ANALYSIS: (Attach a separate page if necessary)

CSHB 164 (RES) will authorize the Department of Fish and Game to use "on-line" and other electronic means to accept and process applications for, and to issue, certain licenses, permits, and tags in appropriate circumstances. The method of implementing electronic issuance would require the concurrence of the Department of Public Safety to ensure the license system continues to serve a useful role in enforcing fish and wildlife protection laws.

This bill will have no fiscal impact on the Department of Law.
