POSITIONS

Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

This bill simplifies the method of calculating pay and allowances for members of the National Guard and Naval Militia. There is no fiscal impact but administrative workload will be reduced in the event the National Guard is called onto Active Duty to respond to a state disaster or emergency. In addition, Guard and Naval Militia members will be paid more timely and accurately than in the past with this change.
