TWENTIETH LEGISLATURE - FIRST SESSION

BY THE HOUSE TRANSPORTATION COMMITTEE

Introduced: 3/26/97

A RESOLUTION

1 **Relating to Federal Aviation Administration approval of installations of tundra tires**
2 **on aircraft.**

3 **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

4 **WHEREAS**, after January 21, 1997, the Federal Aviation Administration no longer
5 allows aviation safety inspectors to issue field approvals for installation of tundra tires on
6 aircraft; and

7 **WHEREAS** persons who wish to install tundra tires on their aircraft must now contact
8 an aircraft certification office to obtain approval for the installation of tundra tires; and

9 **WHEREAS** tests conducted by the Federal Aviation Administration demonstrated that
10 the installation of tundra tires on aircraft had either negligible effects or acceptable effects on
11 aircraft handling and stall characteristics; and

12 **WHEREAS** the Federal Aviation Administration has determined that the installation
13 of tundra tires on aircraft does not represent a hazard to safety; and

14 **WHEREAS** the Federal Aviation Administration has determined that the major cause
15 of aircraft accidents involving aircraft with tundra tires is pilot error; and

16 **WHEREAS** discontinuing the former practice of allowing field approval of tundra tire

1 installations will not improve air safety but will cause significant inconvenience to pilots in
2 Alaska;

3 **BE IT RESOLVED** that the Alaska State Legislature respectfully requests the Federal
4 Aviation Administration to reinstitute the practice of allowing aviation safety inspectors to
5 issue field approvals for tundra tire installation.

6 **COPIES** of this resolution shall be sent to the Honorable Rodney E. Slater, Secretary,
7 U.S. Department of Transportation; the Honorable Barry L. Valentine, Acting Administrator,
