

**SENATE BILL NO. 287**

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTIETH LEGISLATURE - SECOND SESSION

BY SENATOR LEMAN

Introduced: 2/10/98

Referred: State Affairs, Judiciary

**A BILL**

**FOR AN ACT ENTITLED**

1 "An Act relating to parole consideration."

2 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

3 \* **Section 1.** AS 33.16.130 is amended by adding a new subsection to read:

4 (d) Before the issuance of the board's decision, the board, at the request of the  
5 prisoner, may withdraw consideration of the prisoner's application for discretionary  
6 parole. An application whose consideration has been withdrawn under this subsection  
7 may not be further considered by the board. If the board withdraws consideration of  
8 an application under this subsection, the board may not consider an application from  
9 that prisoner for the six-month period immediately following the withdrawal unless the  
10 board finds that the new application supplies new information not supplied in the  
11 withdrawn application and clearly shows that the prisoner is suitable for immediate  
12 release on discretionary parole and that consideration of the application within the six-  
13 month period would not unduly burden or harm a victim of the crime.

14 \* **Sec. 2.** 22 AAC 20.150(k) is annulled.
