ANALYSIS: (Attach a separate page if necessary.)

Vehicle and driver records are sold across the counter at DMV for \$5 per record and the entire vehicle Database is sold to Information Services providers at \$50 per 1000 records. The use of vehicle records will be restricted to only a limited number of authorized uses under this bill and that will reduce the revenue derived from the sale of vehicle records by approximately \$200.0 per year.

There will be no operating cost to implement this bill.
