**IN THE LEGISLATURE OF THE STATE OF ALASKA**

**TWENTIETH LEGISLATURE - SECOND SESSION**

**BY THE HOUSE LABOR AND COMMERCE COMMITTEE**

**Offered: 2/9/98**

**Referred: State Affairs, Finance**

**Sponsor(s): HOUSE RULES COMMITTEE BY REQUEST OF THE GOVERNOR**

**A BILL**

**FOR AN ACT ENTITLED**

**1 "An Act relating to a small business development tax credit under the Alaska  
2 Net Income Tax Act; and providing for an effective date."**

**3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

**4 \* Section 1. PURPOSE.** (a) The legislature finds that affiliated corporations with a  
5 common corporate ownership, as well as large nonaffiliated corporations, possess advantages  
6 not available to small business corporations that do not share a common corporate ownership  
7 with other corporations. These advantages include economies of scale and management, as  
8 well as easier access to investment capital and favorable interest rates. Therefore, affiliated  
9 corporations and large corporations have a competitive advantage over these small business  
10 corporations with respect to making investments.

**11** (b) In order to allow small businesses to compete more effectively and to induce  
**12** incremental investment from the small business sector that will have a multiplier effect on the  
**13** economy, producing more jobs and stimulating other businesses, a limited tax credit under the  
**14** Alaska Net Income Tax Act for investments in new property by eligible small business

1 corporations is desirable.

2 \* **Sec. 2.** AS 43.20 is amended by adding a new section to article 1 to read:

3 **Sec. 43.20.047. Small business development tax credit.** (a) A taxpayer with  
4 a monthly average of fewer than 50 employees that is not a member of an affiliated  
5 group of two or more corporations as defined in AS 43.20.073(g)(2) may claim a small  
6 business development tax credit of 10 percent of the first \$100,000 of qualified  
7 investment in new property first placed into service exclusively in the state in a tax  
8 year beginning after December 31, 1997, but before January 1, 2001.

9 (b) The tax credit allowed under this section

10 (1) may not exceed 50 percent of the taxpayer's tax liability under this  
11 chapter; and

12 (2) shall be taken before all other credits allowed under this title.

13 (c) An unused tax credit under this section may be carried forward and applied  
14 first against the tax liability for the following two tax years.

15 (d) If, before the close of three years after the last day of the tax year for  
16 which a credit was claimed, a taxpayer disposes of or removes from the state the  
17 property for which the taxpayer had claimed a credit under this section, the taxpayer's  
18 tax liability in the tax year of the disposal or removal of the property is increased by  
19 a percentage of the credit claimed as follows:

20 (1) 100 percent if the property is disposed of or removed

21 (A) in the same tax year for which the credit is claimed; or

22 (B) within the first six months of the following tax year;

23 (2) 75 percent if the property is disposed of or removed within six  
24 months after the close of the period described in (1)(B) of this subsection;

25 (3) 50 percent if the property is disposed of or removed within  
26 12 months after the close of the period described in (2) of this subsection;

27 (4) 25 percent if the property is disposed of or removed within  
28 12 months after the close of the period described in (3) of this subsection.

29 (e) For purposes of (d) of this section, property is not considered disposed of  
30 or removed by reason of a change in the form of business of the taxpayer if the  
31 property is retained in the business of the taxpayer.

1 (f) A credit shall be allowed under this section regardless of whether the  
2 taxpayer has made an election to expense the qualified investment in the property for  
3 federal income tax purposes. Nothing in this subsection affects the tax basis of the  
4 property under this chapter. Except as otherwise provided in this chapter, the tax basis  
5 of the property under this chapter shall follow the federal tax basis of the property.

6 (g) Qualified investment upon which a credit is claimed under this section may  
7 not be considered for any other tax credit under this title.

8 (h) For the purposes of (a) of this section, a taxpayer's monthly average  
9 number of employees is determined based on the taxpayer's employment statistics as  
10 reported to the Department of Labor under AS 23.20 and regulations adopted under  
11 that chapter for

12 (1) the calendar year preceding the year in which the credit under this  
13 section is initially claimed; or

14 (2) the first quarter of the calendar year in which the credit under this  
15 section is initially claimed if the taxpayer did not report employment statistics for the  
16 calendar year described in (1) of this subsection.

17 (i) A taxpayer may not claim the tax credit allowed under this section if the  
18 taxpayer is in arrears in the payment of contributions under AS 23.20 or a tax under  
19 this title. For purposes of this subsection, a taxpayer is not in arrears if the  
20 contribution or tax is under administrative or judicial appeal.

21 (j) In this section,

22 (1) "employee" means an individual in employment as described in  
23 AS 23.20.525 and 23.20.526;

24 (2) "exclusively in the state" means all use of the property is in the  
25 state;

26 (3) "first placed into service" means the moment when property is first  
27 used for its intended purpose;

28 (4) "new property" means property whose original use commences with  
29 the taxpayer and does not include property first used by another person;

30 (5) "qualified investment" means an investment cost in depreciable  
31 tangible personal property for exclusive business use having a useful life of three years

1 or more but does not include an investment cost in motor vehicles, aircraft, watercraft,  
2 leased property, or property to be permanently attached or incorporated into real  
3 property;

4 (6) "tax liability" means the liability for taxes under this chapter  
5 calculated before credits allowed under this chapter are taken;

6 (7) "useful life" means the useful life of the personal property that is  
7 or would be applicable for the purposes of depreciation.

8 \* **Sec. 3.** AS 43.20.047 is repealed.
