**ANALYSIS:** (Attach a separate page if necessary)

The bill will result in the elimination of tax receipts from workers' compensation premiums currently collected by the Division of Insurance. Under the bill a service fee charged by the Department of Labor and Workforce Development against workers' compensation claims payments and costs will result in fee receipts that are estimated to offset the foregone tax receipts, when the amount generated from self-insured claims is included. The loss in revenue shown above equals the amount the Department of Labor and Workforce Development estimates it will receive in fee receipts.
