ANALYSIS: (Attach a separate page if necessary)
 This legislation is intended to reduce confusion and make it clearer in cases where the name of a business may be viewed "deceptively similar" to another business name.

The purpose of this bill is to eliminate the confusion that currently exists within the three standards of business name distinction. This bill will be change current statutes from three standards of business name distinction to one standard.

With passage of this bill and subsequent implementation of new statutes, name disputes will be resolved between the parties, not the State of Alaska.
