ANALYSIS: (Attach a separate page if necessary)

The Department estimates that changing the registry from voluntary to mandatory will double the workload. The department will also have to redraft the regulations covering medical marijuana and reprocess them through public hearings. The department will have to contract for the medical expertise to evaluate waiver requests. These will require the following:

Line 100 One Administrative Clerk III for data entry and review of records
 Line 300 Redraft existing regulations to conform to amendments. Contract for the medical expertise to evaluate waiver requests and operational contract costs.
 Line 400 Card stock and miscellaneous computer and office supplies
 Line 500 Computer and workstation for new position
