ANALYSIS: (Attach a separate page if necessary)

This bill allows a longevity bonus recipient who is also a veteran to remain eligible and receive the longevity bonus while residing in an Alaska skilled nursing facility if the veteran's care is paid for by veterans' benefits or a combination of private sources and veterans' benefits.

During the past calendar year, 2/99 through 1/00, an average number of 4* veterans were disqualified from the longevity bonus program due to residence in an Alaska skilled nursing facility during which time the care was paid for by veterans' benefits.

If each of the disqualified veterans normally received the maximum longevity bonus of \$250.00, the cost to the state in an average year would be \$12.0

*Average number is 3.6 rounded up to 4
