**ANALYSIS:** (Attach a separate page if necessary)

This bill would require the revocation of driving privileges of a person who drives a vehicle, including a commercial vehicle, that is involved in a fatal traffic accident if the person is convicted of a violation of traffic laws in connection with the accident, and the violation of the traffic laws contributed to the accident that resulted in the death of another person.

Because conviction of the traffic offense may result in loss of a valuable license, the person has a right to a jury trial. However, a jury trial on traffic matters is a relatively short time commitment. The Department of Law estimates no more than a dozen of these trials will occur statewide per year, and does not anticipate a measurable fiscal impact from passage of this legislation.
