FOR AN ACT ENTITLED

1 "An Act relating to ferries and ferry terminals, establishing the Alaska Marine
2 Highway Authority, and relating to maintenance of state marine vessels; and
3 providing for an effective date."

4 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

5 * **Section 1.** PURPOSE. The purpose of this Act is to establish an authority for the
6 operation, management, planning, construction, and maintenance of facilities for the marine
7 highway system. The authority shall be the exclusive state agency directly associated with
8 the operation, management, planning, construction, and maintenance of facilities for the marine
9 highway system.

10 * **Sec. 2.** AS 19 is amended by adding a new chapter to read:

11 **Chapter 55. Alaska Marine Highway Authority.**

12 **Article 1. Creation and Organization.**

13 **Sec. 19.55.010. Alaska Marine Highway Authority.** (a) The Alaska Marine
14 Highway Authority is established. The authority is a public corporation of the state.

1 The authority is an instrumentality of the state in the Department of Transportation and
2 Public Facilities but has a legal existence independent of and separate from the state
3 and has continuing succession until its existence is terminated by law.

4 (b) The powers of the authority are vested in the board of directors of the
5 authority.

6 **Sec. 19.55.020. Directors.** (a) The board of directors of the authority consists
7 of seven directors. One director is the commissioner of transportation and public
8 facilities, and six directors are appointed by the governor. The six appointed members
9 must be state residents who have experience with maritime affairs. Appointed
10 members must include

11 (1) two persons who are members of a union that represents employees
12 of the authority; at least one person appointed under this paragraph shall be a member
13 of a maritime union;

14 (2) two persons who are residents of Southeast Alaska;

15 (3) a person who is a resident of the Gulf of Alaska area west of Icy
16 Cape; and

17 (4) a person who represents the interests of the public.

18 (b) The appointed directors serve staggered five-year terms and may be
19 removed by the governor only for cause. Each director shall hold office for the term
20 of the director's appointment and until a successor is appointed and qualified. A
21 director is qualified for reappointment. A vacancy in a directorship occurring other
22 than by expiration of term shall be filled in the same manner as the original
23 appointment but only for the unexpired term.

24 (c) The directors shall comply with AS 39.50 (Conflict of Interest). Each
25 director before entering upon the director's duties shall subscribe to an oath to perform
26 the duties of office faithfully, impartially, and justly to the best of the director's ability.
27 A record of the oath shall be filed with the Office of the Governor.

28 (d) An appointed director is entitled to compensation at a rate of \$300 for each
29 day the director is engaged in actual performance of duties under this chapter. The
30 board of directors of the authority may provide by regulation for compensation for
31 partial days for an appointed director. In addition, an appointed director is entitled to

1 per diem and travel expenses authorized for boards and commissions under
2 AS 39.20.180.

3 **Sec. 19.55.030. Officers and quorum.** The directors shall elect one of their
4 number as chair of the board of directors. The directors shall elect a secretary and a
5 treasurer who need not be directors, and the same person may be elected to serve both
6 as secretary and treasurer. Four directors constitute a quorum of the board of directors.
7 Except as provided in AS 19.55.110(7), action may be taken and motions and
8 resolutions adopted by the board of directors at a meeting by the affirmative vote of
9 at least four directors. A vacancy in the board of directors of the authority does not
10 impair the right of a quorum to exercise all the powers and perform all the duties of
11 the board.

12 **Sec. 19.55.040. Staff.** (a) The board of directors shall employ a chief
13 executive officer who serves at the pleasure of the board.

14 (b) The chief executive officer may, with the approval of the board, select and
15 employ additional staff as necessary, including additional administrative officers. All
16 officers and employees of the authority are in the exempt service under AS 39.25.110.

17 (c) In addition to its staff of employees, the board of directors may contract
18 for and engage the services of consultants and professional, technical, and financial
19 advisors the authority considers necessary for the purpose of developing information,
20 conducting hearings, studies, investigations, or other proceedings, or otherwise
21 exercising its powers.

22 **Article 2. Powers and Duties.**

23 **Sec. 19.55.110. Powers of authority.** In addition to other powers granted in
24 this chapter, the authority may

5 property for its purposes, except that the authority may dispose of a ferry only on
6 approval of at least five of its directors;

14 necessary and reasonable for either temporary or permanent public use. By the same
15 means, the authority may obtain material, including clay, gravel, sand, or rock, or the

28 of the taking.

29 (b) The authority may transfer land not considered necessary for use in the
30 marine highway system to the Department of Natural Resources for disposal. The
