ANALYSIS: (Attach a separate page if necessary)
 If the legislature places a constitutional amendment before the Alaskan voters before October 1, 1999, the US Congress has authorized \$10,000.0 to go to the State of Alaska to implement a unified system of subsistence management and to provide support to the state boards of fish and game and local and regional fish and game advisory committees. The authorization for the department of fish and game to receive and expend these funds is contained in Section 8 of Chapter 84 SLA 99.
