POSITIONS

Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

This legislation would make it a Class B Misdemeanor to abuse inhalants. The fiscal impact on the Department of Corrections is difficult to assess. Class B Misdemeanors may not result in incarceration the first time, however, if someone is a chronic abuser, he/she may ultimately spend some time in a correctional facility. Therefore, the Department of Corrections is submitting an indeterminate fiscal note.
