7 opportunity for businesses in the state to grow and expand;

8 (2) the state needs to examine its purchasing practices in order to ensure that  
9 state agencies support businesses in the state by making every reasonable effort to identify  
10 services available in the state and to foster bidding by local and resident businesses.

11 (b) The legislature declares that the purpose of this Act is to foster a procurement  
12 process where businesses in the state obtain a fair proportion of the state's total procurement  
13 contracts.
