**ANALYSIS:** (Attach a separate page if necessary)

The existing operating budget includes \$1,334,700 of general fund program receipt authority for collection of measurement device registration, weights and measures inspections, and oversize/overweight trip permit fees (testing and inspection of devices). \$65,300 additional receipt authority was requested in the Governor's FY01 budget for purchase of metrology lab and other equipment. This fiscal notes transfers the existing receipt authority from general fund/program receipt to a new measurement standards receipt authority and adds the requested increment to the same fund source.
