Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

According to federal law, Alaska will lose all of its federal funding for the child support division and public assistance (IV-A) programs if we do not have a law requiring that Social Security numbers be provided on applications for recreational hunting and fishing licenses. The federal funding lost will be over \$14 million a year for child support and \$63 million a year for public assistance.
