ANALYSIS: (Attach a separate page if necessary)

This bill has a positive fiscal effect on the General Fund. Passage of this bill allows AIDEA to continue fulfilling its mission, generating revenues, and in turn, providing an annual dividend to the General Fund. The bill extends AIDEA's bonding authority, clarifies procedures available to municipalities to grant tax exemptions for privately held interest in AIDEA-owned assets, and transfers the rural development initiative fund program to AIDEA. AIDEA funds its operations and projects through corporate receipts and through the sale of bonds and does not use General Fund money.
