compensation under AS 23.30.180 and  
29 the board determines that calculation of the employee's gross weekly earnings under (1) -  
30 (7) of this subsection does not fairly reflect the employee's earnings during the period  
31 of disability, the board shall determine gross weekly earnings by considering the nature  
32 of the employee's work, work history, and resulting disability, but compensation

1 calculated under this paragraph may not exceed the employee's gross weekly earnings  
2 at the time of injury.

3 \* **Sec. 9.** AS 23.30.220 is amended by adding a new subsection to read:

4 (c) In this section,

5 (1) "seasonal work" means employment that is not intended to continue  
6 through an entire calendar year, but recurs on an annual basis;

7 (2) "temporary work" means employment that is not permanent, ends  
8 upon completion of the task, job, or contract, and ends within six months from the date  
9 of injury.

10 \* **Sec. 10.** AS 23.30.250 is repealed and reenacted to read:

22 (b) If the board, after a hearing, finds that a person has obtained compensation,  
23 medical treatment, or another benefit provided under this chapter by knowingly making  
24 a false or misleading statement or representation for the purpose of obtaining that benefit,  
25 the board shall order that person to make full reimbursement of the cost of all benefits  
26 obtained. Upon entry of an order authorized under this subsection, the board shall also  
27 order that person to pay all reasonable costs and attorney fees incurred by the employer  
28 and the employer's carrier in obtaining an order under this section and in defending any  
29 claim made for benefits under this chapter. If a person fails to comply with an order of  
30 the board requiring reimbursement of compensation and payment of costs and attorney  
31 fees, the employer may declare the person in default and proceed to collect any sum due  
32 as provided under AS 23.30.170(b) and (c).

4 for an injury to an employee of that employer resulting from an act or omission in  
5 performing or failing to perform a loss control service, a workplace safety inspection, or  
6 a safety advisory service provided in connection with an employer's workers'
