FISCAL NOTE

#5

STATE OF ALASKA
1999 LEGISLATIVE SESSION
DEPARTMENT OF CORRECTIONS

BILL NO. CS SB 3(RLS)
PAGE 2 of 2
DATE 2/18/99

Section 1. In consultation with the Dept. of Law it was determined this section will have a budgetary impact. However, it will most likely occur outside the scope of this fiscal note. This type of crime happens rarely and therefore is difficult to estimate the fiscal impact.

Section 2. The Dept. of Corrections does not anticipate a fiscal impact as a result of the changes made to AS 11.41.100.

Section 3 & 8. The Dept. of Law (DOL) estimates the changes proposed to AS 11.41.110(a) in conjunction with the sentencing changes under section six will impact one (1) case per year. The sentencing provisions will increase the mandatory minimum sentence from five (5) to twenty (20) years for a net gain of fifteen (15) years. Subtracting one-third for statutory good time, the actual increase in sentence will be ten (10) years per case.

Section 4. The DOL estimates the increase in penalty for criminally negligent homicide will impact one case per year. This section will raise the penalty from a class C felony to a class B felony. This will result in an additional sentence of one and a half (1.5) years. Subtracting one third for good time results in a total increase of one (1) year per case.

Section 5. No impact.

Section 9. The DOL estimates the changes proposed to AS 12.155.125(c) will impact one case per year. Under current sentencing provisions the offender would be sentenced to a five (5) year presumptive sentence. The proposed change would increase the presumptive sentence to seven (7) years for a net gain of two (2) years. Subtracting one third for statutory good time the actual increase in sentence will be 474 days per case.

Section 10. The impact from the proposed changes in section seven is difficult to project because the language is permissive and left to the discretion of the judge.
