POSITIONS

Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

Hb 216 repeals AS 28.05.104 and adopts similar language in AS 14.09.030. Hb 216 removes specific school bus equipment standards from statute and refers to school buses standards adopted by the department in regulation. This allows the department to pilot new industry safety equipment before adopting it in regulation.
