Part-time						
Temporary						

**ANALYSIS:**

*(Attach a separate page if necessary)*

CSSB 26(JUD) makes it a class A misdemeanor for a person who has committed a crime to provide a peace officer with false information with the intent of avoiding apprehension, prosecution, conviction, or punishment. Although the creation of this new offense is likely to result in some additional cases being brought before the court system, the number of such cases is too speculative to support a fiscal note.
