ANALYSIS: (Attach a separate page if necessary)

If passed, this legislation would allow victims and offenders or communities and offenders to negotiate an agreed sentence for an offense and allow for restitution to be made by means other than money. This bill would not include offenses against a person. An agreed sentence could be less than the presumptive sentence for a felony because reaching such an agreement will be a mitigating factor under AS 12.55.155(d).

It is difficult to predict what kind of a fiscal impact this would have on the Department of Corrections. We have no way of knowing how often this would occur and what the outcome would be. Therefore, the Department of Corrections is submitting an indeterminate fiscal note.
