ANALYSIS: (Attach a separate page if necessary.)

The statute changes reflect current practices required by Workplace Alaska. Because the new system is not based on examination and creation of eligible lists, references to eligible lists, examinations, etc., have been amended where appropriate. Veteran's preferences which have been available as points on eligible lists are changed to required consideration for 5% veterans and required interviews for 10% veterans. Because these changes reflect current practices, there is no fiscal impact.
