The Public Employees' Retirement System (PERS) allows peace officers to retire with 20 years of service and non-peace officers to retire with 30 years of service, regardless of age. The Finance Committee substitute to HB 159 would allow a non-correctional officer with 20 years of PERS state correctional facility service to convert that service to service as a peace officer, thereby allowing the individual to retire. The individual would be required to pay the full actuarial cost of this conversion, either in a lump sum or through a lifetime retirement benefit reduction. Since the full actuarial cost is paid by the employee, this legislation has no fiscal impact to the State of Alaska or other PERS employers.
