ANALYSIS: (Attach a separate page if necessary)

This bill changes the Forest Resources and Practices Act requirements on private land along anadromous waters and tributaries to anadromous waters. Notably, it adds buffers on Type B anadromous streams. DNR is the lead agency for enforcing the Act. In the first year (FY00), training will be needed for landowners, operators, and staff on proper implementation of the new standards. This training will be accomplished within existing resources.
