Chapter No.
62

AN ACT

Relating to salmon product reports and to the sale of fish; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

Approved by the Governor: May 19, 2000

Actual Effective Date: September 1, 2000

AN ACT

1 Relating to salmon product reports and to the sale of fish; and providing for an effective date.

2

3 * Section 1. AS 16.05.680 is amended by adding a new subsection to read:

4 (b) A person may not sell salmon that was not harvested under the authority
5 of the entry permit, interim-use permit, or landing permit under which the salmon is
6 sold.

7 * Sec. 2. AS 16.05.690(a) is amended to read:

8 (a) Each buyer of fish shall keep a record of each purchase showing the name
9 or number of the vessel from which the catch involved is taken, the date of landing,
10 vessel license number, pounds purchased of each species, number of each species, and
11 the Department of Fish and Game [WHERE POSSIBLE,] statistical area in which
12 the fish were taken, and other information the department requires. Records may be
13 kept on forms provided by the department. Each person charged with keeping the

Chapter 62

1 records shall report them to the department in accordance with regulations adopted by
2 the department [IT].

3 * Sec. 3. AS 43.80.050(a) is amended to read:

4 (a) A fish processor engaged in the business of selling [THERMALLY
5 PROCESSED] salmon products at wholesale and whose business sells more than
6 1,000,000 [240,000] pounds of [THERMALLY PROCESSED] salmon products at
7 wholesale during a calendar year shall submit to the department during the following
8 calendar year, on a form provided by the department, reports of the prices received for
9 and quantity of salmon products sold at wholesale by the processor or an affiliate
10 of the processor [FOR THE SALE OF THERMALLY PROCESSED SALMON]. Not
11 later than May 31 of each reporting year, a processor shall submit a report for the
12 period January 1 through April 30 of the reporting year. Not later than September 30
13 of each reporting year, a processor shall submit a report for the period May 1 through
14 August 31 of the reporting year. Not later than January 31 of each reporting year, a
15 processor shall submit a report for the period September 1 through December 31 of the
16 reporting year.

17 * Sec. 4. AS 43.80.050(b) is repealed and reenacted to read:

18 (b) A report submitted by a processor under (a) or (c) of this section must
19 include

20 (1) the requested information for the following salmon product forms:

- 21 (A) thermally processed salmon products;
22 (B) fresh headed and gutted salmon products;
23 (C) fresh fillet salmon products;
24 (D) frozen headed and gutted salmon products;
25 (E) frozen fillet salmon products;
26 (F) salmon roe products;

27 (2) the requested information regarding the total quantity of each
28 salmon product form sold by providing the total number of

- 29 (A) each size of container in which thermally processed salmon
30 products were sold by the processor or its affiliate; and
31 (B) pounds for each of the other salmon product forms sold by

1 the processor or its affiliate; and

2 (3) for sales to buyers that are not affiliates of the processor, the total
3 quantity of each salmon product form sold by area of production by species, and the
4 wholesale price received.

5 * Sec. 5. AS 43.80.050(c) is amended to read:

6 (c) A sale to an affiliate of the processor may not be included in a report
7 submitted under this section by a processor. However, the processor shall report sales
8 by an affiliate at wholesale of [THERMALLY PROCESSED] salmon products that
9 were [WAS] obtained from the processor. The report must [SHALL] include a
10 description of the products and the total quantity of each salmon product form sold
11 by the affiliate by area of production by species and [BY THE SIZE OF THE
12 CONTAINER IN WHICH THE SALMON IS SOLD AND] the wholesale prices
13 received by the affiliate.

14 * Sec. 6. AS 43.80.050 is amended by adding a new subsection to read:

15 (f) Each fish processor who submits a report under (a) of this section during
16 a reporting year shall also submit an annual report of the quantity of salmon products
17 produced by the processor or an affiliate of the processor between January 1 and
18 December 31 of the reporting year. The report shall be submitted to the department
19 not later than January 31 of the following reporting year. The report must include

20 (1) a description of the products and the total quantity of each salmon
21 product form produced by area of production by species for each of the salmon
22 product forms listed in (b)(1) of this section; and

23 (2) the requested information regarding the total quantity of each
24 salmon product form produced by providing the total number of

25 (A) each size of container in which thermally processed salmon
26 products were produced by the processor or its affiliate; and

27 (B) pounds for each of the other salmon product forms
28 produced by the processor or its affiliate.

29 * Sec. 7. AS 43.80.055 is amended to read:

30 **Sec. 43.80.055. Wholesale price averages; Alaska salmon price report.** (a)

31 Based on the information provided in reports submitted under AS 43.80.050, the

Chapter 62

1 department shall determine the [STATEWIDE] average wholesale prices paid to fish
2 processors and their affiliates for the sale of [THERMALLY PROCESSED] salmon
3 products.

4 (b) The department shall determine under this section the monthly and annual
5 wholesale price averages for

6 (1) each species of [THERMALLY PROCESSED] salmon for each size
7 of the container in which thermally processed [THE] salmon products are [IS] sold;

8 (2) each pound of other salmon products by area of production by
9 species by product form.

10 * Sec. 8. AS 43.80.055 is amended by adding a new subsection to read:

11 (c) The department shall publish the average wholesale prices paid for salmon
12 products in a report entitled the "Alaska Salmon Price Report."

13 * Sec. 9. AS 43.80.060 is amended to read:

14 **Sec. 43.80.060. Report to the legislature.** Not later than March 15 [THE
15 15TH DAY] of each year [REGULAR LEGISLATIVE SESSION], the department
16 shall make available to the legislature a report of [STATEWIDE] average wholesale
17 [THERMALLY PROCESSED SALMON] prices paid for salmon products and a
18 report of the quantity of salmon products produced during the preceding calendar
19 year. The department shall notify the legislature that the report is available.

20 * Sec. 10. AS 43.80.100(5) is amended to read:

21 (5) "reporting year" means the calendar year after the calendar year in
22 which a fish processor's business sells more than 1,000,000 [240,000] pounds of
23 [THERMALLY PROCESSED] salmon products at wholesale;

24 * Sec. 11. AS 43.80.100(7) is amended to read:

25 (7) "wholesale price" includes all receipts, whether in the form of
26 money, credits, or other consideration, from the sale of a [FINISHED THERMALLY
27 PROCESSED] salmon product at wholesale [LESS THAN RETAIL], without
28 deduction for the costs of property sold, materials used, insurance, labor, services,
29 labeling, transportation, storage, interest, taxes, losses, or any other expense [EXCEPT
