ANALYSIS: (Attach a separate page if necessary)

HB 288 creates an aggravating factor for the commission of domestic violence in the physical presence of a child.

This new aggravator would apply to felony domestic violence cases. Felony domestic violence cases are already taken very seriously by the Department of Law's prosecutors, and many have other aggravating factors. While a new aggravating factor will require putting forward additional evidence to prove it, the department anticipates any fiscal impact from passage of this bill to be minimal.
