ANALYSIS: (Attach a separate page if necessary)

This bill would establish a fund for the deposit of state facility rent payments, and for appropriations from the fund for maintaining these facilities.

Establishing the fund would not in itself have a direct fiscal impact on any state agency. However, the purpose of the fund and the related facilities rent structure is to improve the management and maintenance of state facilities. Improved management and maintenance will reduce overall facilities costs over the long term. Although these cost reductions may be substantial, there are many variables involved and the cost reductions cannot be accurately projected at this time.
