HB 212(title am)

Chapter No.

86

AN ACT

Relating to determination of an established village for purposes of regulating the sale, use, and possession of alcoholic beverages; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

Approved by the Governor: June 13, 1997

Actual Effective Date: July 1, 1997

AN ACT

1 Relating to determination of an established village for purposes of regulating the sale, use, and
2 possession of alcoholic beverages; and providing for an effective date.

3

4 * Section 1. AS 04.11 is amended by adding a new section to read:

5 **Sec. 04.11.508. Establishment of perimeter of established village.** (a)

6 Except as provided under (b) and (c) of this section, for purposes of AS 04.11.491,
7 04.11.497, and 04.11.503, the perimeter of an established village is a circle around the
8 established village that includes an area within a five-mile radius of the post office of
9 the established village. If the established village does not have a post office, the
10 perimeter of an established village is a circle around the established village that
11 includes an area within a five-mile radius of another site selected by the local
12 governing body or by the board if the established village does not have a local
13 governing body.

Chapter 86

1 (b) If the perimeter of an established village determined under (a) of this
2 section includes any area that is within a municipality or within the perimeter of
3 another established village, the perimeter described under (a) of this section is limited
4 to an area that includes only the established village.

5 (c) If the board determines that the perimeter of an established village as
6 provided under (a) and (b) of this section does not accurately reflect the perimeter of
7 the established village, the board may establish the perimeter of the established village
8 for purposes of applying a local option selected under this chapter.

9 * **Sec. 2.** This Act takes effect July 1, 1997.
