ANALYSIS: (Attach a separate page if necessary)

This bill institutes in statute a method of payment for ASDF members when called on State Active Duty. Previously, DMVA pay ASDF members in accordance with military pay and allowances rules. In a recent AG opinion, DMVA was informed that this method was not authorized. This bill will provide that ASDF members are pay as if they were state employees according to work performed. In addition, it provides that ASDF while on State Active Duty are still subject to military command and discipline rules.
