CSHJR 8(MLV)

Amendment No. 1 was offered by Representatives Kemplen and Harris:

Page 2, line 2, following "Alaska":

Insert "and"

Page 2, line 3, insert:

"**WHEREAS** construction, operation and maintenance of a high technology missile defense system would require advanced labor skills; and

WHEREAS these high technology workers would increase Alaska's human asset base and provide a highly skilled labor force for use by private enterprise;"
