Page 1, line 4, insert:

***Sec. 1.** AS 42.05.711(k) is amended to read:

A utility that furnishes cable television service in areas which have not been opened to local telephone competition by the Commission under 47 U.S.C. 251 are exempt from the provision of this chapter other than AS 42.05.221 - 42.05.281, in those service areas only, unless the subscribers petition the Commission for regulation under the procedure described in AS 42.05.712.

Sec. 2. The Alaska Public Utilities Commission shall, on or before January 1, 2000, promulgate, issue and implement regulations governing equal access to the services and facilities of cable television utilities. These regulations shall include provision requiring interconnection, collocation of facilities and resale of services and facilities on a wholesale and unbundled basis.

Sec. 3. The Alaska Public Utilities Commission shall, on or before January 1, 2000, promulgate, issue and implement regulations requiring the establishment tariffs for, and governing the establishment of, prices charged by cable television utilities for the provision of service, interconnection, collocation of facilities, resale of services and facilities on a wholesale and unbundled basis.

Sec. 4 All cable television utilities shall file tariffs in conformity with the regulations issued pursuant to the Act within thirty days of the regulations being issued.
