ANALYSIS: *(Attach a separate page if necessary)*

This is not a zero fiscal note. There will be a cost associated with this program but the department is unable to determine the amount at this time.

SB 112 will establish a program that will allow high school students in grades 11 and 12 and students that have not passed the high school qualifying exam to attend a postsecondary school free of tuition. This legislation will require school districts to use existing foundation funds to pay for postsecondary courses for students who qualify for this program.
