A BILL

FOR AN ACT ENTITLED

1 "An Act relating to contracts for the performance of certain state functions
2 previously performed by state employees and to the Commission on Privatization
3 and Delivery of Government Services; and providing for an effective date."

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

5 * Section 1. FINDINGS AND INTENT. (a) The legislature finds that

6 (1) the annual cost of state government is exceeding the annual revenue of the
7 state;

8 (2) the State of Alaska, other states, and the federal government have
9 successfully and substantially reduced government spending and increased government
10 efficiency by contracting with third parties to perform particular state or government functions;

11 (3) there may be functions of our current state government that can be
12 performed more efficiently by any or all of the following entities:

13 (A) nongovernmental or private organizations;

14 (B) local government or regional service organizations;

1 (4) there may be functions that state government should not continue to
2 perform, but should leave to the federal government;

3 (5) there may be state government functions that should be consolidated or
4 otherwise performed more efficiently;

5 (6) there exist state government functions that would be inappropriate to
6 contract out to nongovernmental agencies;

7 (7) there may be functions of state government that should cease.

8 (b) The legislature finds it is in the best interest of the state to make a formal
9 determination of which state government functions can and should be transferred entirely to
10 private entities or to local government agencies and whether the state should stop performing
11 some functions for the federal government. The legislature also finds that it is in the best
12 interest of the state to determine which state government functions can be consolidated or
13 otherwise made more efficient.

14 (c) The legislature intends to make the determination set out in (b) of this section in
15 order to reduce dependency on state governmental revenues for the delivery of government
16 services.

17 * **Sec. 2. COMMISSION ON PRIVATIZATION AND DELIVERY OF GOVERNMENT**
18 **SERVICES.** (a) There is created in the legislative branch of the state government the

11 Services shall meet as frequently as the commission determines necessary to perform its work.
12 The commission may meet and vote by teleconference.

13 * **Sec. 5. DUTIES.** (a) The Commission on Privatization and Delivery of Government
14 Services shall

15 (1) review and evaluate the policies and recommendations of other states that
16 are studying or have implemented recommendations to transfer the provision of government
17 services to other entities;

18 (2) review state contracting policy and procedures, including competitive
19 bidding procedures;

20 (3) identify state government functions capable of more efficient performance
21 in the delivery of government services, and determine whether those identified functions could
22 most effectively be provided by

24 (B) transferring to local governments or regional service organizations;

31 (6) solicit public comment about the delivery of state government services.

1 (b) By January 1, 2000, the Commission on Privatization and Delivery of Government
2 Services shall submit a written report of its findings and recommendations to the governor and
3 the legislature. The report must include suggested legislation that may be needed to
4 accomplish the recommendations. The report must specify which

5 (1) state-funded functions should be transferred to the private sector or
6 contracted out;

7 (2) state-funded functions should be transferred to local governments or
8 regional service organizations;

9 (3) state agencies or state-funded functions should be consolidated or otherwise
10 made more efficient;

11 (4) state-funded functions should be performed by the federal government;
