ANALYSIS: (Attach a separate page if necessary)

The Commission periodically enacts regulations. Section 44.62.036 and Section 44.62.200(a)(6) will require the agency to reach a determination on issues for which it does not have the expertise. The Commission would need the contractual services of an accountant, survey taker, and/or economist for two weeks to assist in providing the cost benefit analysis required in this subsections.
