Page 2, lines 16 - 21:

Delete "An employee is entitled to overtime for hours worked in excess of

(1) eight hours a day; or

(2) 40 hours a week; the number of hours worked in a week under this paragraph shall be determined without including hours that are worked in excess of eight hours in a day."

Insert "An employee is entitled to overtime compensation for hours worked in excess of eight hours a day. An employee is also entitled to overtime compensation for hours worked in excess of 40 hours a week; in determining whether an employee has worked more than 40 hours a week, the number of hours worked shall be determined without including hours that are worked in excess of eight hours in a day because the employee has or will be separately awarded overtime compensation based on those hours."
