A RESOLUTION

1 Creating the Long Range Financial Planning Commission.

2 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

3 WHEREAS state spending has exceeded recurring revenue to the state; and

4 WHEREAS the state must eliminate the fiscal gap; and

5 WHEREAS the state is currently forced to deal with an unpredictable and declining
6 revenue stream; and

7 WHEREAS the state must find a means of stabilizing revenue and expenditures at a
8 sustainable level; and

9 WHEREAS the state's system of budgeting and spending must be analyzed and
10 reevaluated by the legislature; and

11 WHEREAS the citizens of the state should have an opportunity to consider these
12 topics, offer comments, and participate in developing a long-range financial plan for the state;
13 and

14 WHEREAS it would be beneficial to the state and its citizens to implement a long-
15 range financial plan to promote economic stability by diversifying the state's economy and
16 lessening dependence on oil revenue;

1 **BE IT RESOLVED** that the Alaska State Legislature establishes the Long Range
2 Financial Planning Commission in order to develop and recommend to the governor and the
3 legislature a long-range financial plan for the state; and be it

4 **FURTHER RESOLVED** that the commission shall consist of the following voting
5 members:

6 (1) nine members of the public, not to include members of the legislative,
7 executive, or judicial branches, appointed by unanimous agreement of the Speaker of the
8 House of Representatives, the President of the Senate, and the Governor;

23 **FURTHER RESOLVED** that the commission shall

24 (1) review and evaluate state fiscal policy and strategy recommendations and
25 assumptions from reports and publications from similar efforts in the past made by the
26 executive branch, the legislative branch, the University of Alaska, nonprofit organizations, and
27 private individuals and organizations;

28 (2) identify and evaluate all current state income sources and assets, including
29 recurring revenue, reserves, physical resources, and investments;

1 (3) identify and prioritize systemic changes to stabilize the state's revenue
2 stream;

3 (4) identify and prioritize major reductions in state expenditures, to include
4 formula and nonformula programs, and to include proposed consolidation, transfer, or
5 elimination of governmental services or programs;

6 (5) evaluate forward funding of the budget;

7 (6) identify and prioritize new sources of revenue;

8 (7) project a sustainable long-range financial plan for the next three years, five
9 years, and 10 years, based on a stable revenue stream;

10 (8) evaluate constitutional, statutory, and regulatory language relating to the
11 budget process and recommend changes;

12 (9) consider the division of responsibility for providing services and raising
13 revenue between the state and local governments and evaluate the effect of the long-range
14 financial plan on local governments;

15 (10) submit a preliminary report to the Governor and the Legislature by
16 July 15, 1995;

17 (11) disseminate information and solicit public comment;

18 (12) submit a final report to the Governor and the Legislature by October 1,
19 1995, recommending a long-range financial plan for the state, including specific actions and
20 legislation needed to implement and monitor the plan; and be it

21 **FURTHER RESOLVED** that the commission is authorized to begin work immediately
22 upon the appointment of its full membership or March 15, 1995, whichever date is earlier, and
